The Minister need ensure that a recovery plan is in force for a listed threatened species or ecological community only if the Minister decides to have a recovery plan. The Minister must decide whether to have a recovery plan for the species or community within 90 days after it becomes listed. The Minister may, at any other time, decide whether to have such a plan.

The Minister need ensure a threat abatement plan is in force for a key threatening process only if the Minister decides that a plan is a feasible, effective and efficient way of abating the process. The Minister must consult before making such a decision.

A recovery plan or threat abatement plan can be made by the Minister alone or jointly with relevant States and Territories, or the Minister can adopt a State or Territory plan. There must be public consultation and advice from the Scientific Committee about the plan, regardless of how it is made or adopted.

268 Compliance with recovery plans and threat abatement plans

A Commonwealth agency must not take any action that contravenes a recovery plan or a threat abatement plan.

Section 269

269 Implementing recovery and threat abatement plans

(1) Subject to subsection (2), the Commonwealth must implement a recovery plan or threat abatement plan to the extent to which it applies in Commonwealth areas.

(2) If a recovery plan or a threat abatement plan applies outside Commonwealth areas in a particular State or self-governing Territory, the Commonwealth must seek the co-operation of the State or Territory with a view to implementing the plan jointly with the State or Territory to the extent to which the plan applies in the State or Territory.

269AA Decision whether to have a recovery plan

Minister has an initial obligation and then a discretion

(1) The Minister must decide whether to have a recovery plan for a listed threatened species (except one that is extinct or that is a conservation dependent species) or a listed threatened ecological community within 90 days after the species or community becomes listed. The Minister may, at any other time, decide whether to have a recovery plan for the species or community.

(2) In this section:

(a) the decision that the Minister is required by subsection (1) to make in relation to the species or community within the 90 day period referred to in that subsection is the initial recovery plan decision; and

(b) any subsequent decision that the Minister makes under subsection (1) in relation to the species or community is a subsequent recovery plan decision.

Making the initial recovery plan decision

(3) In making the initial recovery plan decision, the Minister must have regard to the recommendation (the initial recommendation) made by the Scientific Committee as mentioned in paragraph 189(1B)(c) in relation to the species or community.
Section 269AA

Making a subsequent recovery plan decision (unless subsection (5) applies)

(4) In making a subsequent recovery plan decision in relation to the species or community, other than a decision to which subsection (5) applies:
   (a) the Minister must have regard to the initial recommendation in relation to the species or community; and
   (b) the Minister must have regard to any advice subsequently provided to the Minister by the Scientific Committee about whether there should be a recovery plan for the species or community.

Changing from a decision to have a recovery plan to a decision not to have a recovery plan—additional requirements

(5) If, at a time when a decision to have a recovery plan for the species or community is in force (whether or not the plan has yet been made), the Minister is proposing to make a subsequent recovery plan decision that there should not be a recovery plan for the species or community:
   (a) the Minister must ask the Scientific Committee for advice relating to the proposed decision; and
   (b) the Minister must publish a notice inviting comments on the proposed decision in accordance with subsection (7); and
   (c) the Minister must, in deciding whether to make the proposed decision, take account of:
      (i) any advice provided by the Scientific Committee in relation to the proposed decision; and
      (ii) subject to subsection (6), the comments the Minister receives in response to the notice referred to in paragraph (b).

(6) The Minister is not required to take a comment referred to in subparagraph (5)(c)(ii) into account if:
   (a) the Minister does not receive the comment until after the cut-off date specified in the notice under paragraph (5)(b); or
(b) the Minister considers that regulations referred to in paragraph (8)(b) have not been complied with in relation to the comment.

(7) The notice referred to in paragraph (5)(b):
   (a) must be published in accordance with the regulations referred to in paragraph (8)(a); and
   (b) must set out the decision the Minister proposed to make; and
   (c) must invite people to make comments, to the Minister, about the proposed decision; and
   (d) must specify the date (the cut-off date) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
   (e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (8)(b), apply to making comments; and
   (f) may also include any other information that the Minister considers appropriate.

(8) The regulations must provide for the following:
   (a) how a notice referred to in paragraph (5)(b) is to be published;
   (b) the manner and form for making comments.

**General publication requirements**

(9) The Minister must publish the following:
   (a) the Minister’s initial recovery plan decision, and the reasons for it;
   (b) each subsequent recovery plan decision (if any), and the reasons for it.

The regulations may specify how the publication is to be made. Subject to any such regulations, the publication must be made in a way that the Minister considers appropriate.
Section 269A

Note: This subsection must be complied with, even if the Minister has already published notice of the proposed decision in accordance with subsections (5) and (7).

Decisions not legislative instruments

(10) An instrument making a decision under subsection (1) is not a legislative instrument.

269A Making or adopting a recovery plan

Application

(1) This section applies only if the Minister’s most recent decision under section 269AA in relation to a listed threatened species (except one that is extinct or that is a conservation dependent species) or a listed threatened ecological community is to have a recovery plan for the species or community.

Note: Subsection 273(1) sets a deadline of 3 years from the decision for ensuring that a recovery plan is in force for the species or community. Subsection 273(2) allows that period to be extended.

Making a plan

(2) The Minister may make a written recovery plan for the purposes of the protection, conservation and management of:

(a) a listed threatened species (except one that is extinct or is a conservation dependent species); or

(b) a listed threatened ecological community.

Making a plan jointly with a State or Territory

(3) The Minister may make a written recovery plan for the purposes of the protection, conservation and management of a listed threatened species (except one that is extinct or is a conservation dependent species) or a listed threatened ecological community jointly with one or more of the States and self-governing Territories in which the species or community occurs, or with agencies of one or more of those States and Territories.

Section 269A

Content of a plan

(4) The Minister must not make a recovery plan under subsection (2) or (3) unless the plan meets the requirements of section 270.

Prerequisites to making a plan

(5) Before making a recovery plan under subsection (2) or (3) for a listed threatened species or listed threatened ecological community, the Minister must:

(a) consult the appropriate Minister of each State and self-governing Territory in which the species or community occurs, and in which actions that the plan would provide for would occur, with a view to:
   (i) taking the views of each of those States and Territories into account in making the plan under subsection (2); or
   (ii) making the plan jointly under subsection (3); unless the species or community occurs only in a Commonwealth area; and

(b) consider the advice of the Scientific Committee given under section 274; and

(c) consult about the plan and consider comments in accordance with sections 275 and 276.

Limits on making a plan

(6) The Minister must not make a recovery plan under subsection (2) for a species or ecological community that occurs wholly or partly outside a Commonwealth area unless the Minister is satisfied that it is not reasonably practicable, within the period of 3 years referred to in subsection 273(1), to make the plan under subsection (3) of this section with each State or Territory:

(a) in which the species or community occurs; and

(b) in which actions that the plan would provide for would occur, if the plan were made under subsection (2) of this section.
Adopting a State or Territory plan

(7) The Minister may, by instrument in writing, adopt as a recovery plan a plan made by a State, a self-governing Territory or an agency of a State or self-governing Territory (whether or not the plan is in force in the State or Territory). The Minister may adopt the plan with such modifications as are specified in the instrument. This subsection has effect subject to section 277.

Note: Section 277 requires that:
(a) an adopted plan have the content required for a recovery plan by section 270; and
(b) there has been adequate consultation in making the plan adopted; and
(c) the Minister consult the Scientific Committee about the content of the plan.

Effect of adopting a plan

(8) A plan adopted under subsection (7) has effect as if it had been made under subsection (2) (whether it was adopted with modifications or not).

270 Content of recovery plans

(1) A recovery plan must provide for the research and management actions necessary to stop the decline of, and support the recovery of, the listed threatened species or listed threatened ecological community concerned so that its chances of long-term survival in nature are maximised.

(2) In particular, a recovery plan must (subject to subsection (2A)):
(a) state the objectives to be achieved (for example, removing a species or community from a list, or indefinite protection of existing populations of a species or community); and
(b) state criteria against which achievement of the objectives is to be measured (for example, a specified number and distribution of viable populations of a species or community, or the abatement of threats to a species or community); and
(c) specify the actions needed to achieve the objectives; and
Section 270

(c) identify threats to the species or community; and

(d) identify the habitats that are critical to the survival of the species or community concerned and the actions needed to protect those habitats; and

(e) identify any populations of the species or community concerned that are under particular pressure of survival and the actions needed to protect those populations; and

(f) state the estimated duration and cost of the recovery process; and

(g) identify:

(i) interests that will be affected by the plan’s implementation; and

(ii) organisations or persons who will be involved in evaluating the performance of the recovery plan; and

(h) specify any major benefits to native species or ecological communities (other than those to which the plan relates) that will be affected by the plan’s implementation; and

(j) meet prescribed criteria (if any) and contain provisions of a prescribed kind (if any).

(2A) A recovery plan need only address the matters mentioned in paragraphs (2)(d), (e), (f), (g) and (h) to the extent to which it is practicable to do so.

(3) In making a recovery plan, regard must be had to:

(a) the objects of this Act; and

(b) the most efficient and effective use of the resources that are allocated for the conservation of species and ecological communities; and

(c) minimising any significant adverse social and economic impacts, consistently with the principles of ecologically sustainable development; and

(d) meeting Australia’s obligations under international agreements between Australia and one or more countries relevant to the species or ecological community to which the plan relates; and
270A Decision whether to have a threat abatement plan

Decision

(1) The Minister may at any time decide whether to have a threat abatement plan for a threatening process in the list of key threatening processes established under section 183. The Minister must do so:

(a) within 90 days of the threatening process being included in the list; and

(b) within 5 years of the last decision whether to have a threat abatement plan for the process, if that decision was not to have a threat abatement plan for the process.

Basis for decision

(2) The Minister must decide to have a threat abatement plan for the process if he or she believes that having and implementing a threat abatement plan is a feasible, effective and efficient way to abate the process. The Minister must decide not to have a threat abatement plan if he or she does not believe that.

Consultation before making a decision

(3) Before making a decision under this section, the Minister must:

(a) request the Scientific Committee to give advice within a specified period; and

(b) take reasonable steps to request any Commonwealth agency, any State, any self-governing Territory, and any agency of a State or self-governing Territory, that would be affected by or interested in abatement of the process to give advice within a specified period;

on the feasibility, effectiveness or efficiency of having and implementing a threat abatement plan to abate the process.
Consulting others

(4) Subsection (3) does not prevent the Minister from requesting any other person or body to give advice within a specified period on the feasibility, effectiveness or efficiency of having and implementing a threat abatement plan to abate the process.

Request may be made before listing

(5) A request for advice on the feasibility, effectiveness or efficiency of having and implementing a threat abatement plan to abate the process may be made before or after the process is included in the list of key threatening processes established under section 183.

Time for giving advice

(6) The Minister must not make a decision whether to have a threat abatement plan for the process before the end of the period within which he or she has requested a person or body to give advice on the feasibility, effectiveness or efficiency of having and implementing a threat abatement plan to abate the process.

Considering views expressed in consultation

(7) When the Minister is making a decision under this section, he or she must consider the advice that a person or body gave on request within the period specified in the request.

Publishing decision and reasons

(8) The Minister must publish in accordance with the regulations (if any):

(a) a decision whether or not to have a threat abatement plan for a key threatening process; and

(b) the Minister’s reasons for the decision.
Section 270B

Special rules for processes included in original list

(9) Subsections (3), (4), (5), (6) and (7) do not apply in relation to a decision about a process included in the list under section 183 as first established.

270B Making or adopting a threat abatement plan

Application

(1) This section applies only if the Minister’s most recent decision under section 270A in relation to a key threatening process is to have a threat abatement plan for the process.

Note: Section 273 sets a deadline of 3 years from the decision for ensuring that a threat abatement plan is in force for the process.

Making a plan

(2) The Minister may make a written threat abatement plan for the purposes of reducing the effect of the process.

Making a plan jointly with a State or Territory

(3) The Minister may make a written threat abatement plan for the purposes of reducing the effect of the process, jointly with the States and self-governing Territories in which the process occurs or with agencies of those States and Territories.

Content of a plan

(4) The Minister must not make a threat abatement plan under subsection (2) or (3) unless the plan meets the requirements of section 271.

Prerequisites to making a plan

(5) Before making a threat abatement plan for the process under subsection (2) or (3), the Minister must:
Chapter 5 Conservation of biodiversity and heritage
Part 13 Species and communities
Division 5 Conservation advice, recovery plans, threat abatement plans and wildlife conservation plans

Section 270B

(a) consult the appropriate Minister of each State and self-governing Territory in which the process occurs, with a view to:
   (i) taking the views of each of those States and Territories into account in making the plan under subsection (2); or
   (ii) making the plan jointly under subsection (3); unless the process occurs only in a Commonwealth area; and
(b) consider the advice of the Scientific Committee given under section 274; and
(c) consult about the plan and consider comments in accordance with sections 275 and 276.

Limits on making a plan

(6) The Minister must not make a threat abatement plan under subsection (2) for a process that occurs wholly or partly outside a Commonwealth area unless the Minister is satisfied that it is not reasonably practicable to make the plan:
   (a) jointly with each of the States and self-governing Territories in which the process occurs; and
   (b) within 3 years of the decision to have the plan.

Adopting a State or Territory plan

(7) The Minister may, by instrument in writing, adopt as a threat abatement plan for the process a plan made by a State, a self-governing Territory or an agency of a State or self-governing Territory (whether or not the plan is in force in the State or Territory). The Minister may adopt the plan with such modifications as are specified in the instrument. This subsection has effect subject to section 277.

Note: Section 277 requires that:
   (a) an adopted plan have the content required for a threat abatement plan by section 271; and
   (b) there has been adequate consultation in making the plan adopted; and
   (c) the Minister consult the Scientific Committee about the content of the plan.
271 Content of threat abatement plans

(1) A threat abatement plan must provide for the research, management and other actions necessary to reduce the key threatening process concerned to an acceptable level in order to maximise the chances of the long-term survival in nature of native species and ecological communities affected by the process.

(2) In particular, a threat abatement plan must:
   (a) state the objectives to be achieved; and
   (b) state criteria against which achievement of the objectives is to be measured; and
   (c) specify the actions needed to achieve the objectives; and
   (g) meet prescribed criteria (if any) and contain provisions of a prescribed kind (if any).

   (c) specify any major ecological matters (other than the species or communities threatened by the key threatening process that is the subject of the plan) that will be affected by the plan’s implementation.

(5) Subsection (4) does not limit the matters that a threat abatement plan may include.

### 272 Eradication of non-native species

If:
   (a) the actions specified under paragraph 270(2)(c) in a recovery plan, or under paragraph 271(2)(c) in a threat abatement plan, include the eradication of a non-native species; and
   (b) the species is threatened in a country in which its native habitat occurs;

the recovery plan, or threat abatement plan, must require the Commonwealth to offer to provide stock of the species to that country before the eradication proceeds.

### 273 Ensuring plans are in force

When a plan comes into force

(1A) A recovery plan or a threat abatement plan comes into force on the day on which it is made or adopted, or on a later day specified by the Minister in writing.

Territory, or by an agency of a State or self-governing Territory, as a wildlife conservation plan. The Minister may adopt a plan with such modifications as are specified in the instrument.

(4) A plan, as modified and adopted under subsection (2), has effect as if the plan had been made by the Minister under subsection (1).

(5) The Minister must seek the co-operation of the States and self-governing Territories in which:
   (a) a listed migratory species occurs; or
   (b) a listed marine species occurs; or
   (c) a species of cetacean occurs; or
   (d) a conservation dependent species occurs;
   with a view to making and implementing jointly with those States and Territories, or agencies of those States or Territories, a joint wildlife conservation plan unless the species occurs only in a Commonwealth area.

(6) Before making a wildlife conservation plan under subsection (1) or (5), the Minister must:
   (a) consider the advice of the Scientific Committee given under section 289; and
   (b) consult about the plan in accordance with sections 290 and 291.

(7) A wildlife conservation plan comes into force on the day on which it is made or adopted, or on such later day as the Minister specifies in writing.

286 Acting in accordance with wildlife conservation plans

A Commonwealth agency must take all reasonable steps to act in accordance with a wildlife conservation plan.

287 Content of wildlife conservation plans

(1) A wildlife conservation plan must provide for the research and management actions necessary to support survival of the migratory
species, marine species, species of cetacean or conservation dependent species concerned.

(2) In particular, a wildlife conservation plan must:
   (a) state the objectives to be achieved; and
   (b) state criteria against which achievement of the objectives is to be measured; and
   (c) specify the actions needed to achieve the objectives; and
   (d) identify the habitats of the species concerned and the actions needed to protect those habitats; and
   (e) identify:
      (i) interests that will be affected by the plan’s implementation; and
      (ii) organisations or persons who will be involved in evaluating the performance of the plan; and
   (f) specify any major benefits to migratory species, marine species, species of cetacean or conservation dependent species (other than those to which the plan relates) that will be affected by the plan’s implementation; and
   (g) meet prescribed criteria (if any) and contain provisions of a prescribed kind (if any).

(3) In making a wildlife conservation plan, regard must be had to:
   (a) the objects of this Act; and
   (b) the most efficient and effective use of the resources that are allocated for the conservation of migratory species, marine species, species of cetacean and conservation dependent species; and
   (c) minimising any significant adverse social and economic impacts, consistently with the principles of ecologically sustainable development; and
   (d) meeting Australia’s obligations under international agreements between Australia and one or more countries relevant to the migratory species, marine species, species of cetacean or conservation dependent species to which the plan relates; and
(e) the role and interests of indigenous people in the conservation of Australia’s biodiversity.

