

# 2007 Tuna Stock Assessment Workshops

WORKSHOP DETAILS	
<b>DATES</b>	Workshop 1: 25 <sup>th</sup> to 30 <sup>th</sup> June Workshop 2: 2 <sup>nd</sup> to 7 <sup>th</sup> July
<b>LOCATION</b>	SPC, Noumea
<b>FACILITATORS</b>	Don Bromhead, Brett Molony
<b>INITIAL ATTENDANCE</b>	Each country or territory can initially nominate one officer only, to attend either workshop 1 <i>or</i> 2, but not both. <u>Please refer to prerequisites listed below when determining which workshop to nominate for.</u>
<b>SECONDARY ATTENDANCE</b>	In the event that there are still vacancies available after nominations have closed, those countries that wish to send a second participant will be offered the opportunity to do so. The costs associated with a second officers attendance will be carried by the requesting country or territory.
<b>FUNDING</b>	GEF (for FFA member countries) and other sources (for territories/states). The OFP only holds enough funding to cover the travel and per diem for one officer per country or territory.
PREREQUISITES	
<p><b>Workshop 1</b> - A working knowledge of tuna fisheries in your own country/territory and/or the wider Western and Central Pacific Ocean, and current involvement in either management of tuna fisheries or provision of technical advice towards the management of those fisheries. Some level of technical/analytical ability, or at the very least, past training in such skills, is highly desirable in participants.</p> <p><b>Workshop 2</b> - Prior training in stock assessment use and interpretation (e.g. participation at the 2006 workshop). A working knowledge of tuna fisheries in your own country/territory and/or the wider Western and Central Pacific Ocean, and current involvement in either management of tuna fisheries or provision of technical advice towards the management of those fisheries.</p>
