

VAN 25

3) REGULATIONS ON MARINE FISHERIES

a) Fisheries Regulations 1983

THE FISHERIES REGULATIONS

ORDER NO. 49 OF 1983

To provide for the conservation and regulation of fisheries in Vanuatu waters and the issue of licences.

IN EXERCISE of the powers contained in section 34 of the Fisheries Act 1982, I hereby make the following Regulations: -

PART 1

FOREIGN FISHING LICENCES

- |                    |  |
|--------------------|--|
| Applications       | 1. (1) Subject to sub-regulation (2), every application for a foreign fishing licence shall be substantially in the form set out in Part A of Schedule 1 to these regulations.<br><br>(2) On or following the operative date of any Order made under section 7 of the Act, it shall be sufficient for any application for a foreign fishing licence to be in the form set out in Part B of Schedule 1 to these regulations.<br><br>(3) Every application for a foreign fishing licence shall be addressed to the Minister and be in writing or in the form of a telex or cable, in English or in French. |
| Licence form       | 2. Every foreign fishing licence shall be in writing or in the form of a telex or a cable and substantially in the form set out in Schedule 2 to these regulations.  |
| Fees               | 3. (1) The fee payable for the issue of a licence in respect of a foreign fishing vessel is the amount set out for vessels of that kind in Schedule 3 to these regulations.<br><br>(2) No foreign fishing licence may be issued unless the Minister is satisfied that any fees payable in respect of that licence have been paid and that adequate arrangements have been made for the payment of any royalties and other charges payable under section 14 of the Act.   |
| General conditions | 4. (1) Subject to regulation 5, every foreign fishing licence issued under section 4 of the Act shall be subject to the following general conditions: -<br><br>(a) The vessel shall at all times while in Vanuatu waters:  |

VAN 26

- (i) fly the flag of its flag state; and
  - (ii) display in a place clearly visible both from the sea and from the air, in letters and numbers at least one metre high on a contrasting background, its international radiocall sign.
- (b) Any change in the information set out in the application form shall be notified to the Director as soon as practicable and, in any case, no later than 7 days from the date of the change;
- (c) No fishing shall be undertaken in Vanuatu waters except as authorized by the licence;
- (d) No fish may be transhipped from or onto the vessel while in Vanuatu waters except with the permission of the Director and in accordance with such conditions as he may specify;
- (e) The master of the vessel shall cause a logbook to be maintained on a daily basis in such form as the Director may from time to time require for the purpose of recording the fishing operations of the vessel while within Vanuatu waters;
- (f) The logbook maintained under paragraph (e) shall be transmitted in its original and unaltered form to the Director or to any other person or organization designated by him,
- (i) not later than 45 days after the completion of the voyage to which the log book relates, or
  - (ii) at any other time at the request of the Director or of any authorized officer.
- (g) The master of the vessel shall cause reports to be made to the Director or to such other person or organization as the Director may designate containing the information set out in paragraph (h) at the following times: -
- (i) immediately upon entry into Vanuatu waters;
  - (ii) every Wednesday or such other day that the Director may specify while the vessel is in Vanuatu waters;
  - (iii) immediately upon departure from Vanuatu waters; and
  - (iv) such other times as the Director may specify.

VAN 27

- (h) Each report made under paragraph (g) shall contain details of: -
- (i) the international radio call sign or the number assigned to the vessel under any regional register referred to in an Order made under section 7 of the Act;
  - (ii) the position of the vessel at the time of reporting;
  - (iii) the total catch by species on board the vessel at the time of reporting;
  - (iv) such other matters as the Director may from time to time require.
- (i) The master or owner of the vessel or his authorized local representative shall notify the Director or such other person or organization as the Director may designate of the estimated time of entry of the vessel into any Vanuatu port at least 24 hours prior to such entry.
- (j) The master of the vessel shall, while in Vanuatu waters, allow any fisheries officer or other person designated in writing by the Director to board and remain on board the vessel as an observer and shall: -
- (i) proceed to such port or place as the Director may require to allow an observer to board or disembark from the vessel;
  - (ii) allow the observer full access to all equipment, including navigation and communications equipment, records and documents and to any fish on board the vessel;
  - (iii) allow the observer to make such tests, observations and records and to take and remove such samples as he may reasonably require in connection with the vessel's activities in Vanuatu waters; and
  - (iv) provide without charge food, accommodation and medical treatment at least equivalent to that provided for officers of the vessel.
- (k) The master of the vessel shall, while in Vanuatu waters, take all reasonable measures and precautions to avoid causing damage to any local fishing operations including non-commercial operations.