288 Eradication of non-native species

If:
(a) the actions specified under section 287 in a wildlife conservation plan include the eradication of a non-native species; and
(b) the species is threatened in a country in which its native habitat occurs;
the wildlife conservation plan must require the Commonwealth to offer to provide stock of the species to that country before the eradication proceeds.

289 Scientific Committee to advise on scheduling of plans

(1) The Minister may seek advice from the Scientific Committee on the need for wildlife conservation plans and the order in which they should be made.

(1A) The Scientific Committee may advise the Minister on its own initiative to make a wildlife conservation plan for a specified species described in subsection 285(1).

(2) In giving advice under subsection (1) or (1A), the Scientific Committee must take into account the resources available for making plans.

(3) Before making a plan, the Minister must obtain and consider advice from the Scientific Committee on the content of the plan.

290 Consultation on plans

(1) Before making a wildlife conservation plan under subsection 285(1) or (5), the Minister must:
(a) take reasonable steps to ensure that copies of the proposed plan are available for purchase, for a reasonable price, at
prescribed places in each State and self-governing Territory; and
(b) give a copy of it, together with a notice of a kind referred to in subsection (2), to the Scientific Committee; and
(c) cause the notice to be published:
   (i) in the Gazette; and
   (ii) in a daily newspaper that circulates generally in each State, and self-governing Territory; and
   (iii) in any other way required by the regulations (if any).

(2) The notice must:
(a) specify the places where copies of the proposed plan may be purchased; and
(b) invite persons to make written comments about the proposed plan; and
(c) specify:
   (i) an address for lodgment of comments; and
   (ii) a day by which comments must be made.

(3) The day specified must not be a day occurring within 3 months after the notice is published in the Gazette.

291 Consideration of comments
The Minister:
(a) must, in accordance with the regulations (if any), consider all comments on a proposed wildlife conservation plan made in response to an invitation under section 290; and
(b) may revise the plan to take account of those comments.

292 Adoption of State plans
(1) The Minister must not adopt a plan as a wildlife conservation plan under subsection 285(3) unless:
(a) the Minister is satisfied that an appropriate level of consultation has been undertaken in making the plan; and
Section 293

(2) Before adopting a plan, the Minister must obtain and consider advice from the Scientific Committee on the content of the plan.

293 Publication, review and variation of plans

(1) As soon as practicable after the Minister makes or adopts a wildlife conservation plan under section 285, the Minister must:
   (a) make copies of the plan available for purchase, for a reasonable price, at a prescribed place in each State and self-governing Territory; and
   (b) give notice of the making or adoption of each such plan; and
   (c) publish the notice:
      (i) in the Gazette; and
      (ii) in a daily newspaper that circulates generally in each State, and self-governing Territory; and
      (iii) in any other way required by the regulations (if any).

(2) The notice must:
   (a) state that the Minister has made or adopted the plan; and
   (b) specify the day on which the plan comes into force; and
   (c) specify the places where copies of the plan may be purchased.

294 Variation of plans by the Minister

(1) The Minister may, at any time, review a wildlife conservation plan that has been made or adopted under section 285 and consider whether a variation of it is necessary.

(2) Each plan must be reviewed by the Minister at intervals of not longer than 5 years.

(3) If the Minister considers that a variation of a plan is necessary, the Minister may, subject to subsections (4), (5), (6) and (7) vary the plan.
Chapter 5 Conservation of biodiversity and heritage
Part 13 Species and communities
Division 5 Conservation advice, recovery plans, threat abatement plans and wildlife conservation plans

Section 295

(4) The Minister must not vary a plan, unless the plan, as so varied, continues to meet the requirements of section 287.

(5) Before varying a plan, the Minister must obtain and consider advice from the Scientific Committee on the content of the variation.

(6) If the Minister has made a plan jointly with, or adopted a plan that has been made by, a State or self-governing Territory, or an agency of a State or self-governing Territory, the Minister must seek the co-operation of that State or Territory, or that agency, with a view to varying the plan.

(7) Sections 290, 291 and 293 apply to the variation of a plan in the same way that those sections apply to the making of a wildlife conservation plan.

295 Variation by a State or Territory of joint plans and plans adopted by the Minister

(1) If a State or self-governing Territory varies a plan that:
   (a) the Minister has made jointly with the State or self-governing Territory, or an agency of the State or Territory; or
   (b) has been adopted by the Minister as a wildlife conservation plan;
   the variation is of no effect for the purposes of this Act unless it is approved by the Minister.

(2) Before approving a variation, the Minister must obtain and consider advice from the Scientific Committee on the content of the variation.

(3) The Minister must not approve a variation under subsection (1) unless satisfied:
   (a) an appropriate level of consultation was undertaken in varying the plan; and
   (b) the plan, as so varied, continues to meet the requirements of section 287.
(4) If the Minister approves a variation of a plan, the plan has effect as so varied on and after the date of the approval, or such later date as the Minister determines in writing.

(5) Section 293 applies to the variation of a plan in the same way that it applies to the making of a wildlife conservation plan.

296 Commonwealth assistance

(1) The Commonwealth may give to a State or self-governing Territory, or to an agency of a State or a self-governing Territory, financial assistance, and any other assistance, to make a wildlife conservation plan.

(2) The Commonwealth may give to a person (other than a State or a self-governing Territory, or an agency of a State or Territory) financial assistance, and any other assistance, to implement a wildlife conservation plan.

(3) The giving of assistance may be made subject to such conditions as the Minister thinks fit.

297 Plans may cover more than one species etc.

A wildlife conservation plan made or adopted under this Subdivision may deal with all or any of the following:
   (a) one or more listed migratory species;
   (b) one or more listed marine species;
   (c) one or more species of cetacean;
   (d) one or more conservation dependent species.

298 Reports on preparation and implementation of plans

The Secretary must include in each annual report a report on the making and adoption under section 285 of each wildlife conservation plan during the year to which the report relates.

Division 8—Miscellaneous

303 Regulations

(1) The regulations may make provision for the conservation of biodiversity in Commonwealth areas.

(2) In particular, the regulations may prohibit or regulate actions affecting a member of a native species in a Commonwealth area. This does not limit subsection (1).

303A Exemptions from this Part

(1) A person proposing to take an action that would contravene a provision of this Part apart from this section may apply in writing to the Minister for an exemption from the provision.

(2) The Minister must decide within 20 business days of receiving the application whether or not to grant the exemption.

(3) The Minister may, by written notice, exempt a specified person from the application of a specified provision of this Part in relation to a specified action.

(4) The Minister may do so only if he or she is satisfied that it is in the national interest that the provision not apply in relation to the person or the action.

(5) In determining the national interest, the Minister may consider Australia’s defence or security or a national emergency. This does not limit the matters the Minister may consider.

(1) This section applies to an accreditation of a plan, regime or policy under section 208A, 222A, 245 or 265.

(2) The Minister may accredit a plan, regime or policy under that section even though he or she considers that the plan, regime or policy should be accredited only:
   (a) during a particular period; or
   (b) while certain circumstances exist; or
   (c) while a certain condition is complied with.
   In such a case, the instrument of accreditation is to specify the period, circumstances or condition.

(3) If an accreditation specifies a particular period as mentioned in subsection (2), the accreditation ceases to be in force at the end of that period.

(4) If an accreditation specifies circumstances as mentioned in subsection (2), the Minister must, in writing, revoke the accreditation if he or she is satisfied that those circumstances have ceased to exist.

(5) The Minister may, in writing, vary an accreditation by:

### 303AB Amended policies, regimes or plans taken to be accredited

(1) If:

(a) a plan, regime or policy is accredited under section 208A, 222A, 245 or 265; and

(2) The Minister must not make a declaration under subsection (1) unless:
(a) the modification has the effect of treating a specified specimen that is included in Appendix II to CITES as if the specimen were included in Appendix I to CITES; or
(b) the modification has the effect of broadening the range of specimens included in a specified Appendix to CITES in relation to a specified species; or
(c) the modification has the effect of decreasing a quantitative limit in relation to the export or import of a specimen; or

(2) The Minister may, by instrument published in the Gazette, declare that a specified plan is an *accredited wildlife trade management plan* for the purposes of this section.

      (i) the taking of specimens under the plan; and

      (ii) the export of specimens taken under the plan; and

      (iii) the status of the species to which the plan relates in the wild; and

(f) the plan provides for statistical reports about specimens taken under the plan to be given to the Minister on a regular basis; and

(g) such other conditions (if any) as are specified in the regulations have been, or are likely to be, satisfied.

(4) A declaration under subsection (2) ceases to be in force at the beginning of the fifth anniversary of the day on which the declaration took effect. However, this rule does not apply if a period of less than 5 years is specified in the declaration in accordance with subsection 303FT(4).

(i) the species, ecological communities, habitats or potential habitats covered by the agreement; or
(ii) the world heritage values of a declared World Heritage property; or
(iii) the National Heritage values of a National Heritage place; or
(iv) the Commonwealth Heritage values of a Commonwealth Heritage place; or

(g) providing for any other matter relating to the conservation or enhancement of the place, including the preparation and implementation of a plan of management for the place.

306A Conservation agreement may include declaration that actions do not need approval under Part 9

(1) A conservation agreement may include a declaration to the effect that actions in a specified class do not need approval under Part 9 for the purposes of a specified provision of Part 3. The declaration may specify conditions relating to the taking of actions in the class.

(2) The Minister must not enter into a conservation agreement that contains a declaration under subsection (1) unless the Minister is satisfied that the actions to which the declaration relates are not likely to have a significant impact on the matter protected by the provision of Part 3 proposed to be specified in the declaration.

307 Conservation agreements to be legally binding

A conservation agreement is legally binding on:
   (a) the Commonwealth; and
   (b) the person or persons with whom the Minister entered into the agreement on behalf of the Commonwealth; and
   (c) anyone else who is a successor to the whole or any part of any interest that a person mentioned in paragraph (b) had,
Section 307A

when the agreement was entered into, in any place covered by the agreement.

307A Conservation agreements may deal with remediation or mitigation measures

When this section applies

(1) This section applies if the Minister considers that an action taken by a person after the commencement of this section contravened, or may have contravened, a provision of Part 3.

Conservation agreements may provide for measures to repair or mitigate damage

(2) The Minister may enter into a conservation agreement with the person that provides for the protection and conservation of a matter referred to in section 305 by providing for the taking of measures to repair or mitigate damage to the matter protected by the provision of Part 3 (whether or not the damage may or will be, or has been, caused by the action).

(3) The conservation agreement may state that specified provisions of the agreement, being provisions for the taking of measures as mentioned in subsection (2), are provisions that may be enforced in the Federal Court under this section. A provision of the agreement to which such a statement applies is a remediation provision.

(4) If the conservation agreement contains a statement as mentioned in subsection (3), that statement must specify the provision of Part 3 referred to in subsection (1).

Federal Court may order compliance with remediation provision

(5) If the Minister considers that the person has contravened a remediation provision, the Minister may apply to the Federal Court for an order under subsection (6).
(6) If the Federal Court is satisfied that the person has contravened a remediation provision, the Court may make one or more of the following orders:
   (a) an order directing the person to comply with the remediation provision;
   (b) any other order that the Court considers appropriate.

Civil penalty for contravention of remediation provision

(7) The person must not contravene a remediation provision.

(8) Subsection (7) is a civil penalty provision. Under section 481, the Federal Court may order the person to pay a pecuniary penalty not more than the pecuniary penalty the Court could order the person to pay under that section for a contravention of the provision of Part 3 referred to in subsection (1).

This section does not limit sections 305, 306 and 307

(9) This section does not limit anything in sections 305, 306 and 307.

308 Variation and termination of conservation agreements

(1) A conservation agreement may be varied by a variation agreement entered into by the Minister, on behalf of the Commonwealth, and the person or persons bound by the conservation agreement under paragraph 307(b) or (c).

(2) Sections 305 and 306 apply in relation to variation agreements in the same way as they apply in relation to conservation agreements.

(3) A conservation agreement may be terminated:
   (a) by agreement between the Minister, on behalf of the Commonwealth, and the person or persons bound by the conservation agreement under paragraph 307(b) or (c); or
   (b) in such other manner, or in such circumstances (if any), as the agreement specifies.
Section 309

(4) If the Minister is satisfied that a conservation agreement is not capable of achieving its purpose, the Minister may, by order published in the *Gazette*, terminate the agreement or vary it in any way the Minister thinks necessary to ensure it becomes capable of achieving its purpose.

(5) The Minister may make an order under subsection (4) in relation to a conservation agreement without the agreement of the person or persons bound by the conservation agreement under paragraph 307(b) or (c).

(6) The Minister must cause a copy of an order to be laid before each House of the Parliament within the prescribed period after the publication of the order.

(7) If a conservation agreement is varied by an order, the person or persons bound by the conservation agreement under paragraph 307(b) or (c) may, by written notice given to the Minister, terminate the agreement.

(8) If a conservation agreement is terminated or varied by an order, the person or persons bound by the conservation agreement under paragraph 307(b) or (c) are not entitled to any compensation in respect of the termination or variation.

Note: See Parts 17 and 18 for remedies for breach of conservation agreements.

309 Publication of conservation agreements

(1) As soon as practicable after a conservation agreement has been entered into or varied, other than by an order under subsection 308(4), the Minister must:

(a) take reasonable steps to ensure that copies of the agreement or variation are available for purchase, for a reasonable price, at a prescribed place in each State and self-governing Territory; and

(b) cause a notice of the agreement or variation to be published:

(i) in the *Gazette*; and

(ii) in any other way required by the regulations.
Section 310

(2) The notice must:
(a) state that the agreement or variation has been entered into or made; and
(b) specify the places where copies of the agreement or variation may be purchased.

(3) Subsection (1) does not apply in relation to a conservation agreement, or a variation of such an agreement, or any part of such an agreement or variation, if the Minister is satisfied that disclosure of the agreement or variation, or the part of the agreement or variation, as the case may be, would result in harm being done to:
(a) components of biodiversity; or
(b) the world heritage values of a declared World Heritage property; or
(c) the National Heritage values of a National Heritage place; or
(d) the Commonwealth Heritage values of a Commonwealth Heritage place.

(4) Subsection (1) does not apply in relation to a conservation agreement, or a variation of such an agreement, or any part of such an agreement or variation, if the Minister is satisfied that disclosure of the agreement or variation, or the part of the agreement or variation, as the case may be, would disclose matters that the Minister is satisfied are commercial-in-confidence.

(5) The Minister must not be satisfied that matter is commercial-in-confidence unless a person demonstrates to the Minister that:
(a) release of information under subsection (1) about the matter would cause competitive detriment to the person; and
(b) the information is not in the public domain; and
(c) the information is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
(d) the information is not readily discoverable.

(b) take reasonable steps to ensure that copies of the list are available for purchase, for a reasonable price, at a prescribed place in each State and self-governing Territory.

311 Commonwealth, State and Territory laws

(1) A provision of a conservation agreement has no effect to the extent (if any) to which it is inconsistent with a law of the Commonwealth, or of a State or Territory.

(2) For the purposes of subsection (1), a provision of a conservation agreement is not taken to be inconsistent with a law of the Commonwealth, or of a State or Territory, if both the provision and the law are capable of being complied with.

312 Minister must not give preference

The Minister must not, in exercising powers on behalf of the Commonwealth under this Part, give preference to one State or any part thereof within the meaning of section 99 of the Constitution.

The Commonwealth can provide assistance for the protection or conservation of declared World Heritage properties.

Note: Section 12 prohibits an action that has a significant impact on the world heritage values of a declared World Heritage property, unless the person taking the action has the approval of the Minister administering that section or certain other requirements are met.
Subdivision B—Seeking agreement on World Heritage listing

314 Special provisions relating to World Heritage nominations

   (a) the proposed submission of the property; and
   (b) management arrangements for the property.

(3) A failure to comply with this section does not affect the submission of a property to the World Heritage Committee for inclusion in the World Heritage List or the status of a property as a declared World Heritage property.

Subdivision C—Notice of submission of property for listing

315 Minister must give notice of submission of property for listing etc.

(1) The Minister must give notice in the Gazette and in the way (if any) prescribed by the regulations of any of the following events as soon as practicable after the event occurs:

(a) amending the earlier plan so it is not inconsistent with them; or
(b) revoking and replacing the earlier plan.

Plan may be in same document as another plan

(5) To avoid doubt, a plan under this section for a property may be in the same document as:
(a) a plan under this section for another property; or

Commonwealth reserves

(6) Despite subsections (1) and (2), the Minister may not make a plan for so much of a property as is in a Commonwealth reserve.

(2) If there is no plan in force under section 316 for a particular property described in subsection (1) of that section, the Commonwealth and each Commonwealth agency must take all reasonable steps to ensure that its acts (if any) relating to the property are not inconsistent with the Australian World Heritage management principles.

319 Review of plans every 5 years

(1) The Minister must cause a review of a plan made under section 316 to be carried out at least once in each period of 5 years after the plan is made.

(3) Subsection (2) does not apply in relation to so much of a property as is in the Great Barrier Reef Marine Park.

Division 1A—Managing National Heritage places

Subdivision A—Preliminary

324A Simplified outline of this Division

The following is a simplified outline of this Division:

- The Minister may only include a place in the National Heritage List if the Minister is satisfied that the place has one or more National Heritage values.
- The Minister must ask the Australian Heritage Council for an assessment of the place’s National Heritage values and may invite public comments on the proposed inclusion of the place in the National Heritage List.
- The Minister must make plans to protect and manage the National Heritage values of National Heritage places. The Commonwealth and Commonwealth agencies must not contravene those plans.

Note: Section 15B prohibits an action that has a significant impact on the National Heritage values of a National Heritage place, unless the person taking the action has the approval of the Minister or certain other requirements are met.
Subdivision B—The National Heritage List

324C The National Heritage List

(1) The Minister must keep a written record of places and their heritage values in accordance with this Subdivision and Subdivisions BA, BB and BC. The record is called the National Heritage List.

(2) A place may be included in the National Heritage List only if:

Subdivision BA—Inclusion of places in the National Heritage List: usual process

324E Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for the inclusion of places in the National Heritage List.

The usual process involves an annual cycle that revolves around 12-month periods known as assessment periods. The Minister determines the start of the first assessment period (see section 324G).

The usual process involves the following steps for each assessment period:

(a) the Minister may determine heritage themes (this step is optional) (see section 324H);
(b) the Minister invites people to nominate places for inclusion in the National Heritage List, and gives the nominations to the Australian Heritage Council (see sections 324J and 324JA);
(c) the Australian Heritage Council prepares, and gives to the Minister, a list of places (which will mostly be places that have been nominated) that it
Section 324F

The steps mentioned in paragraphs (a) to (d) will generally be completed before the start of the assessment period.

324F Definitions

In this Subdivision:

assessment period has the meaning given by subsection 324G(1).

eligible for assessment consideration, in relation to an assessment period, has the meaning given by subsection 324JB(3).

   (a) the period of 12 months starting on the day determined in writing by the Minister for the purposes of this paragraph;
   (b) each period of 12 months starting on an anniversary of the day so determined.

(2) The Minister must make a determination under paragraph (1)(a) within 3 months after the commencement of this section. The day so determined must not be more than 12 months after that commencement.

(3) A determination under paragraph (1)(a) is a legislative instrument, but section 42 (disallowance) of the Legislation Act 2003 does not apply to the determination.

Note: Part 4 of Chapter 3 (sunsetting) of the Legislation Act 2003 does not apply to the determination. See regulations made for the purposes of paragraph 54(2)(b) of that Act.

324H Minister may determine heritage themes for an assessment period

(1) Before the Minister invites nominations for an assessment period under section 324J, the Minister may determine one or more heritage themes that the Minister considers should be given priority in relation to the assessment period.

(2) The Minister may request advice from the Australian Heritage Council for the purpose of making a determination under subsection (1), and may have regard to any advice the Council provides in response to the request.

(3) A determination under subsection (1) is a legislative instrument, but section 42 (disallowance) of the Legislation Act 2003 does not apply to the determination.
Section 324J

   (f) may also include:
      (i) information related to any heritage themes that the Minister has determined under section 324H should be given priority in relation to the assessment period; and
      (ii) any other information that the Minister considers appropriate.

(3) The regulations must provide for the following:
   (a) how a notice under subsection (1) is to be published;
   (b) the manner and form for making nominations;
   (c) what information is to be included in a nomination.
324JA Minister to give nominations to Australian Heritage Council

Nominations in relation to first assessment period

(1) Within 30 business days after the cut-off date specified in the notice under subsection 324J(1) for the first assessment period, the Minister must give the Australian Heritage Council the nominations that the Minister:

   (a) had received before the end of that cut-off date; and
   (b) had not already requested the Australian Heritage Council, under section 324E (as in force before the commencement of this section), to assess; and
   (c) had not already rejected under section 324E (as in force before the commencement of this section); and
   (d) does not reject under subsection (4).

(2) Subsection (1) does not apply to a nomination of a place if:

   (a) the place is outside the Australian jurisdiction; or
   (b) the Minister had, before the commencement of this section, included the place in the National Heritage List under section 324F (as in force before the commencement of this section).

Nominations in relation to later assessment periods

(3) Within 30 business days after the cut-off date (the current cut-off date) specified in the notice under subsection 324J(1) for an assessment period (other than the first), the Minister must give the Australian Heritage Council the nominations that were received by the Minister in the period:

   (a) starting immediately after the end of the cut-off date specified in the notice under subsection 324J(1) for the immediately preceding assessment period; and
   (b) ending at the end of the current cut-off date; other than any such nominations that the Minister rejects under subsection (4).
Minister may reject nominations

(4) The Minister may, in writing, reject a nomination if the Minister considers that:
   (a) the nomination is vexatious, frivolous or not made in good faith; or
   (b) the Minister considers that regulations referred to in paragraph 324J(3)(b) or (c) have not been complied with in relation to the nomination.

(5) If a nomination is rejected under paragraph (4)(b), the Minister must, if practicable, notify the person who made the nomination of the rejection of the nomination and the reason for the rejection.

Definition

(6) In this section:

nomination means a nomination of a place for inclusion in the National Heritage List.

324JB  Australian Heritage Council to prepare proposed priority assessment list

(1) Within 40 business days after the Australian Heritage Council receives the nominations as required by subsection 324JA(1) in relation to an assessment period, the Council must prepare and give to the Minister a list (the proposed priority assessment list) for the assessment period.

(2) The proposed priority assessment list is to consist of such of the places that are eligible for assessment consideration in relation to the assessment period as the Australian Heritage Council considers it appropriate to include in the list, having regard to:
   (a) any heritage themes determined by the Minister under section 324H in relation to the assessment period; and
   (b) the Council’s own views about what should be given priority in relation to the assessment period; and
Section 324JC

(c) the Council’s capacity to make assessments under this Division while still performing its other functions; and
(d) any other matters that the Council considers appropriate.

(3) A place is **eligible for assessment consideration** in relation to the assessment period if:
   (a) the place has been nominated by a nomination referred to in subsection (1); or
   (b) the Council itself wishes to nominate the place for inclusion in the National Heritage List; or
   (c) the place was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) but was not included in the finalised priority assessment list for that assessment period; or
   (d) each part of the place is either a place to which paragraph (a) applies, a place to which paragraph (b) applies or a place to which paragraph (c) applies.

(4) Without limiting the generality of the Australian Heritage Council’s discretion under subsection (2), the Council does not have to include in the proposed priority assessment list a place that has been nominated if the Council considers that it is unlikely that the place has any National Heritage values. For this purpose, the Council is not required to have regard to any information beyond the information that was included in the nomination.

(5) The proposed priority assessment list is not a legislative instrument.

### 324JC Matters to be included in proposed priority assessment list

(1) The proposed priority assessment list for an assessment period is to include, for each place in the list:
   (a) a description of the place; and
   (b) an assessment completion time; and
   (c) any other information required by the regulations.
Section 324JD

(2) The assessment completion time for a place must be either:
   (a) a time that is at or before the end of the assessment period to which the list relates; or
   (b) if the Australian Heritage Council considers it likely that making an assessment in relation to the place will take a period that is longer than 12 months—the end of that longer period (calculated from the start of the assessment period).

324JD Statement to be given to Minister with proposed priority assessment list

(1) When the Australian Heritage Council gives the Minister the priority assessment list for an assessment period, the Council must also give the Minister a statement setting out such information as the Council considers appropriate relating to:
   (a) for each place that is included in the list—why the Council included the place in the list; and
   (b) for each place that is not included in the list but that was eligible for assessment consideration because of paragraph 324JB(3)(a) or (c)—why the Council did not include the place in the list.

(2) The statement must also identify, as places nominated by the Australian Heritage Council:
   (a) any places that are included in the list because the Council itself wishes to nominate them (see paragraph 324JB(3)(b)); and
   (b) any places that are included in the list because of paragraph 324JB(3)(d) that consist of one or more places to which paragraph 324JB(3)(b) applies.

324JE The finalised priority assessment list

(1) Within 20 business days after the Minister, under section 324JB, receives the proposed priority assessment list for an assessment period, the Minister may, in writing, make changes to the list as mentioned in subsection (2).
Section 324JF

(2) The changes the Minister may make are as follows:

(a) including a place in the list (and also including the matters referred to in subsection 324JC(1));

(b) omitting a place from the list (and also omitting the matters referred to in subsection 324JC(1));

(c) changing the assessment completion time for a place in the list;

(d) any other changes of a kind permitted by the regulations.

(3) In exercising the power to make changes, the Minister may have regard to any matters that the Minister considers appropriate.

(4) At the end of the period of 20 business days referred to in subsection (1), the list, as changed (if at all) by the Minister, becomes the finalised priority assessment list for the assessment period.

(b) the Council considers that regulations referred to in paragraph 324JG(4)(b) have not been complied with in relation to the comment.

(4) In making an assessment, the Australian Heritage Council must not consider any matter that does not relate to the question whether the place meets any of the National Heritage criteria.
(5) If, in making an assessment, the Australian Heritage Council considers that a place might have one or more National Heritage values, the Council must:

(a) it is a legislative instrument; and

(b) an instrument or other document created for the purposes of this Act.

**324R Disclosure of Australian Heritage Council’s assessments and advice**

(1) A member of the Australian Heritage Council has a duty not to disclose the following to a person other than the Minister, an employee in the Department whose duties relate to the Council or another member of the Council:

Section 324R

to the assessment or any information about the nomination (if any) that led to the making of the assessment;
(b) advice under section 324M concerning a place or any information relating to the advice.

(2) However:
(a) the duty not to disclose a thing described in paragraph (1)(a) in relation to a place does not exist after:
(i) publication in the Gazette of an instrument under paragraph 324JJ(1)(a) or subsection 324JQ(1) in relation to the place; or
(ii) the Minister decides under paragraph 324JJ(1)(b) not to include the place in the National Heritage List; and
(b) the duty not to disclose a thing described in paragraph (1)(b) in relation to a place does not exist after:
(i) registration under the Legislative Act 2003 of a legislative instrument under section 324L relating to the place; or
(ii) the Minister decides under section 324M not to remove the place or a part of the place, or one or more of the place’s National Heritage values, from the National Heritage List.

(2A) This section does not prevent the Australian Heritage Council from informing a person, or having discussions with a person, about the consequences that result or may result from:
(a) a place being, or not being, included in the National Heritage List; or
(b) National Heritage values of a place being, or not being, included in the List; or
(c) a place or part of a place, or one or more National Heritage values of a place, being removed from the List.

(b) the Minister gives that permission; and
(c) the disclosure is made to that person (or a person within that group).

(3) After a member of the Australian Heritage Council has ceased under subsection (2) to have a duty not to disclose:
   (a) an assessment under section 324JH whether a place meets the National Heritage criteria; or
   (b) advice under section 324M concerning a place;
   the member must give a copy of the assessment or advice to anyone who asks for it.

(4) If:
   (a) a member of the Australian Heritage Council proposes to give a person under subsection (3) a copy of an assessment or advice relating to a place; and
   (b) the member is aware that, under section 324Q, it would be sufficient compliance with this Act if the copy included only a general description of the place, its location or its National Heritage values;
   the member must take reasonable steps to ensure that the copy given to the person does not include a more detailed description than is necessary for sufficient compliance with this Act under that section.

Subdivision C—Management plans for National Heritage places in Commonwealth areas

324S Management plans for National Heritage places in Commonwealth areas

(1) The Minister must make a written plan to protect and manage the National Heritage values of each National Heritage place that is entirely within one or more Commonwealth areas. The Minister
must do so as soon as practicable after the first time the place satisfies both of the following paragraphs:
   (a) the place is included in the National Heritage List;
   (b) the place is entirely within one or more Commonwealth areas.

Note: However, section 324T precludes the Minister from making plans for managing certain places.

(2) The Minister may, in writing, amend a plan or revoke and replace a plan.

(3) The Minister must give notice, in accordance with the regulations, if the Minister:
   (a) makes a plan for a National Heritage place; or
   (b) amends such a plan; or
   (c) revokes and replaces such a plan.

(4) A plan must:
   (a) address the matters prescribed by the regulations; and
   (b) not be inconsistent with the National Heritage management principles (see Subdivision E).

(5) If the National Heritage management principles change so that a plan (the earlier plan) is inconsistent with them, the Minister must as soon as practicable make a written instrument:
   (a) amending the earlier plan to make it consistent with the principles; or
   (b) revoking and replacing the earlier plan.

(6) Before making, amending or revoking and replacing a plan, the Minister must:
   (a) seek in accordance with the regulations, and consider, comments from anyone about the matters to be addressed by the proposed plan or amendment; and
   (b) seek and consider comments from the Australian Heritage Council about those matters.

Section 324T

(7) A plan, an amendment of a plan, or a revocation and replacement of a plan, is a legislative instrument.

324T  Restriction on ability to make plans

Despite section 324S, the Minister must not make a plan for managing so much of a National Heritage place as is in a
Commonwealth reserve and covered by another plan under this Act.

324U  Compliance with plans by the Commonwealth and Commonwealth agencies

(1) The Commonwealth or a Commonwealth agency must not:
   (a) contravene a plan made under section 324S; or
   (b) authorise another person to do, or omit to do, anything that, if it were done or omitted to be done by the Commonwealth or the Commonwealth agency (as appropriate), would contravene such a plan.

(2) If there is no plan in force under section 324S for a particular National Heritage place described in subsection (1) of that section, the Commonwealth and each Commonwealth agency must take all reasonable steps to ensure that its acts (if any) relating to the place are not inconsistent with the National Heritage management principles.

324V  Multiple plans in the same document

To avoid doubt, a plan for managing a National Heritage place may be in the same document as:
   (a) one or more other plans for managing National Heritage places; or
   (b) one or more other plans that this Act or another law of the Commonwealth requires or permits to be prepared.
324W  Review of plans at least every 5 years

(1) At least once in every 5 year period after a plan for managing a National Heritage place is made under section 324S, the Minister must cause a review of the plan to be carried out.

(2) The review must:
   (a) assess whether the plan is consistent with the National Heritage management principles in force at the time; and
   (b) assess whether the plan is effective in protecting and conserving the National Heritage values of the place; and
   (c) make recommendations for the improved protection of the National Heritage values of the place.

(3) The person carrying out the review must publish, on the internet and in a daily newspaper circulating in each State and self-governing Territory, a notice inviting anyone to give the person comments within 20 business days on:
   (a) whether the plan is consistent with the National Heritage management principles; and
   (b) the effectiveness of the plan in protecting and conserving the National Heritage values of the place.

(4) In carrying out the review, the person must consider the comments (if any) received in accordance with the notice.

**Subdivision D—Management of National Heritage places in States and self-governing Territories**

324X  Plans and Commonwealth responsibilities

(1) This section applies to a National Heritage place that is not entirely within one or more Commonwealth areas and is:
   (a) in a State; or
   (b) in a self-governing Territory; or
   (c) on, over or under the seabed vested in a State by the *Coastal Waters (State Title) Act 1980* or in the Northern Territory by the *Coastal Waters (Northern Territory Title) Act 1980*.

(2) The Commonwealth must use its best endeavours to ensure a plan for managing the place, that is not inconsistent with the National Heritage management principles, is prepared and implemented in co-operation with the State or Territory.

(2A) Subsection (2) does not apply in relation to so much of a place as is in the Great Barrier Reef Marine Park.

Note: A zoning plan must be prepared under the Great Barrier Reef Marine Park Act 1975 for areas that are part of the Great Barrier Reef Marine Park. In preparing a zoning plan, regard must be had to the National Heritage management principles.

(3) The Commonwealth, and each Commonwealth agency, must take all reasonable steps to ensure it exercises its powers and performs its functions in relation to the place in a way that is not inconsistent with:

(a) the National Heritage management principles; or
(b) the plan for managing the place, if one has been prepared under subsection (2).

Subdivision E—The National Heritage management principles

324Y National Heritage management principles

(1) The regulations must prescribe principles for managing National Heritage places. The principles prescribed are the National Heritage management principles.

(2) The regulations may prescribe obligations to implement or give effect to the National Heritage management principles if the obligations relate to:

(a) a constitutional corporation, the Commonwealth or a Commonwealth agency; or

Subdivision F—Obligations of Commonwealth agencies

324Z  Obligation to assist the Minister and the Australian Heritage
      Council

(1) A Commonwealth agency that owns or controls a place that has, or
    might have, one or more National Heritage values must take all
    reasonable steps to assist the Minister and the Australian Heritage
    Council in the identification, assessment and monitoring of the
    place’s National Heritage values.

(2) A Commonwealth agency that owns or controls all or part of a
    National Heritage place must take all reasonable steps to assist the
    Minister to make a plan under section 324S for the place.

(1) This section applies if a Commonwealth agency executes a
    contract for the sale or lease to someone else of a Commonwealth
    area in the Australian jurisdiction that is or includes all or part of a
    National Heritage place. It does not matter whether the agency
    executes the contract for the Commonwealth or on its own behalf.
Section 324ZA

(1A) The Commonwealth agency must give the Minister at least 40 business days’ notice before executing the contract.

(2) The Commonwealth agency must ensure that the contract includes a covenant the effect of which is to protect the National Heritage values of the place, unless the agency is satisfied that:
   (a) having regard to other means of protecting those values, including such a covenant in the contract is unnecessary to protect them or is unreasonable; or
   (b) including such a covenant in the contract is impracticable.