VAN 28

(2) Any records, logbooks or notifications required to be maintained or made under this regulation shall be maintained or made in English or in French.

Exemption 5. The Director may, by notice published in the Gazette, exempt any locally based foreign fishing vessel or any class of locally based foreign fishing vessel from any or all of the requirements of paragraphs (g), (h), (i) and (j) of regulation 4(1).

PART 2

LOCAL FISHING LICENCES

Form of licence and application 6. Every licence in respect of a local fishing vessel and every application for such a licence shall be in writing on the appropriate form set out in Schedule 4 to these regulations.

Fees 7. (1) Subject to sub-regulation (2), the fee payable for the issue or renewal of a licence in respect of a local fishing vessel is the amount set out for vessels of that kind in Schedule 5 to these regulations.

(2) Where a licence is issued for a part of a year only the fee payable is the amount payable under sub-regulation (1) for a complete year less one twelfth of that amount for each complete month that the licence will not have had effect.

Grounds for refusal of a licence 8. No licence in respect of a local fishing vessel may be issued or renewed unless: -

(a) an application has been made in accordance with regulation 6 and is true and correct in every way;

(b) any information requested by the Minister or the Director and relevant to the proposed fishing operation has been provided in the manner requested;

(c) there is held in respect of the vessel a valid safety certificate issued by the Ports and Marine Department under the law from time to time dealing with shipping safety; and

(d) the fee prescribed under regulation 7 has been paid.

General conditions 9. Every licence in respect of a local fishing vessel shall be subject to the following general conditions: -

(a) Any change in the information set out in the application form shall be notified to the Director as soon as practicable and in any case no later than 7 days from the date of the change.

VAN 29

- (b) The vessel shall display the identification markings as the Director may from time to time require.
- (c) No fishing shall be undertaken except as authorized by the licence.
- (d) No fish may be transshipped from or onto the vessel except with the permission of the Director and in accordance with such conditions as he may specify.
- (e) The master of the vessel shall, if so required by the Director, cause a logbook to be maintained on a daily basis in such form as the Director may from time to time require for the purpose of recording the fishing operations of the vessel.
- (f) Any logbook maintained under the preceding paragraph shall be transmitted in its original and unaltered form to the Director at such times as he may require.
- (g) If the vessel is fishing in waters other than Vanuatu waters, the vessel shall comply with such written laws relating to fishing of any other country, if any, as may be recognized by the Republic of Vanuatu as having force in those waters.

PART 3

FISH EXPORT PROCESSING ESTABLISHMENT LICENCES

- |                       |   |
|-----------------------|---|
| Applica-<br>tions     | 10. Every licence to operate a fish export processing establishment and every application for such a licence shall be in writing in the form set out in Schedule 6 to these regulations.  |
| Fees                  | 11. There shall be payable for the issue or renewal of a licence to operate a fish export processing establishment a fee of VT 10,000.  |
| Licence<br>conditions | 12. Every licence to operate a fish export processing establishment shall be subject to the following conditions in addition to any conditions endorsed on the licence: - <ul style="list-style-type: none"><li>(a) The establishment shall be maintained and operated in a clean and sanitary manner.</li><li>(b) Accurate records shall be maintained relating to the operations carried out in the establishment, including records of the quantity, type and quality of fish received, processed, sold or exported, and all such records shall be open to inspection by any authorized officer.</li></ul> |

VAN 30

- (c) Such returns shall be made to the Director concerning the operations of the establishment as the Director may from time to time require.
- (d) Any change in the information set out in the application form shall be notified to the Director as soon as practical and in any case not later than 7 days from the date of the change.

PART 4