(3) The Commonwealth agency must inform the Minister before executing the contract if:
   (a) such a covenant:
       (i) would not, or could not be made to, bind the successors in title of the buyer or lessee; or
       (ii) could be insufficient to ensure the ongoing protection of the National Heritage values of the place; or
       (b) the agency is satisfied as described in subsection (2).
   The information must include written reasons why paragraph (a) applies or why the agency is satisfied as described in subsection (2).

(4) If the Minister is informed of a matter in paragraph (3)(a) or that the Commonwealth agency is satisfied that it is unreasonable or impracticable to include such a covenant in the contract, the Minister must:
   (a) take all reasonable measures to enter into a conservation agreement with the prospective buyer or lessee for the protection and conservation of the National Heritage values of the place; or
   (b) advise the agency about measures to ensure the ongoing protection of the National Heritage values of the place.

(5) If the Minister is informed that the Commonwealth agency is satisfied that it is unnecessary to include such a covenant in the contract, the Minister may advise the agency about measures to
ensure the ongoing protection of the National Heritage values of the place.

(6) If the Minister advises the Commonwealth agency under this section about measures to ensure the ongoing protection of the National Heritage values of the place, the agency must take all reasonable steps to ensure that the measures are taken.

Subdivision G—Assistance for protecting National Heritage places

324ZB Commonwealth assistance for protecting National Heritage places

Subdivision A—Simplified outline of this Division

325 Simplified outline of this Division

The following is a simplified outline of this Division:

The Commonwealth may designate a wetland for inclusion in the List of Wetlands of International Importance kept under the Ramsar Convention only after seeking the agreement of relevant States, self-governing Territories and land-holders.

The Minister must make plans for managing wetlands listed under the Ramsar Convention that are entirely in Commonwealth areas. The Commonwealth and Commonwealth agencies must not contravene such plans.

The Commonwealth must try to prepare and implement management plans for other wetlands listed under the Ramsar Convention, in co-operation with the relevant States and self-governing Territories.

The Commonwealth and Commonwealth agencies have duties relating to declared Ramsar wetlands in States and Territories.

The Commonwealth can provide assistance for the protection or conservation of declared Ramsar wetlands.

Note: Section 16 prohibits an action that has a significant impact on an internationally important wetland, unless the person taking the action has the approval of the Minister administering that section or certain other requirements are met.
Subdivision B—Seeking agreement on Ramsar designation

326 Commonwealth must seek agreement before designation

(1) The Commonwealth may designate for inclusion in the List of Wetlands of International Importance kept under the Ramsar Convention a wetland containing an area owned or occupied by another person only if the Minister is satisfied that the Commonwealth has used its best endeavours to reach agreement with the other person on:

   (b) management arrangements for the wetland (so far as they relate to the area).

(2) The Commonwealth may designate a wetland in a State or self-governing Territory for inclusion in the List of Wetlands of International Importance kept under the Ramsar Convention only if the Minister is satisfied that the Commonwealth has used its best endeavours to reach agreement with the State or Territory on:
   (a) the proposed submission of the wetland; and
   (b) management arrangements for the wetland.

(3) A failure to comply with this section does not affect the designation of a wetland for inclusion in the List of Wetlands of International Importance kept under the Ramsar Convention or the status of a wetland as a declared Ramsar wetland.

Subdivision C—Notice of designation of wetland

327 Minister must give notice of designation of wetland etc.

(1) The Minister must give notice in the Gazette and in the way (if any) prescribed by the regulations of any of the following events as soon as practicable after the event occurs:

(b) the Commonwealth extends the boundaries of a wetland it has included in the List;
(c) the Commonwealth restricts the boundaries of a wetland it has included in the List;
(d) the Commonwealth deletes from the List a wetland it previously included in the List.

(2) The notice must specify the area included in, or excluded or deleted from, the List as a result of the event.

The Minister must ask the Australian Heritage Council for an assessment of the place’s Commonwealth Heritage values and may invite public comments on the proposed inclusion of the place in the Commonwealth Heritage List.

Commonwealth agencies must make plans to protect and manage the Commonwealth Heritage values of Commonwealth Heritage places. The Commonwealth and Commonwealth agencies must not contravene those plans.

Commonwealth agencies also have other obligations.

The Commonwealth can provide assistance for the identification, promotion, protection or conservation of Commonwealth Heritage places.

341B Extension to places etc. outside the Australian jurisdiction

Subdivision BA—Inclusion of places in the Commonwealth Heritage List: usual process

341E Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for the inclusion of places in the Commonwealth Heritage List.

The usual process involves an annual cycle that revolves around 12-month periods known as assessment periods. The Minister determines the start of the first assessment period (see section 341G).

The usual process involves the following steps for each assessment period:

(a) the Minister invites people to nominate places for inclusion in the Commonwealth Heritage List, and gives the nominations to the Australian Heritage Council (see sections 341H and 341J);

(b) the Australian Heritage Council prepares, and gives to the Minister, a list of places (which will
mostly be places that have been nominated) that it thinks should be assessed (see sections 341JA, 341JB and 341JC);

(c) the Minister finalises the list of places that are to be assessed (see sections 341JD and 341JE);

(d) the Australian Heritage Council invites people to make comments about the places in the finalised list (see section 341JF);

(e) the Australian Heritage Council assesses the places in the finalised list, and gives the assessments to the Minister (see sections 341JG and 341JH);

(f) the Minister decides whether a place that has been assessed should be included in the Commonwealth Heritage List (see section 341JI).

The steps mentioned in paragraphs (a) to (c) will generally be completed before the start of the assessment period.

341F Definitions

In this Subdivision:

*assessment period* has the meaning given by subsection 341G(1).

*eligible for assessment consideration*, in relation to an assessment period, has the meaning given by subsection 341JA(3).

*finalised priority assessment list* for an assessment period has the meaning given by subsection 341JD(4).

*proposed priority assessment list* for an assessment period has the meaning given by subsection 341JA(1).

(f) may also include any other information that the Minister considers appropriate.

(3) The regulations must provide for the following:
(a) how a notice under subsection (1) is to be published;
(b) the manner and form for making nominations;
(c) what information is to be included in a nomination.

341J Minister to give nominations to Australian Heritage Council

Nominations in relation to first assessment period

(1) Within 30 business days after the cut-off date specified in the notice under subsection 341H(1) for the first assessment period, the Minister must give the Australian Heritage Council the nominations that the Minister:
(a) had received before the end of that cut-off date; and
(b) had not already requested the Australian Heritage Council, under section 341E (as in force before the commencement of this section), to assess; and
(c) had not already rejected under section 341E (as in force before the commencement of this section); and
(d) does not reject under subsection (4).

(2) Subsection (1) does not apply to a nomination of a place if the Minister had, before the commencement of this section, included the place in the Commonwealth Heritage List under section 341F (as in force before the commencement of this section).
Section 341JA

Nominations in relation to later assessment periods

(3) Within 30 business days after the cut-off date (the current cut-off date) specified in the notice under subsection 341H(1) for an assessment period (other than the first), the Minister must give the Australian Heritage Council the nominations that were received by the Minister in the period:

(a) starting immediately after the end of the cut-off date specified in the notice under subsection 341H(1) for the immediately preceding assessment period; and
(b) ending at the end of the current cut-off date;
other than any such nominations that the Minister has rejected under subsection (4).

Minister may reject nominations

(4) The Minister may, in writing, reject a nomination if the Minister considers that:

(a) the nomination is vexatious, frivolous or not made in good faith; or
(b) the Minister considers that regulations referred to in paragraph 341H(3)(b) or (c) have not been complied with in relation to the nomination.

(5) If a nomination is rejected under paragraph (4)(b), the Minister must, if practicable, notify the person who made the nomination of the rejection of the nomination and the reason for the rejection.

Definition

(6) In this section:

nomination means a nomination of a place for inclusion in the Commonwealth Heritage List.
341JA Australian Heritage Council to prepare proposed priority assessment list

(1) Within 40 business days after the Australian Heritage Council receives the nominations as required by subsection 341J(1) in relation to an assessment period, the Council must prepare and give to the Minister a list (the proposed priority assessment list) for the assessment period.

(2) The proposed priority assessment list is to consist of such of the places that are eligible for assessment consideration in relation to the assessment period as the Australian Heritage Council considers it appropriate to include in the list, having regard to:
   (a) the Council’s own views about what should be given priority in relation to the assessment period; and
   (b) the Council’s capacity to make assessments under this Division while still performing its other functions; and
   (c) any other matters that the Council considers appropriate.

(3) A place is eligible for assessment consideration in relation to the assessment period if:
   (a) the place has been nominated by a nomination referred to in subsection (1); or
   (b) the Council itself wishes to nominate the place for inclusion in the Commonwealth Heritage List; or
   (c) the place was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) but was not included in the finalised priority assessment list for that assessment period; or
   (d) each part of the place is either a place to which paragraph (a) applies, a place to which paragraph (b) applies or a place to which paragraph (c) applies.

(4) Without limiting the generality of the Australian Heritage Council’s discretion under subsection (2), the Council does not have to include in the proposed priority assessment list a place that has been nominated if the Council considers that it is unlikely that
the place has any Commonwealth Heritage values. For this purpose, the Council is not required to have regard to any information beyond the information that was included in the nomination.

(5) The proposed priority assessment list is not a legislative instrument.

341JB Matters to be included in proposed priority assessment list

(1) The proposed priority assessment list for an assessment period is to include, for each place in the list:
    (a) a description of the place; and
    (b) an assessment completion time; and
    (c) any other information required by the regulations.

(2) The assessment completion time for a place must be either:
    (a) a time that is at or before the end of the assessment period to which the list relates; or
    (b) if the Australian Heritage Council considers it likely that making an assessment in relation to the place will take a period that is longer than 12 months—the end of that longer period (calculated from the start of the assessment period).

341JC Statement to be given to Minister with proposed priority assessment list

(1) When the Australian Heritage Council gives the Minister the priority assessment list for an assessment period, the Council must also give the Minister a statement setting out such information as the Council considers appropriate relating to:
    (a) for each place that is included in the list—why the Council included the place in the list; and
    (b) for each place that is not included in the list but that was eligible for assessment consideration because of paragraph 341JA(3)(a) or (c)—why the Council did not include the place in the list.
(2) The statement must also identify, as places nominated by the Australian Heritage Council:

(a) any places that are included in the list because the Council itself wishes to nominate them (see paragraph 341JA(3)(b)); and

(b) any places that are included in the list because of paragraph 341JA(3)(d) that consist of one or more places to which paragraph 341JA(3)(b) applies.

341JD The finalised priority assessment list

(1) Within 20 business days after the Minister, under section 341JA, receives the proposed priority assessment list for an assessment period, the Minister may, in writing, make changes to the list as mentioned in subsection (2).

(2) The changes the Minister may make are as follows:

(a) including a place in the list (and also including the matters referred to in subsection 341JA(1));

(b) omitting a place from the list (and also omitting the matters referred to in subsection 341JA(1));

(c) changing the assessment completion time for a place in the list;

(d) any other changes of a kind permitted by the regulations.

(3) In exercising the power to make changes, the Minister may have regard to any matters that the Minister considers appropriate.

(4) At the end of the period of 20 business days referred to in subsection (1), the list, as changed (if at all) by the Minister, becomes the finalised priority assessment list for the assessment period.

(5) The Minister must notify the Australian Heritage Council of all changes that the Minister makes to the list.

(6) The finalised priority assessment list is not a legislative instrument.
Section 341JE

341JE Publication of finalised priority assessment list

(1) The Australian Heritage Council must publish the finalised priority assessment list for an assessment period on the internet.

(2) The Australian Heritage Council must also publish the finalised priority assessment list in accordance with any requirements of the regulations.

341JF Australian Heritage Council to invite comments on places in finalised priority assessment list

(1) In relation to each place included in the finalised priority assessment list for an assessment period, the Australian Heritage Council must publish a notice inviting people to make comments on the place.

(2) The Australian Heritage Council may, under subsection (1), publish a single notice relating to all of the places on the finalised priority assessment list, or may publish a number of separate notices, each of which relates to one or more of the places.

(3) A notice under subsection (1), in relation to a place or places:

(a) must be published in accordance with the regulations referred to in paragraph (4)(a); and

(b) must identify the place or places to which the notice relates; and

(c) must invite people to make comments, to the Australian Heritage Council, about:

(i) whether the place or places meet any of the Commonwealth Heritage criteria; and

(ii) whether the place or places should be included in the Commonwealth Heritage List; and

(d) must specify the date (the cut-off date) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
(e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (4)(b), apply to making comments; and

(f) may also invite people to comment on other matters that the Australian Heritage Council considers appropriate; and

(g) may also include any other information that the Australian Heritage Council considers appropriate.

(4) The regulations must provide for the following:

(a) how a notice under subsection (1) is to be published;

(b) the manner and form for making comments.

341JG Australian Heritage Council to assess places on finalised priority assessment list and give assessments to Minister

(1) In relation to each place included in the finalised priority assessment list for an assessment period, the Australian Heritage Council must (by the time required by section 341JH):

(a) make a written assessment whether the place meets any of the Commonwealth Heritage criteria; and

(b) give to the Minister:

(i) the written assessment (or a copy of it); and

(ii) a copy of the comments referred to in paragraphs (2)(a) and (b) (whether or not they have all been taken into account under subsection (2)).

(2) In making an assessment in relation to a place, the Australian Heritage Council, subject to subsections (3) and (4):

(a) must take into account the comments the Council receives in response to the notice under subsection 341JF(1) in relation to the place; and

(b) may take into account the comments the Council receives in response to the opportunity referred to in paragraph (5)(c); and

(c) may seek, and have regard to, information or advice from any source.
(3) The Australian Heritage Council is not required to take a comment referred to in paragraph (2)(a) into account if:

(a) the Council does not receive the comment until after the cut-off date specified in the notice under subsection 341JF(1) in relation to the place; or

(b) the Council considers that regulations referred to in paragraph 341JF(4)(b) have not been complied with in relation to the comment.

(4) In making an assessment, the Australian Heritage Council must not consider any matter that does not relate to the question whether the place meets any of the Commonwealth Heritage criteria.

(5) If, in making an assessment, the Australian Heritage Council considers that a place within the Australian jurisdiction might have one or more Commonwealth Heritage values, the Council must:

(a) take all practicable steps:

(i) to identify each person who is an owner or occupier of all or part of the place; and

(ii) if the Council considers the place might have an indigenous heritage value—to identify each Indigenous person who has rights or interests in all or part of the place; and

(b) take all practicable steps to advise each person identified that the Council is assessing whether the place meets any of the Commonwealth Heritage criteria; and

(c) give persons advised at least 20 business days to comment in writing whether the place should be included in the Commonwealth Heritage List.

(6) If the Australian Heritage Council is satisfied that there are likely to be at least 50 persons referred to in subparagraph (5)(a)(i), the Council may satisfy the requirements of subsection (5) in relation to those persons by including the information referred to in paragraphs (5)(b) and (c) in one or more of the following:

(a) advertisements in a newspaper, or newspapers, circulating in the area in which the place is located;
(b) letters addressed to “The owner or occupier” and left at all the premises that are wholly or partly within the place;
(c) displays in public buildings at or near the place.

(7) If:
(a) the Australian Heritage Council considers that the place might have an indigenous heritage value; and
(b) there are Indigenous persons who:
   (i) have rights or interests in all or part of the place; and
   (ii) are neither owners nor occupiers of all or part of the place; and
(c) the Australian Heritage Council is satisfied that there is a body, or there are bodies, that can appropriately represent those Indigenous persons in relation to those rights and interests;
the Australian Heritage Council may satisfy the requirements of subsection (5) in relation to those Indigenous persons by giving the information referred to in paragraphs (5)(b) and (c) to that body or those bodies.

341JH Time by which assessments to be provided to Minister

(1) Subsection 341JG(1) must be complied with, in relation to a place included in the finalised priority assessment list for an assessment period, by the assessment completion time specified in the list for the place, or by that time as extended under this section.

(2) The Australian Heritage Council may request the Minister to extend the assessment completion time (or that time as previously extended) if the Council considers that it needs more time to make the assessment.

(3) The Minister may, in response to a request under subsection (2), extend the assessment completion time (or that time as previously extended) by such period (if any) as the Minister considers appropriate. However, the total length of all extensions of the assessment completion time must not be more than 5 years.
Section 341JI

(4) An extension under subsection (3) must be made in writing.

(5) If the Minister grants an extension under this section, the Minister must publish particulars of the extension in a way that the Minister considers appropriate.

341JI Decision about inclusion of a place in the Commonwealth Heritage List

Minister to decide whether or not to include place

(1) After receiving from the Australian Heritage Council an assessment under section 341JG whether a place (the assessed place) meets any of the Commonwealth Heritage criteria, the Minister must:

(a) by instrument published in the Gazette, include in the Commonwealth Heritage List:

(i) the assessed place or a part of the assessed place; and

(ii) the Commonwealth Heritage values of the assessed place, or that part of the assessed place, that are specified in the instrument; or

(b) in writing, decide not to include the assessed place in the Commonwealth Heritage List.

Note: The Minister may include a place in the Commonwealth Heritage List only if the Minister is satisfied that the place has one or more Commonwealth Heritage values (see subsection 341C(2)).

(2) Subject to subsection (3), the Minister must comply with subsection (1) within 90 business days after the day on which the Minister receives the assessment.

(3) The Minister may, in writing, extend or further extend the period for complying with subsection (1).

(4) Particulars of an extension or further extension under subsection (3) must be published on the internet and in any other way required by regulations.
(5) For the purpose of deciding what action to take under subsection (1) in relation to the assessed place:
   (a) the Minister must have regard to:
       (i) the Australian Heritage Council’s assessment whether the assessed place meets any of the Commonwealth Heritage criteria; and
       (ii) the comments (if any), a copy of which were given to the Minister under subsection 341JG(1) with the assessment; and
   (b) the Minister may seek, and have regard to, information or advice from any source.

Additional requirements if Minister decides to include place

(6) If the Minister includes the assessed place, or a part of the assessed place (the listed part of the assessed place), in the Commonwealth Heritage List, he or she must, within a reasonable time:
   (a) take all practicable steps to:
       (i) identify each person who is an owner or occupier of all or part of the assessed place; and
       (ii) advise each person identified that the assessed place, or the listed part of the assessed place, has been included in the Commonwealth Heritage List; and
   (b) if the assessed place:
       (i) was nominated; or
       (ii) was included in a place that was nominated; or
       (iii) includes a place that was nominated;
       by a person in response to a notice under subsection 341H(1)—advise the person that the assessed place, or the listed part of the assessed place, has been included in the Commonwealth Heritage List; and
   (c) publish a copy of the instrument referred to in paragraph (1)(a) on the internet; and
   (d) publish a copy or summary of that instrument in accordance with any other requirements specified in the regulations.
Section 341JJ

(7) Paragraph (6)(a) does not apply unless the assessed place is within the Australian jurisdiction.

(8) If the Minister is satisfied that there are likely to be at least 50 persons referred to in subparagraph (6)(a)(i), the Minister may satisfy the requirements of that paragraph in relation to those persons by including the advice referred to in that paragraph in one or more of the following:

(a) advertisements in a newspaper, or newspapers, circulating in the area in which the assessed place is located;
(b) letters addressed to “The owner or occupier” and left at all the premises that are wholly or partly within the assessed place;
(c) displays in public buildings at or near the assessed place.

Additional requirements if Minister decides not to include place

(9) If the Minister decides not to include the assessed place in the Commonwealth Heritage List, the Minister must, within 10 business days after making the decision:

(a) publish the decision on the internet; and
(b) if the assessed place:

(i) was nominated; or
(ii) was included in a place that was nominated; or
(iii) includes a place that was nominated;
by a person in response to a notice under subsection 341H(1)—advise the person of the decision, and of the reasons for the decision.

Note: Subsection (9) applies in a case where the Minister decides that none of the assessed place is to be included in the Commonwealth Heritage List.
Subdivision BB—Inclusion of places in the Commonwealth Heritage List: emergency process

341JJ Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the emergency process for the inclusion of places in the Commonwealth Heritage List.

The emergency process involves the following steps:

(a) the Minister may include a place in the Commonwealth Heritage List if it is under threat (see section 341JK);

(b) the Minister asks the Australian Heritage Council to assess the place (see section 341JL);

(c) the Australian Heritage Council publishes notice of the listing and invites comments (see section 341JM);

(d) the Australian Heritage Council assesses the place, and gives the assessment to the Minister (see sections 341JN and 341JO);

(e) the Minister has 12 months from the listing of the place to decide whether it should continue to be listed, and the listing will lapse if the Minister does not make a decision within that period (see section 341JP).

341JK Minister may include place in Commonwealth Heritage List if under threat

(1) If the Minister believes:
Section 341JK

(a) a place has or may have one or more Commonwealth Heritage values; and
(b) any of those values is under threat of a significant adverse impact; and
(c) that threat is both likely and imminent;
the Minister may, by instrument published in the Gazette, include in the Commonwealth Heritage List the place and the Commonwealth Heritage values the Minister believes the place has or may have.

Note: For which places can be included in the Commonwealth Heritage List, see subsection 341C(2).

(2) If:
(a) the place is included in the Commonwealth Heritage List under subsection (1); and
(b) before that inclusion of the place, the place was being considered for inclusion in the List under the process set out in Subdivision BA;
that process ceases to apply to the place when it is included in the List under subsection (1).

Note: Subsection (2) does not prevent the process in Subdivision BA again starting to apply to the place if (for example) the place ceases to be listed because of subsection 341JP(1) or (4) and a person subsequently nominates the place under that Subdivision.

(3) If the place is included in the Commonwealth Heritage List under subsection (1), the Minister must:
(a) in any case—within 10 business days after the inclusion of the place, publish a copy of the instrument under subsection (1):
   (i) on the internet; and
   (ii) in accordance with any other requirements specified in the regulations; and
(b) if the place is within the Australian jurisdiction—take all practicable steps to:
   (i) identify each person who is an owner or occupier of all or part of the place; and
(ii) advise each person identified that the place has been included in the Commonwealth Heritage List.

(4) If the Minister is satisfied that there are likely to be at least 50 persons referred to in subparagraph (3)(b)(i), the Minister may satisfy the requirements of paragraph (3)(b) in relation to those persons by including the advice referred to in that paragraph in one or more of the following:

(a) advertisements in a newspaper, or newspapers, circulating in the area in which the place is located;

(b) letters addressed to “The owner or occupier” and left at all the premises that are wholly or partly within the place;

(c) displays in public buildings at or near the place.

341JL Minister to ask Australian Heritage Council for assessment

(1) If the Minister includes a place in the Commonwealth Heritage List under section 341JK, the Minister must, in writing, request the Australian Heritage Council to give the Minister an assessment of whether the place meets any of the Commonwealth Heritage criteria.

(2) The request must specify the assessment completion time for the assessment.

Note: When specifying an assessment completion time, the 12-month period referred to in subsection 341JP(1) should be considered.

341JM Publication of listing of place and inviting comments

(1) If the Australian Heritage Council receives a request under subsection 341JL(1) in relation to a place that has been included in the Commonwealth Heritage List, the Council must publish a notice inviting people to comment on the listing of the place.

(2) A notice under subsection (1) in relation to a place:

(a) must be published in accordance with the regulations referred to in paragraph (3)(a); and

(b) must contain the following:
Section 341JN

(i) a description of the place;
(ii) a statement that the place has been included in the Commonwealth Heritage List, and that specifies the Commonwealth Heritage values that have been included in the List in relation to the place;
(iii) the date on which the place was so included; and
(c) must invite people to make comments, to the Australian Heritage Council, about:
   (i) whether the place meets any of the Commonwealth Heritage criteria; and
   (ii) whether the place should continue to be included in the Commonwealth Heritage List; and
(d) must specify the date (the cut-off date) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
(e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (3)(b), apply to making comments.

(3) The regulations may provide for either or both of the following:
   (a) how a notice under subsection (1) is to be published;
   (b) the manner and form for making comments.

341JN Australian Heritage Council to assess place and give assessment to Minister

(1) Section 341JG applies in relation to a request under subsection 341JL(1) as if:
   (a) a reference in section 341JG to a place included in the finalised priority assessment list for an assessment period were a reference to the place to which the request relates; and
   (b) a reference in section 341JG to the notice under subsection 341JF(1) in relation to the place were a reference to the notice under subsection 341JM(1) in relation to the place; and
(c) a reference in section 341JG to regulations referred to in paragraph 341JF(4)(b) were a reference to regulations referred to in paragraph 341JM(3)(b); and
(d) a reference in section 341JG to whether the place should be included in the Commonwealth Heritage List were a reference to whether the place should continue to be included in the Commonwealth Heritage List.

(2) A reference in another provision of this Act to section 341JG, or to a provision of that section, includes a reference to that section or provision as it applies because of this section.

### 341JO Time by which assessments to be provided to Minister

(1) Section 341JH applies in relation to a request under subsection 341JL(1) as if:

(a) a reference in section 341JH to a place included in the finalised priority assessment list for an assessment period were a reference to the place to which the request relates; and

(b) a reference in section 341JH to the assessment completion time specified in the list for the place were a reference to the assessment completion time specified in the request.

(2) A reference in another provision of this Act to section 341JH, or to a provision of that section, includes a reference to that section or provision as it applies because of this section.

### 341JP Decision about place remaining in the Commonwealth Heritage List

**Minister to decide whether place should remain listed**

(1) Within 12 months after the inclusion of a place in the Commonwealth Heritage List under section 341JK, the Minister must, by instrument published in the *Gazette*, subject to subsections (2) and (3):

(a) do one of the following:
Section 341JP

(i) state that the place remains in the Commonwealth Heritage List with its boundary unaltered;
(ii) alter the boundary of the place described in the Commonwealth Heritage List (whether or not the alteration results in an overall increase or decrease in the extent of the place included in the List);
(iii) remove from the Commonwealth Heritage List the place and its Commonwealth Heritage values; and
(b) if the place is not removed from the Commonwealth Heritage List under subparagraph (a)(iii)—do all or any of the following:

(ii) include in the List for the place specified Commonwealth Heritage values of the place that were not included in the List under section 341JK for the place;
(iii) remove from the List for the place specified Commonwealth Heritage values that were included in the List under section 341JK for the place.

(2) The Minister must not take action under subsection (1) unless the Minister has received an assessment from the Australian Heritage Council under section 341JG in relation to the place.

(3) The Minister must not take action under subsection (1) that results in the place remaining in the Commonwealth Heritage List (whether or not with the same or a different boundary) unless the Minister is satisfied that the place has one or more Commonwealth Heritage values.

Listing lapses automatically if action not taken within 12 months of listing

(4) If the Minister does not take action under subsection (1) within the period referred to in that subsection, the place, and its listed Commonwealth Heritage values, are automatically removed from
the Commonwealth Heritage List, by force of this subsection, at the end of that period.

Note: This subsection applies even if the Minister is prevented from taking action under subsection (1) because of subsection (2).

Matters to be considered

(5) For the purpose of deciding what action to take under subsection (1) in relation to the place:

(a) the Minister must have regard to:

(i) the Australian Heritage Council’s assessment whether the place meets any of the Commonwealth Heritage criteria; and

(ii) the comments (if any), a copy of which were given to the Minister under subsection 341JG(1) with the assessment; and

(b) the Minister may seek, and have regard to, information or advice from any source.

Disapplying section 341L

(6) Section 341L does not apply to:

(a) an alteration of the boundary of the place, under subparagraph (1)(a)(ii) of this section, that has the effect of removing part of the place from the Commonwealth Heritage List; or

(b) the removal of the place and its Commonwealth Heritage values under subparagraph (1)(a)(iii) of this section; or

(c) the removal of a Commonwealth Heritage value of the place under subparagraph (1)(b)(iii) of this section.

Subdivision BC—Other provisions relating to the
Commonwealth Heritage List

341JQ Co-ordination with Scientific Committee—Council
undertaking assessment

(1) This section applies if:
   (a) the Australian Heritage Council undertakes an assessment of
       a place under Subdivision BA or Subdivision BB; and
   (b) before giving the assessment to the Minister, the Council
       becomes aware that:
          (i) the Scientific Committee is undertaking, or has
              undertaken, an assessment under Division 1 of Part 13;
              and
          (ii) there is a matter that is relevant to both the assessment
               referred to in paragraph (a) and the assessment referred
               to in subparagraph (i).

(2) A member of the Australian Heritage Council may discuss the
matter with a member of the Scientific Committee.

(3) Before the Australian Heritage Council gives an assessment of the
place to the Minister under Subdivision BA or Subdivision BB, the
Council must comply with subsection (4) or (6).

(4) If the Scientific Committee has not yet given the Minister an

Council must:
   (a) give the Scientific Committee a copy of the assessment of the
       place that the Council proposes to give to the Minister; and
   (b) invite the Scientific Committee to give the Council its
       comments in relation to that matter; and
Section 341JR

(c) take into account, in finalising the assessment of the place that the Council gives the Minister, any comments that the Scientific Committee makes in relation to that matter in response to that invitation within 14 days, or such longer period as is specified in the invitation, after being given the invitation.

(5) If the Australian Heritage Council gives the Scientific Committee a copy of a proposed assessment of a place under paragraph (4)(a), the Council must also give the Scientific Committee a copy of the assessment of that place that the Council gives the Minister.

(6) If:

(a) the Scientific Committee has already given the Minister an assessment that deals with that matter; and

(b) the Australian Heritage Council has been given a copy of that assessment;

the Australian Heritage Council must take that assessment into account in finalising the assessment of the place that the Council gives the Minister.

(7) If, under section 194S or 194T, the Scientific Committee gives the Australian Heritage Council a proposed assessment, or an assessment, that deals with a particular matter because the Council is undertaking an assessment that deals with that matter, a member of the Council may discuss that matter with a member of the Scientific Committee.

(8) Subsection (2), paragraph (4)(a) and subsections (5) and (7) have effect despite section 341R.

341JR Co-ordination with Scientific Committee—Council given assessment to Minister

(1) This section applies if:

(a) the Australian Heritage Council has given to the Minister an assessment of a place under Subdivision BA or Subdivision BB; and
(b) the Council is aware that:
   (i) the Scientific Committee is undertaking an assessment
       under Division 1 of Part 13; and
   (ii) there is a matter that is relevant to both the assessment
       referred to in paragraph (a) and the assessment referred
       to in subparagraph (i).

(2) The Australian Heritage Council must, within 7 days after
    becoming aware as referred to in paragraph (1)(b):
    (a) ensure the Scientific Committee is aware of the existence of
        the paragraph (1)(a) assessment dealing with the matter; and
    (b) give the Scientific Committee a copy of the assessment.

(3) A member of the Australian Heritage Council may discuss the
    matter with a member of the Scientific Committee.

(4) Subsections (2) and (3) have effect despite section 341R.

341K Listing process not affected by changing boundaries of a place

(1) This section is about compliance with a provision of
    Subdivision BA or BB that requires or permits an act to be done in
    relation to the place identified by express or implied reference to
    an earlier provision of that Subdivision.

(2) It is sufficient compliance with the provision if the act is done in
    relation to a place whose boundary overlaps the boundary of the
    place identified by reference to the earlier provision.

(3) This section does not affect the validity of the act so far as that
    depends on something other than the act being done in relation to
    the place.

341L Removal of places or Commonwealth Heritage values from the
    Commonwealth Heritage List

(1) The Minister must remove all or part of a place from the
    Commonwealth Heritage List as soon as practicable after the
    Minister becomes aware that:
Section 341L

(a) the place or part is no longer in a Commonwealth area; or
(b) the place or part is no longer owned or leased by the Commonwealth or a Commonwealth agency, if the place or part is outside the Australian jurisdiction.

(2) The Minister may remove all or part of a place from the Commonwealth Heritage List only if the Minister is satisfied that:

(a) ignoring subsection 341D(2), the place no longer has any Commonwealth Heritage values or the part no longer contributes to any of the Commonwealth Heritage values of the place; or
(b) it is necessary in the interests of Australia’s defence or security to do so.

Note: A place or part of a place may also be removed from the Commonwealth Heritage List under subsection 341JP(1).

(3) The Minister may remove one or more Commonwealth Heritage values included in the Commonwealth Heritage List for a Commonwealth Heritage place only if the Minister is satisfied that:

(a) ignoring subsection 341D(2), the place no longer has the Commonwealth Heritage value or values; or
(b) it is necessary in the interests of Australia’s defence or security to do so.

(4) The Minister may remove all or part of a place, or a Commonwealth Heritage value of a place, only by an instrument including a statement of the reasons for the removal.

Note 1: The Minister must first obtain and consider the advice of the Australian Heritage Council (see section 341M).

Note 2: For requirements relating to the instrument under the Legislation Act 2003, see subsections (6) and (7) of this section.

(5) The instrument must deal with only one of the following kinds of removal:

(a) removal (removal for loss of value) of a place, part or Commonwealth Heritage value because of paragraph (2)(a) or (3)(a);
Chapter 5
Protected areas Part 15
Managing Commonwealth Heritage places Division 3A

Section 341M

(b) removal of a place, part or Commonwealth Heritage value
because of subsection (1) or paragraph (2)(b) or (3)(b).
If the instrument purports to deal with both kinds, it has no effect
so far as it deals with a removal for loss of value.

(6) If the instrument deals only with removal for loss of value:
(a) it is a legislative instrument; and
(b) it takes effect on the first day it is no longer liable to be
disallowed, or to be taken to have been disallowed, under

(7) If subsection (6) does not apply to the instrument, it is a notifiable
instrument.

Note: Notifiable instruments must be registered under the Legislation Act
2003, but they are not subject to parliamentary scrutiny or sunsetting
under that Act.

341M Minister must consider advice of the Australian Heritage
Council and public comments

(1) Before the Minister removes from the Commonwealth Heritage
List under section 341L all or part of a place or one or more of a
place’s Commonwealth Heritage values in a removal for loss of
value, the Minister must:
(a) give the Chair of the Australian Heritage Council a written
request for the Council to give the Minister advice on the
proposed removal; and
(b) publish, on the internet, in a daily newspaper circulating in
each State and self-governing Territory and in each other way
required by the regulations (if any), a notice:
(i) describing the proposed removal; and
(ii) inviting anyone to give the Minister comments, within
20 business days, on the proposed removal.
The Minister must publish the notice within 20 business days of
giving the request.

(2) The Australian Heritage Council must give the advice to the
Minister within the period specified by the Minister.
(3) The Minister must consider the advice, if he or she receives it by the end of that period, and the comments (if any) received in accordance with the notice.

(4) In preparing the advice, the Australian Heritage Council must not consider any matter that does not relate to the Commonwealth Heritage values of the place concerned.

(5) The Minister must:
   (a) decide whether to remove from the Commonwealth Heritage List the place or part concerned, or the Commonwealth Heritage value or values of the place concerned; and
   (b) if the Minister decides to remove the place or part, or the Commonwealth Heritage value or values of the place—
       ensure that an instrument removing the place, part or Commonwealth Heritage value or values is made under subsection 341L(4);
       within 60 business days after the earlier of the advice being received by the Minister and the specified period for giving advice to the Minister ending.

(6) However, the time limit in subsection (5) does not apply if the place is wholly or partly outside the Australian jurisdiction.

341N Specifying one or more additional Commonwealth Heritage values for a Commonwealth Heritage place

(1) The regulations may make provision for, or in relation to, the specification in the Commonwealth Heritage List of additional Commonwealth Heritage values in relation to Commonwealth Heritage places.

(2) Without limiting the generality of subsection (1), regulations may make provision as mentioned in that subsection by specifying modifications of provisions of this Act. However, regulations must not:
   (a) increase, or have the effect of increasing, the maximum penalty for any offence; or
(b) widen, or have the effect of widening, the scope of any
offence.

341P Commonwealth Heritage List must be publicly available

The Minister must ensure that:
(a) up-to-date copies of the Commonwealth Heritage List are
available for free to the public on request; and
(b) an up-to-date copy of the Commonwealth Heritage List is
available on the internet.

Note: The copies of the Commonwealth Heritage List made publicly
available may not contain certain information kept confidential under
section 341Q.

341Q Certain information may be kept confidential

(1) This section applies if the Minister considers that the heritage
values of a place could be significantly damaged by the disclosure
of some or all of the following information, or by the presence or
actions of persons if some or all of the following information were
disclosed publicly:
(a) the place’s precise location;
(b) the place’s heritage values;
(c) any other information about the place.

(2) It is sufficient compliance with this Act if only a general
description of the place, its location or its Commonwealth Heritage
values is included in:
(a) the Commonwealth Heritage List as made publicly available;
or
(b) an instrument or other document created for the purposes of
this Act.
Section 341R

341R Disclosure of Australian Heritage Council’s assessments and advice

(1) A member of the Australian Heritage Council has a duty not to disclose the following to a person other than the Minister, an employee in the Department whose duties relate to the Council or another member of the Council:

(a) an assessment under section 341JG whether a place meets any of the Commonwealth Heritage criteria, any information relating to the assessment or any information about the nomination (if any) that led to the making of the assessment;

(b) advice under section 341M concerning a place or any information relating to the advice.

(2) However:

(a) the duty not to disclose a thing described in paragraph (1)(a) in relation to a place does not exist after:

(i) publication in the Gazette of an instrument under paragraph 341JI(1)(a) or subsection 341JP(1) in relation to the place; or

(ii) the Minister decides under paragraph 341JI(1)(b) not to include the place in the Commonwealth Heritage List; and

(b) the duty not to disclose a thing described in paragraph (1)(b) in relation to a place does not exist after:

(i) registration under the Legislation Act 2003 of an instrument under section 341L relating to the place; or

(ii) the Minister decides under section 341M not to remove the place or a part of the place, or one or more of the place’s Commonwealth Heritage values, from the Commonwealth Heritage List.

(2A) This section does not prevent the Australian Heritage Council from informing a person, or having discussions with a person, about the consequences that result or may result from:

(a) a place being, or not being, included in the Commonwealth Heritage List; or
(b) Commonwealth Heritage values of a place being, or not being, included in the List; or
(c) a place or part of a place, or one or more Commonwealth Heritage values of a place, being removed from the List.

(2B) Subsection (1) does not apply to a disclosure of particular information if:
(a) the Chair of the Australian Heritage Council requests the Minister to give permission to disclose that information to a particular person (or persons within a particular group of persons); and
(b) the Minister gives that permission; and
(c) the disclosure is made to that person (or a person within that group).

(3) After a member of the Australian Heritage Council has ceased under subsection (2) to have a duty not to disclose:
(a) an assessment under section 341JG whether a place meets the Commonwealth Heritage criteria; or
(b) advice under section 341M concerning a place;
the member must give a copy of the assessment or advice to anyone who asks for it.

(4) If:
(a) a member of the Australian Heritage Council proposes to give a person under subsection (3) a copy of an assessment or advice relating to a place; and
(b) the member is aware that, under section 341Q, it would be sufficient compliance with this Act if the copy included only a general description of the place, its location or its Commonwealth Heritage values;
the member must take reasonable steps to ensure that the copy given to the person does not include a more detailed description than is necessary for sufficient compliance with this Act under that section.
Section 341S

Subdivision C—Management plans for Commonwealth Heritage places

341S Management plans for Commonwealth Heritage places

(1) A Commonwealth agency must make a written plan to protect and manage the Commonwealth Heritage values of a Commonwealth Heritage place it owns or controls. The agency must do so within the period mentioned either:
   (a) at the time the agency starts owning or controlling the place, in the agency’s heritage strategy under section 341ZA; or
   (b) after that time, in the agency’s first such strategy.

Note: However, a Commonwealth agency must not make plans for managing certain places (see section 341U).

(2) The Commonwealth agency may, in writing, amend the plan or revoke and replace the plan.

(3) A Commonwealth agency must give notice, in accordance with the regulations, if the agency:
   (a) makes a plan for a Commonwealth Heritage place; or
   (b) amends such a plan; or
   (c) revokes and replaces such a plan.

Note: Subdivision E imposes other obligations on Commonwealth agencies.

(4) A plan must:
   (a) address the matters prescribed by the regulations; and
   (b) not be inconsistent with the Commonwealth Heritage management principles (see Subdivision D).

(5) If the Commonwealth Heritage management principles change so that a plan (the earlier plan) is inconsistent with them, the agency concerned must as soon as practicable make a written instrument:
   (a) amending the earlier plan to make it consistent with the principles; or
   (b) revoking and replacing the earlier plan.
Before making, amending or revoking and replacing a plan, the agency concerned must:

(a) ask the Minister for advice on the proposed plan or amendment and must take account of any such advice received from the Minister; and

(b) seek in accordance with the regulations, and consider, comments from anyone about the matters to be addressed by the proposed plan or amendment.

(7) The Minister must consult with the Australian Heritage Council in preparing an advice for the purposes of this section.

(8) A plan, an amendment of a plan, or a revocation and replacement of a plan, is a legislative instrument.

### 341T Endorsing management plans for Commonwealth Heritage places

(1) A Commonwealth agency that makes a plan for managing a Commonwealth Heritage place may ask the Minister to endorse the plan. If the Commonwealth agency does so, it must give the Minister a copy of the plan.

(1A) The Minister must decide within 60 business days of being given the copy of the plan whether or not to endorse the plan.

(1B) Within 10 business days of making the decision, the Minister must inform the Commonwealth agency in writing of the decision and publish on the internet a notice of the decision.

(2) The Minister:

(a) may only endorse a plan that the Minister is satisfied provides for the conservation of the Commonwealth Heritage values of the place concerned; and

(b) must not endorse a plan that the Minister considers is inconsistent with the Commonwealth Heritage management principles (see Subdivision D).
Section 341U

(3) The Minister may, at any time, revoke an endorsement of a plan if the Minister considers it appropriate to do so.

341Urestriction on ability to make plans

Despite section 341S, a Commonwealth agency must not make a plan for managing so much of a Commonwealth Heritage place as is in a Commonwealth reserve and covered by another plan under this Act.

341V compliance with plans by the Commonwealth and Commonwealth agencies

(1) The Commonwealth or a Commonwealth agency must not:
   (a) contravene a plan made under section 341S; or
   (b) authorise another person to do, or omit to do, anything that, if it were done or omitted to be done by the Commonwealth or the Commonwealth agency (as appropriate), would contravene such a plan.

(2) If there is no plan in force under section 341S for a particular Commonwealth Heritage place, the Commonwealth and each Commonwealth agency must take all reasonable steps to ensure that its acts (if any) relating to the place are not inconsistent with the Commonwealth Heritage management principles.

341W multiple plans in the same document

To avoid doubt, a plan for managing a Commonwealth Heritage place may be in the same document as:
   (a) one or more other plans for managing Commonwealth Heritage places; or
   (b) one or more other plans that this Act or another law of the Commonwealth requires or permits to be prepared.
341X Review of plans at least every 5 years

(1) At least once in every 5 year period after a plan for managing a Commonwealth Heritage place is made under section 341S, the Commonwealth agency concerned must cause a review of the plan to be carried out.

(2) The review must:
   (a) assess whether the plan is consistent with the Commonwealth Heritage management principles in force at the time; and
   (b) assess whether the plan is effective in protecting and conserving the Commonwealth Heritage values of the place; and
   (c) make recommendations for the improved protection of the Commonwealth Heritage values of the place.

(3) The person carrying out the review must publish, on the internet and in a daily newspaper circulating in each State and self-governing Territory, a notice inviting anyone to give the person comments within 20 business days on:
   (a) whether the plan is consistent with the Commonwealth Heritage management principles; and
   (b) the effectiveness of the plan in protecting and conserving the Commonwealth Heritage values of the place.

(4) In carrying out the review, the person must consider the comments (if any) received in accordance with the notice.

Subdivision D—The Commonwealth Heritage management principles

341Y Commonwealth Heritage management principles

(1) The regulations must prescribe principles for managing Commonwealth Heritage places. The principles prescribed are the Commonwealth Heritage management principles.
Section 341Z

(2) The regulations may prescribe obligations to implement or give effect to the Commonwealth Heritage management principles.

(3) A person must comply with the regulations to the extent that they impose obligations on the person.

Subdivision E—Obligations of Commonwealth agencies

341Z Obligation to assist the Minister and the Australian Heritage Council

A Commonwealth agency that owns or controls a place that has, or might have, one or more Commonwealth Heritage values must take all reasonable steps to assist the Minister and the Australian Heritage Council in the identification, assessment and monitoring of the place’s Commonwealth Heritage values.

341ZA Heritage strategies

(1) If a Commonwealth agency owns or controls one or more places, the agency must:

(a) prepare a written heritage strategy for managing the places to protect and conserve their Commonwealth Heritage values; and

(b) give a copy of the strategy to the Minister; as soon as practicable and in any event within 2 years after the later of:

(c) the time the agency first owns or controls a place; and

(d) the commencement of this section.

Note: The heritage strategy will apply to every place the agency owns or controls.

(1A) Before making a heritage strategy, the Commonwealth agency must consult the Australian Heritage Council and take into account any advice the agency receives from the Council.

(2) The Commonwealth agency may, in writing, amend the heritage strategy or revoke and replace the heritage strategy. The
Commonwealth agency must give the Minister a copy of the amended or replacement strategy within 20 business days of the amendment or replacement.

(3) A heritage strategy must:
(a) mention the period within which the Commonwealth agency must make a plan under section 341S; and
(b) mention the period within which the Commonwealth agency must do the things mentioned in subsection 341ZB(1); and
(c) address the matters prescribed by the regulations (if any); and
(d) not be inconsistent with the Commonwealth Heritage management principles.

(4) The Minister must advise the Commonwealth agency whether or not the agency’s heritage strategy (whether original, amended or replacement) is inconsistent with the Commonwealth Heritage management principles.

(5) At least once in every 3 year period after a heritage strategy is made, the Commonwealth agency concerned must cause a review of the strategy to be carried out.

(6) The agency must give the Minister a written report of the review. The report must address the matters prescribed by the regulations (if any).

341ZB Heritage assessments and registers

(1) A Commonwealth agency must do all of the following within the period mentioned in its heritage strategy:
(a) conduct a program to identify Commonwealth Heritage values for each place it owns or controls;
(b) produce a register that sets out, for each place it owns or controls, the Commonwealth Heritage values (if any) of that place;
(c) give the Minister a written report that includes:
   (i) details of the program; and
   (ii) a copy of the register.
Section 341ZC

(2) The regulations may prescribe all or any of the following:
   (a) how Commonwealth heritage values may be identified for a place;
   (b) matters a register must address;
   (c) matters a report to the Minister must address.

(3) A Commonwealth agency must keep its register up to date.

(4) A register may be kept electronically.

(5) If a report under paragraph (1)(c) indicates that a place owned or controlled by a Commonwealth agency may have one or more Commonwealth Heritage values, information from the report may be used or referred to in a nomination of the place for inclusion in the Commonwealth Heritage List.

341ZC Minimising adverse impact on heritage values

A Commonwealth agency must not take an action that has, will have or is likely to have an adverse impact on the National Heritage values of a National Heritage place or the Commonwealth Heritage values of a Commonwealth Heritage place, unless:
   (a) there is no feasible and prudent alternative to taking the action; and
   (b) all measures that can reasonably be taken to mitigate the impact of the action on those values are taken.

341ZE Protecting Commonwealth Heritage values of places sold or leased

(1) This section applies if a Commonwealth agency executes a contract for the sale or lease to someone else of a Commonwealth area in the Australian jurisdiction that is or includes all or part of a Commonwealth Heritage place. It does not matter whether the agency executes the contract for the Commonwealth or on its own behalf.
Section 341ZE

(1A) The Commonwealth agency must give the Minister at least 40 business days’ notice before executing the contract.

(2) The Commonwealth agency must ensure that the contract includes a covenant the effect of which is to protect the Commonwealth Heritage values of the place, unless the agency is satisfied that:
   (a) having regard to other means of protecting those values, including such a covenant in the contract is unnecessary to protect them or is unreasonable; or
   (b) including such a covenant in the contract is impracticable.

(3) The Commonwealth agency must inform the Minister before executing the contract if:
   (a) such a covenant:
      (i) would not, or could not be made to, bind the successors in title of the buyer or lessee; or
      (ii) could be insufficient to ensure the ongoing protection of the Commonwealth Heritage values of the place; or
   (b) the agency is satisfied as described in subsection (2).

   The information must include written reasons why paragraph (a) applies or why the agency is satisfied as described in subsection (2).

(4) If the Minister is informed of a matter in paragraph (3)(a) or that the Commonwealth agency is satisfied that it is unreasonable or impracticable to include such a covenant in the contract, the Minister must:
   (a) take all reasonable measures to enter into a conservation agreement with the prospective buyer or lessee for the protection and conservation of the Commonwealth Heritage values of the place; or
   (b) advise the agency about measures to ensure the ongoing protection of the Commonwealth Heritage values of the place.

(5) If the Minister is informed that the Commonwealth agency is satisfied that it is unnecessary to include such a covenant in the contract, the Minister may advise the agency about measures to
Section 341ZG

ensure the ongoing protection of the Commonwealth Heritage values of the place.

(6) If the Minister advises the Commonwealth agency under this section about measures to ensure the ongoing protection of the Commonwealth Heritage values of the place, the agency must take all reasonable steps to ensure that the measures are taken.

Subdivision G—Assistance for protecting Commonwealth Heritage places

341ZG Commonwealth assistance for protecting Commonwealth Heritage places

(1) The Commonwealth may give financial or other assistance for the identification, promotion, protection or conservation of a Commonwealth Heritage place to any person.

(2) The Commonwealth may give the assistance subject to conditions.

Subdivision H—Reviewing and reporting on the Commonwealth Heritage List

341ZH Reviewing and reporting on the Commonwealth Heritage List

(1) At least once in every 5 year period after the Commonwealth Heritage List is established, the Minister must ensure that:

(a) a review of the Commonwealth Heritage List is carried out; and

(b) a report of that review is tabled in each House of the Parliament.

(2) The report must include details of:

(a) the number of places included in the Commonwealth Heritage List; and

(b) any significant damage or threat to the Commonwealth Heritage values of those places; and
(c) how many plans under Subdivision C for managing Commonwealth Heritage places have been made, or are being prepared, and how effectively the plans that have been made are operating; and
(d) the operation of any conservation agreements under Part 14 that affect Commonwealth Heritage places; and
(e) all nominations, assessments and changes to the Commonwealth Heritage List under this Division during the period of review; and
(f) compliance with this Act in relation to Commonwealth Heritage places; and
(g) any other matters that the Minister considers relevant.

Division 4  Commonwealth reserves

Section 342

Division 4—Commonwealth reserves

Subdivision A—Simplified outline of this Division

342  Simplified outline of this Division

The following is a simplified outline of this Division:

Commonwealth reserves can be declared over areas of land or sea:

(a) that the Commonwealth owns or leases; or
(b) that are in a Commonwealth marine area; or
(c) outside Australia that the Commonwealth has international obligations to protect.

A Proclamation must assign the reserve to a particular category, that affects how the reserve is managed and used.

Some activities can be undertaken in a reserve only if a management plan provides for them. Commonwealth agencies must comply with a management plan. Regulations can be made to control a wide range of activities in reserves.

The Minister may approve a management plan prepared by the Director and any Board for a reserve.

In agreement with indigenous people, the Minister can set up a Board for a reserve including land leased from indigenous people.
Subdivision B—Declaring and revoking Commonwealth reserves

343 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

The Governor-General can proclaim Commonwealth reserves over areas of land or sea:

(a) that the Commonwealth owns; or
(b) that the Commonwealth or the Director leases; or
(c) that are in a Commonwealth marine area; or
(d) outside Australia that the Commonwealth has international obligations to protect.

A Proclamation must assign the reserve to a particular category that affects how the reserve is managed and used.

Proclamations can be made to alter and revoke reserves.

The Director must consult publicly before some Proclamations are made.

344 Declaring Commonwealth reserves

Declaring a Commonwealth reserve

(1) The Governor-General may, by Proclamation, declare as a Commonwealth reserve:

(a) an area of land:

(i) that is owned by the Commonwealth in a Territory; or
(ii) that is owned by the Commonwealth outside a Territory; or

Environment Protection and Biodiversity Conservation Act 1999 247

(iii) that is held under lease by the Commonwealth or the Director in a Territory; or
(iv) that is held under lease by the Commonwealth or the Director outside a Territory; or
(v) outside Australia and in respect of which Australia has obligations relating to biodiversity or heritage under an agreement with one or more other countries that may appropriately be met by declaring the area a Commonwealth reserve; or

(b) an area of sea:
   (i) in a Commonwealth marine area; or
   (ii) outside Australia and in respect of which Australia has obligations relating to biodiversity or heritage under an agreement with one or more other countries that may appropriately be met by declaring the area a Commonwealth reserve; or

(c) an area of land described in paragraph (a) and sea described in paragraph (b).

Note 1: Section 351 sets out some prerequisites for making Proclamations.

Note 2: A reference to Australia generally includes its coastal sea. See section 15Ba of the Acts Interpretation Act 1901.

**Limits on acquiring land for reservation**

(2) If land:
   (a) is in:
      (i) a State or self-governing Territory (except the Northern Territory); or
      (ii) the Northern Territory outside both Uluru-Kata Tjuta National Park and the Alligator Rivers Region (as defined by the Environment Protection (Alligator Rivers Region) Act 1978); and
   (b) is dedicated or reserved under a law of the State or Territory for purposes related to nature conservation or the protection of areas of historical, archaeological or geological...
importance or of areas having special significance in relation to indigenous persons; the Commonwealth must not acquire the land for the purposes of declaring it a Commonwealth reserve, without the consent of the State or Territory.

_Uluru-Kata Tjuṯa National Park_

(3) _Uluru-Kata Tjuṯa National Park_ is the Commonwealth reserve (as it exists from time to time) to which the name Uluru-Kata Tjuṯa National Park was given by Proclamation continued in force by the _Environmental Reform (Consequential Provisions) Act 1999._

### 345 Extent of Commonwealth reserve

(1) A Commonwealth reserve includes:

(a) land or seabed to the depth stated in the Proclamation declaring the Commonwealth reserve; and

(b) the waters and seabed under any sea in the area declared as a Commonwealth reserve.

(2) In this Act:

land includes subsoil of land and any body of water (whether flowing or not) except the sea.

seabed includes:

(a) the surface of a coral formation; and

(b) subsoil of seabed (including coral beneath the surface of a coral formation).

### 345A Commonwealth usage rights vest in Director

(1) When a Commonwealth reserve is declared, a usage right that relates to land or seabed in the reserve and is held by the Commonwealth vests in the Director, by force of this subsection.

(2A) However, subsection (2) does not apply to:
(a) a usage right acquired by the Commonwealth in relation to the Jabiru town land (within the meaning of the *Aboriginal Land Rights (Northern Territory) Act 1976*); or

(b) a usage right acquired by the Commonwealth that is prescribed by the regulations for the purposes of this paragraph.

(2) If the Commonwealth acquires a usage right relating to land or seabed in a Commonwealth reserve, the usage right vests in the Director.

(3) This section does not vest in the Director a usage right in respect of minerals, despite subsections (1) and (2).

### 346 Content of Proclamation declaring Commonwealth reserve

#### Content of Proclamation

(1) The Proclamation declaring an area to be a Commonwealth reserve must:

(a) give a name to the reserve; and

(b) state the purposes for which the reserve is declared; and

(c) state the depth of any land included in the reserve; and

(d) state the depth of the seabed that is under any sea included in the reserve; and

(e) assign the reserve to a category (an *IUCN category*) prescribed in regulations made for the purposes of this subsection.

#### Assigning different zones of a reserve to different IUCN categories

(2) A Proclamation may also divide a reserve into zones and assign each zone to an IUCN category.

#### Assigning leasehold land to IUCN categories

(3) Before the Governor-General makes a Proclamation assigning a Commonwealth reserve or zone including land or seabed held by
the Commonwealth or the Director under lease to a particular
IUCN category, the Minister must be satisfied that the category to
which it is proposed to assign the reserve or zone is consistent with
the terms of the lease.

347 Assigning Commonwealth reserves and zones to IUCN
categories

Before the Governor-General makes a Proclamation assigning a
Commonwealth reserve, or a zone within a Commonwealth
reserve, to a particular IUCN category, the Minister must be
satisfied:
(a) that the reserve or zone:
   (i) has the characteristics (if any) prescribed by the
       regulations for the category; and
   (ii) meets the criteria (if any) prescribed by the regulations
       for the category; and
(b) that the reserve or zone should be managed in accordance
with the Australian IUCN reserve management principles for
the category.

348 Australian IUCN reserve management principles

(1) The regulations must prescribe principles for each IUCN category.
The principles prescribed for an IUCN category are the Australian
IUCN reserve management principles for the category.

(2) The principles prescribed for an IUCN category must identify the
purpose or purposes for which a Commonwealth reserve, or zone
of a Commonwealth reserve, assigned to the category is primarily
to be managed.

350 Revocation and alteration of Commonwealth reserves

(1) The Governor-General may revoke or amend a Proclamation under
this Subdivision by another Proclamation.

Note: Section 351 sets out some prerequisites for making Proclamations.
(2) Before the Governor-General makes a Proclamation that results in land, sea or seabed ceasing to be included in a Commonwealth reserve, the Minister must be satisfied:
   (a) that the Proclamation, if made, would be in accordance with a resolution passed by each House of Parliament on a motion; and
   (b) that notice of the motion was given at least 15 sitting days of that House before the motion was moved.

(3) Subsection (2) does not apply to a Proclamation that results in land, sea or seabed ceasing to be included in one Commonwealth reserve or zone and being included in another Commonwealth reserve or zone.

(4) If the Director ceases to hold land or seabed in a Commonwealth reserve under lease:
   (a) the land or seabed ceases to be part of the reserve by force of this paragraph; and
   (b) the Governor-General must make a Proclamation revoking or amending the Proclamation that included the land or seabed in a Commonwealth reserve, to reflect the fact that the land or seabed is no longer part of the reserve.

(5) Subsection (4) does not apply if the Director ceases to hold the land or seabed under a lease because:
   (a) the Commonwealth becomes the owner of the land or seabed; or
   (b) the Director surrenders the lease in consideration of the grant to the Director of another lease of that land or seabed.

(6) Except as described in subsection (4), land, sea or seabed in a Commonwealth reserve does not cease to be within the reserve merely because a usage right relating to the land, sea or seabed is transferred, assigned, surrendered, extinguished or changed in any way.

(7) A usage right is an estate or a legal or equitable charge, power, privilege, authority, licence or permit.
351 Report before making Proclamation

Minister must consider report before Proclamation made

(1) Before the Governor-General makes a Proclamation under this Subdivision, the Minister must consider a report prepared by the Director on the matter to be dealt with by the Proclamation.

Procedure for preparing report

(2) In preparing a report, the Director must:
   (a) publish in the Gazette and in accordance with the regulations (if any) a notice:
      (i) stating the matter to be dealt with by the Proclamation; and
      (ii) inviting the public to comment on the matter to be dealt with by the Proclamation; and
      (iii) specifying the address to which comments may be sent; and
      (iv) specifying the day by which any comments must be sent; and
   (b) consider any comments made in response to the invitation; and
   (c) include in the report the comments and the Director’s views on the comments.

Content of notice inviting comments

(3) A notice stating the matter to be dealt with by a Proclamation to declare a Commonwealth reserve must include a statement of:
   (a) the proposed name of the reserve; and
   (b) the proposed boundaries of the reserve and of any zones into which the reserve is to be divided; and
   (c) the purpose for which the reserve is to be declared; and
Section 352

(d) which IUCN category the reserve (and, if applicable, each zone of the reserve) is to be assigned to; and
(e) the purposes for which it is intended to manage and use the reserve.

Content of notice relating to revocation of Commonwealth reserve

(4) A notice stating the matter to be dealt with by a Proclamation to cause any land, sea or seabed to cease to be part of a Commonwealth reserve must state the boundaries of that land, sea or seabed.

Time for comment

(5) The day specified in the notice as the day by which any comments must be sent must be at least 60 days after the last day on which the notice is published in the Gazette or in accordance with any regulations.

When this section does not apply

(6) Subsection (1) does not apply in relation to a Proclamation that:
(a) declares an area in the Kakadu region to be a Commonwealth reserve; or
(b) has the effect of changing the name of a Commonwealth reserve in the Kakadu region; or
(c) results in land, sea or seabed ceasing to be included in one Commonwealth reserve and being included in another Commonwealth reserve without changing the IUCN category to which the land, sea or seabed is assigned.

352 What happens to Director’s usage rights when Commonwealth reserve is revoked

(1) This section applies in relation to land or seabed that ceases to be included in a Commonwealth reserve because of a Proclamation made under section 350, except a Proclamation that causes the land or seabed:
(a) to cease to be included in one Commonwealth reserve; and
(b) to be included in another Commonwealth reserve.

(2) A usage right relating to the land or seabed that the Director held vests in the Commonwealth, by force of this subsection.

(3) However, if the usage right is a lease of indigenous people’s land, the usage right ceases to exist, by force of this subsection.

(4) If the land is in a State or Territory:
   (a) the Director may give the officer of the State or Territory responsible for registering land titles a copy of the Proclamation, certified by the Director; and
   (b) the officer may make an entry in his or her registers and do anything else needed to reflect the effect of this section.

Subdivision C—Activities in Commonwealth reserves

353 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

Many works cannot be carried out in a Commonwealth reserve unless permitted by a management plan.

If there is not a management plan in force for a reserve, it must be managed in a way appropriate for the category it has been assigned to by a Proclamation or an earlier management plan.

Regulations can be made to control activities in reserves.

People who have rights relating to an area that is later included in a reserve can continue to exercise those rights in the reserve.
Section 354

354 Activities that may be carried on only under management plan

(1) A person must not do one of the following acts in a Commonwealth reserve except in accordance with a management plan in operation for the reserve:
   (a) kill, injure, take, trade, keep or move a member of a native species; or
   (b) damage heritage; or
   (c) carry on an excavation; or
   (d) erect a building or other structure; or
   (e) carry out works; or
   (f) take an action for commercial purposes.

Civil penalty:
   (a) for an individual—500 penalty units;
   (b) for a body corporate—5,000 penalty units.

(1A) Subsection (1) does not apply to an action taken in the course of carrying on mining operations.

Note: Mining operations are covered by sections 355, 355A and 387.

(2) However, if a management plan is not in operation for a Commonwealth reserve, the Director may do an act described in subsection (1) for:
   (a) preserving or protecting the reserve; or
   (b) protecting or conserving biodiversity or heritage in the reserve; or
   (c) controlling authorised scientific research; or
   (d) protecting persons or property in the reserve; or
   (e) managing the effects of actions taken under a usage right described in section 359.

(3) Subsection (2) does not apply in relation to so much of a Commonwealth reserve as is in the Kakadu region, the Uluru region or the Jervis Bay Territory.
Section 354A

Note: Section 385 sets out what the Director may do in a Commonwealth reserve in the Kakadu region, Uluru region or Jervis Bay Territory when there is not a management plan in operation for the reserve.

(3A) Subsection (1) does not apply to an action that is covered by an approval in force under subsection 359B(1). For this purpose, an action is covered by such an approval if:

(a) a management plan is not in operation for the Commonwealth reserve; and
(b) the action is, or is in the class of actions, specified in the approval; and
(c) the action is taken in accordance with the approval by the person, or a person in the class of persons, specified in the approval in the area specified in the approval.

(4) This section has effect despite any other law of the Commonwealth, a State or a Territory, but:

(a) subsections (1) and (2) are subject to:
   (i) section 359 (about interests and rights existing before a Commonwealth reserve); and
   (ii) section 359A (about traditional use of an area in a reserve); and

(3) A law of a Territory has effect so far as it is not inconsistent with a provision of the regulations having effect in that Territory. For this purpose, such a law is not inconsistent with the provision so far as it can operate concurrently with the provision.

(a) the Australian IUCN reserve management principles for the IUCN category to which the reserve or zone has most recently been assigned by:
   (i) a Proclamation made under Subdivision B; or
   (ii) a management plan that was in operation for the reserve (but is no longer); and
(b) if the Director holds land or seabed included in the reserve under lease—the Director’s obligations under the lease.

(2) While a management plan is not in operation for a Commonwealth reserve, the Commonwealth or a Commonwealth agency must not exercise its powers or perform its functions in relation to the reserve or a zone of the reserve inconsistently with either or both of the following:

(b) if the Director holds land or seabed included in the reserve under lease—the Director’s obligations under the lease.

(3) If:
(a) a zone of a Commonwealth reserve is assigned to an IUCN category at or after the time the reserve was most recently assigned to an IUCN category; and
(b) the IUCN category for the zone is different from the IUCN category for the reserve;

disregard the IUCN category to which the reserve has been assigned for the purposes of the application of this section in relation to the zone.

358 Restriction on disposal of Director’s interests in Commonwealth reserves

(1) The Director must not sell or otherwise dispose of a usage right the Director holds in relation to land, sea or seabed in a Commonwealth reserve.

(2) However, the Director may grant a lease or sub-lease of, or a licence relating to, land or seabed in a Commonwealth reserve, but only in accordance with a management plan in operation for the reserve.

(3) Despite subsection (1), the Director may surrender a lease of land or seabed within a Commonwealth reserve in consideration of the grant to the Director of a new lease of land or seabed that includes that land or seabed.

(4) The Lands Acquisition Act 1989 does not apply to the grant or surrender of a lease or sub-lease under this section.

(5) This section has effect despite any law of the Commonwealth or of a State or Territory.
Prior usage rights relating to Commonwealth reserves continue to have effect

(1) None of the following provisions affect a usage right that was held by a person (other than the Commonwealth or the Director) in relation to land or seabed immediately before the land or seabed was included in a Commonwealth reserve:
   (a) provisions of this Division that relate to the reserve (whether or not they also relate to another Commonwealth reserve);
   (b) provisions of the regulations made for the purposes of this Division that relate to the reserve (whether or not they also relate to another Commonwealth reserve);

   (a) with the Minister’s written consent; and
   (b) subject to any conditions determined by the Minister.
   This subsection has effect despite subsections (1) and (2) and any other law of the Commonwealth, a State or a Territory.

(4) Subsections (1) and (2) apply in relation to a usage right relating to minerals on, in or under land or seabed included in a Commonwealth reserve as if the usage right were a usage right relating to the land or seabed.

(5) This section applies to a right arising out of a usage right in the same way as it applies to the usage right.

(6) This section does not apply in relation to:
   (a) a usage right relating to minerals in Kakadu National Park; or
   (b) a usage right so far as it relates to mining operations for those minerals.
359A Traditional use of Commonwealth reserves by indigenous persons

(1) This Division and regulations made for the purposes of this Division do not prevent an indigenous person from continuing in accordance with law the traditional use of an area in a Commonwealth reserve for:
   (a) hunting or food-gathering (except for purposes of sale); or
   (b) ceremonial and religious purposes.

(2) However, regulations made for the purposes of this Division do affect an indigenous person’s traditional use of an area in a Commonwealth reserve if they:
   (a) are made for the purpose of conserving biodiversity in the area; and
   (b) expressly affect the traditional use of the area by indigenous persons.

359B Director’s approval of actions and mining operations when a management plan is not in operation

Approval of actions (other than mining operations)

(1) The Director may, in writing, approve the taking of a specified action or a specified class of actions, by a specified person or a specified class of persons, in a specified area that is or is part of a Commonwealth reserve, if:
   (a) the Director is satisfied that:
      (i) no management plan has yet come into operation for the reserve; and
      (ii) immediately before the area became included in the reserve, the person, or the persons in the class of persons, held a usage right, or a right arising out of a usage right, that entitled the person or persons to take the action, or the actions in the class of actions, in the area; and
Section 359B

(iii) the usage right is not a right in relation to land or seabed to which section 359 applies; or

(b) the Director is satisfied that:
   (i) a management plan for the reserve has ceased to be in operation, and no further management plan for the reserve has yet come into operation; and
   (ii) immediately before the management plan ceased to be in operation, the person, or the persons in the class of persons, were taking the action, or the actions in the class of actions, in the area without contravening section 354 or 354A; and
   (iii) the action or class of actions is not mining operations.

Note 1: In exercising the power to give approvals, the Director must comply with section 357.

Note 2: If an action taken without approval would not contravene section 354 or 354A, the action does not need approval under this subsection.

Approval of mining operations

(2) The Director may, in writing, approve the carrying on of specified mining operations, or a specified class of mining operations, by a specified person or a specified class of persons, in a specified area that is or is part of a Commonwealth reserve, if:
   (a) the Director is satisfied that no management plan has yet come into operation for the reserve; or
   (b) the Director is satisfied that a management plan for the reserve has ceased to be in operation, and no further management plan for the reserve has yet come into operation.

Note 1: In exercising the power to give approvals, the Director must comply with section 357.

Note 2: If an action taken without approval would not contravene section 355 or 355A, the action does not need approval under this subsection.

Limits on approvals in relation to the Kakadu National Park and the Antarctic

(3) The Director must not approve:
Section 361

(a) an action in the Antarctic that would be an element of an
offence under the Antarctic Treaty (Environment Protection)
Act 1980 (whether or not a defence would be available under
that Act); or

(b) mining operations in the Kakadu National Park or the
Antarctic.

Approvals may be subject to conditions

(4) An approval given under subsection (1) or (2) may be expressed to
be subject to specified conditions.

When approvals come into force

(5) An approval given under subsection (1) or (2) comes into force on
the day the Director gives the approval, or on a later day specified
in the approval.

Variation and revocation of approvals

(6) The Director may, in writing, vary or revoke an approval:

(a) under subsection (1)—if the Director considers that the
action, or an action in the class of actions, to which the
approval relates is not being taken in accordance with the
approval; or

(b) under subsection (2)—if the Director considers that the
mining operations, or mining operations in the class of
mining operations, to which the approval relates are not
being carried on in accordance with the approval.

(7) An approval given under subsection (1) or (2), or a variation or
revocation of an approval, is not a legislative instrument.

Subdivision D—Complying with management plans for
Commonwealth reserves

361 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:
The Director must manage a Commonwealth reserve to give effect to a management plan for the reserve. If indigenous people think the Director is not doing this for a reserve including their land, they can take the matter up with the Minister.

Commonwealth agencies must act so as not to contravene a management plan.

### 362 Commonwealth and Commonwealth agencies to comply with management plan for Commonwealth reserve

1. The Director must exercise the Director’s powers and perform the Director’s functions to give effect to a management plan that is in operation for a Commonwealth reserve.

2. The Commonwealth or a Commonwealth agency must not perform its functions or exercise its powers in relation to a Commonwealth reserve inconsistently with a management plan that is in operation for the reserve.

3. To avoid doubt, if a management plan for a Commonwealth reserve prohibits the exercise of a specified power, or the performance of a specified function, under an Act (including a power or function under an instrument made under an Act), the power or function must not be exercised in or in relation to the reserve while the plan is in operation.

### 363 Resolving disagreement between land council and Director over implementation of plan

**Minister to resolve disagreement**

1. If the Chair or Chairperson of a land council for indigenous people’s land in a jointly managed reserve and the Director disagree about whether the Director is exercising the Director’s powers and performing the Director’s functions consistently with a management plan in operation for the reserve:
   
   (a) the Director must inform the Minister; and
(b) the Minister must appoint a person the Minister considers to be suitably qualified and in a position to deal with the matter impartially to inquire into the matter; and
(c) the person appointed must inquire into the matter and give the Minister a report and recommendations; and
(d) the Minister must give the Director any directions the Minister thinks fit; and
(e) the Director must comply with any direction.

What is a land council?

(2) The land council for indigenous people’s land in a Commonwealth reserve is:
   (a) if the land is in the area of an Aboriginal Land Council established by or under the Aboriginal Land Rights (Northern Territory) Act 1976—that Aboriginal Land Council; and
   (b) if the land is in Jervis Bay Territory—the Wreck Bay Aboriginal Community Council established by the Aboriginal Land Grant (Jervis Bay Territory) Act 1986; and
   (c) if the land is elsewhere—a body corporate that:
      (i) is established by or under an Act; and
      (ii) has functions relating to the indigenous people’s land in the reserve; and
      (iii) consists of indigenous persons who either live in an area to which one or more of the body’s functions relate or are registered as traditional owners of indigenous people’s land in an area to which one or more of the body’s functions relate.

What is indigenous people’s land?

(3) Land is indigenous people’s land if:
   (a) a body corporate holds an estate that allows the body to lease the land to the Commonwealth or the Director; and
   (b) the body corporate was established by or under an Act for the purpose of holding for the benefit of indigenous persons title to land vested in it by or under that Act.
Who is an *indigenous person*?

(4) A person is an *indigenous person* if he or she is:
   (a) a member of the Aboriginal race of Australia; or
   (b) a descendant of an indigenous inhabitant of the Torres Strait Islands.

What is a *jointly managed reserve*?

(5) A Commonwealth reserve is a *jointly managed reserve* if:
   (a) it includes indigenous people’s land held under lease by the Director; and
   (b) a Board is established for the reserve under Subdivision F.

### Section 364 Resolving disagreement between Director and Board over implementation of plan

(1) The Director must inform the Minister if the Director believes that:
   (a) a decision of a Board for a Commonwealth reserve is likely to be substantially detrimental to the good management of the reserve; or
   (b) a decision of a Board for a Commonwealth reserve is contrary to a management plan in operation for the reserve.

(2) The Minister must take the steps he or she thinks fit to resolve the matter.

(3) If the Minister cannot resolve the matter, the Minister must appoint as an arbitrator to inquire into the matter a person whom the Minister thinks is suitably qualified and in a position to deal with the matter impartially.

(4) The person appointed must inquire into the matter and give the Minister a report and recommendations.

(5) After the Minister receives the report and recommendations, he or she must give the Director and the Board:
   (a) the directions the Minister thinks appropriate; and
   (b) a statement of reasons for giving the directions; and
Section 365

(c) a copy of the report and recommendations.

(6) The Director and the Board must comply with any directions given by the Minister.

Subdivision E—Approving management plans for Commonwealth reserves

365 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

The Minister may approve a management plan for a Commonwealth reserve prepared by the Director and any Board for the reserve. Before the Minister approves a plan, he or she may modify it.

Before the Director gives a plan to the Minister for approval, there are 2 opportunities for the public and others with an interest in the reserve to comment.

The Minister can resolve any disagreements between the Director and a Board for a reserve over preparation of a plan for the reserve.

366 Obligation to prepare management plans for Commonwealth reserves

Plans required for Commonwealth reserves without Boards

(1) The Director must prepare management plans for each Commonwealth reserve for which there is not a Board to try to ensure that a management plan for the reserve is in operation:

(a) as soon as practicable after the reserve is declared; and
(b) at all times after the first plan for managing the reserve takes effect.

Note: Section 368 specifies steps to be taken in preparing a management plan for a Commonwealth reserve.
Amending or replacing plans for reserves without Boards

(2) The Director may prepare a management plan for a Commonwealth reserve for which there is not a Board:
   (a) to amend a management plan that is in operation for the reserve; or
   (b) to revoke and replace a management plan that is in operation for the reserve.

Plans required for Commonwealth reserves with Boards

(3) A Board for a Commonwealth reserve must prepare management plans for the reserve in conjunction with the Director, to try to ensure that a management plan for the reserve is in operation:
   (a) as soon as practicable after the Board is established; and
   (b) at all times after a plan for managing the reserve first takes effect after the establishment of the Board.

Note: Section 368 specifies steps to be taken in preparing a management plan for a Commonwealth reserve.

Amending or replacing plans for reserves with Boards

(4) The Board for a Commonwealth reserve may prepare a management plan for the reserve in conjunction with the Director:
   (a) to amend a management plan that is in operation for the reserve; or
   (b) to revoke and replace a management plan that is in operation for the reserve.

367 Content of a management plan for a Commonwealth reserve

Mandatory content

(1) A management plan for a Commonwealth reserve must provide for the protection and conservation of the reserve. In particular, the plan must:

Environment Protection and Biodiversity Conservation Act 1999

Compilation No. 51
Compilation date: 1/7/16
Registered: 12/7/16

Authorised Version C2016C00777 registered 12/07/2016
Section 367

(a) assign the reserve to an IUCN category (whether or not a Proclamation has assigned the reserve or a zone of the reserve to that IUCN category); and

(b) state how the reserve, or each zone of the reserve, is to be managed; and

(c) state how the natural features of the reserve, or of each zone of the reserve, are to be protected and conserved; and

(d) if the Director holds land or seabed included in the reserve under lease—be consistent with the Director’s obligations under the lease; and

(e) specify any limitation or prohibition on the exercise of a power, or performance of a function, under an Act in or in relation to the reserve; and

(f) specify any mining operation, major excavation or other work that may be carried on in the reserve, and the conditions under which it may be carried on; and

(g) specify any other operation or activity that may be carried on in the reserve; and

(h) indicate generally the activities that are to be prohibited or regulated in the reserve, and the means of prohibiting or regulating them; and

(i) indicate how the plan takes account of Australia’s obligations under each agreement with one or more other countries that is relevant to the reserve (including the World Heritage Convention and the Ramsar Convention, if appropriate); and

(j) if the reserve includes a National Heritage place:
   (i) not be inconsistent with the National Heritage management principles; and
   (ii) address the matters prescribed by regulations made for the purposes of paragraph 324S(4)(a); and

(k) if the reserve includes a Commonwealth Heritage place:
   (i) not be inconsistent with the Commonwealth Heritage management principles; and
   (ii) address the matters prescribed by regulations made for the purposes of paragraph 341S(4)(a).
Plan may assign different zones to different IUCN categories

(2) A management plan for a Commonwealth reserve may divide the reserve into zones and assign each zone to an IUCN category (whether or not a Proclamation has assigned the reserve or each zone of the reserve to that IUCN category). The category to which a zone is assigned may differ from the category to which the reserve is assigned.

Consistency with Australian IUCN reserve management principles

(3) The provisions of a management plan for a Commonwealth reserve that relate to the reserve or a particular zone of the reserve must not be inconsistent with the Australian IUCN reserve management principles for the IUCN category to which the reserve or zone is assigned by the plan.

If zone is in different category from reserve

(4) If the management plan for a Commonwealth reserve assigns the reserve to one IUCN category and assigns a zone of the reserve to a different IUCN category, disregard the IUCN category to which the reserve is assigned for the purposes of the application of subsection (3) in relation to the zone.

(5) A single management plan may be the management plan for more than one Commonwealth reserve.

Plans for proposed extension of reserve

(6) A management plan for a Commonwealth reserve may include provisions relating to an area that is proposed to be included in the reserve, but they do not have effect until the area is included in the reserve.

Section 368

368 Steps in preparing management plans for Commonwealth reserves

*Overview of process*

(1) Before the Director gives the Minister a management plan for a Commonwealth reserve for approval:

(a) the Director must publish under subsection (2) an invitation to comment on the proposal to prepare a draft of the plan; and

(b) the Director and the Board (if any) for the reserve must prepare a draft of the plan, taking into account any comments received in response to the invitation; and

(c) the Director must publish under subsection (5) an invitation to comment on the draft; and

(d) the Director must make publicly available copies of the draft free or for a reasonable fee determined by the Director; and

(e) the Director and the Board (if any) must consider any comments received in response to the invitation to comment on the draft and may alter the draft.

*Notice inviting comments on proposal to prepare draft*

(2) The Director must publish a notice in the *Gazette*, in a daily newspaper circulating in each State and self-governing Territory and in accordance with the regulations (if any):

(a) stating that the Director proposes to prepare a draft of a management plan for the Commonwealth reserve; and

(b) inviting comments on the proposal from:

(i) members of the public; and

(ii) the Chair or Chairperson of any land council for indigenous people’s land in the reserve; and

(iii) if the reserve is in a State or self-governing Territory—the agency (if any) of the State or Territory that is responsible for managing national parks established in the State or Territory under a law of the State or Territory; and
Section 368

(iv) if the Minister has established under Division 4 of Part 19 an advisory committee with functions relating to the reserve—the committee; and

(v) if the Director holds any land or seabed in the reserve under lease—anyone the Director is obliged under the lease to consult about management of the land or seabed; and

(c) specifying the address to which comments may be sent; and

(d) specifying a day (at least 30 days after the last day on which the notice is published in the Gazette or in accordance with the regulations (if any)) by which comments must be sent.

Considerations in preparing a management plan

(3) In preparing a management plan for a Commonwealth reserve, the Director and the Board (if any) for the reserve must take account of:

(a) any report considered by the Minister under section 351 before a Proclamation declaring the reserve was made; and

(b) the regulation of the use of the reserve for the purpose for which it was declared; and

(c) the interests of:

(i) any owner of any land or seabed in the reserve; and

(ii) the traditional owners of any indigenous people’s land in the reserve; and

(iii) any other indigenous persons interested in the reserve; and

(iv) any person who has a usage right relating to land, sea or seabed in the reserve that existed (or is derived from a usage right that existed) immediately before the reserve was declared; and

(d) the protection of the special features of the reserve, including objects and sites of biological, historical, palaeontological, archaeological, geological and geographical interest; and

(e) the protection, conservation and management of biodiversity and heritage within the reserve; and
Section 368

(f) the protection of the reserve against damage; and

(g) Australia’s obligations under agreements between Australia and one or more other countries relevant to the protection and conservation of biodiversity and heritage.

Who are the traditional owners of indigenous people’s land?

(4) The traditional owners of indigenous people’s land are:

(a) a local descent group of indigenous persons who:
   (i) have common spiritual affiliations to a site on the land under a primary spiritual responsibility for that site and for the land; and
   (ii) are entitled by indigenous tradition to forage as of right over the land; or

(b) if the land is in the Jervis Bay Territory—the members of the Wreck Bay Aboriginal Community Council.

Notice inviting comment on draft

(5) The Director must publish a notice in the Gazette, in a daily newspaper circulating in each State and self-governing Territory and in accordance with the regulations (if any):

(a) stating that the Director has prepared a draft of a management plan for the Commonwealth reserve; and

(b) stating how the draft can be obtained; and

(c) inviting comments on the draft from:
   (i) members of the public; and
   (ii) the Chair or Chairperson of any land council for any indigenous people’s land in the reserve; and
   (iii) if the reserve is in a State or self-governing Territory—the agency (if any) of the State or Territory that is responsible for managing national parks established in the State or Territory under a law of the State or Territory; and
   (iv) if the Minister has established under Division 4 of Part 19 an advisory committee with functions relating to the reserve—the committee; and
(v) if the Director holds any land or seabed in the reserve under lease—anyone the Director is obliged under the lease to consult about management of the land or seabed; and
(d) specifying the address to which comments may be sent; and
(e) specifying a day (at least 30 days after the last day on which the notice is published in the Gazette or in accordance with the regulations (if any)) by which comments must be sent.

369 Resolving disagreements between Director and Board in planning process

(1) The Director and the Board for a Commonwealth reserve must inform the Minister if they cannot agree on:
   (a) the content of a management plan they are preparing for the reserve; or
   (b) any changes to be made following comment made in response to an invitation to comment on a draft management plan for the reserve; or
   (c) whether the Director should give a management plan for the reserve to the Minister for approval (either initially or after the Minister has given the plan back to the Director with suggestions under paragraph 370(3)(b)).

(2) If the Minister is advised by the Director and a Board of a disagreement, the Minister must take the steps the Minister thinks fit to resolve the disagreement.

(3) If the Minister cannot resolve the disagreement, the Minister must appoint as an arbitrator to inquire into the matter a person whom the Minister thinks is suitably qualified and in a position to deal with the matter impartially.

(4) The appointed arbitrator must inquire into the matter and give the Minister a report and recommendations.

(5) After the Minister receives the report and recommendations, he or she must give the Director and the Board:
Section 370

(a) the directions the Minister thinks appropriate; and
(b) a statement of reasons for giving the directions; and
(c) a copy of the report and recommendations.

(6) The Director and the Board must comply with any directions given by the Minister.

370 Approval of management plans for Commonwealth reserves

Giving management plan to Minister for approval

(1) The Director must give the Minister a management plan for a Commonwealth reserve for approval, but only if the Board (if any) for the reserve agrees. The Director must do so as soon as practicable after considering under paragraph 368(1)(e) the comments (if any) on a draft of the management plan.

Things to be given to Minister with management plan

(2) When the Director gives the plan to the Minister, the Director must also give the Minister:

(a) any comments received in response to the invitation to comment on a draft of the plan; and
(b) the views of the Director and any Board for the reserve on the comments.

Minister’s decision

(3) Within 60 days of the Director giving the plan, the Minister:

(a) must consider the plan and any comments and views given to the Minister under subsection (2); and
(b) must either:

(i) approve the plan; or
(ii) give the plan back to the Director with suggestions for consideration by the Director and any Board for the reserve.
Note: There are some extra rules about giving back to the Director a management plan for a Commonwealth reserve in the Kakadu region, the Uluru region or Jervis Bay Territory. See section 390.

Procedure if Minister gives plan back

(4) If the Minister gives the plan back to the Director with suggestions:
   (a) the Director and any Board for the Commonwealth reserve to which the plan relates must consider the suggestions; and
   (b) the Director must give the Minister an identical or altered version of the plan, but only if any Board for the reserve agrees; and
   (c) the Director must give the Minister, with the plan, the Director’s views on the Minister’s suggestions.

Minister’s decision on re-submitted plan

(5) As soon as practicable after the Director has given the Minister a version of the plan under subsection (4), the Minister:
   (a) must consider it and the views given to the Minister under subsection (4); and
   (b) must approve the plan with any modifications the Minister considers appropriate.

Considerations for Minister assigning reserve to IUCN category

(6) When approving a management plan for a Commonwealth reserve to assign the reserve, or a zone of a reserve, to a particular IUCN category, the Minister must be satisfied of the matters specified in section 347 that he or she would have to be satisfied of before the Governor-General could make a Proclamation to assign the reserve or zone to that IUCN category.

371 Approved management plans are legislative instruments

(1) A management plan for a Commonwealth reserve prepared by the Director, and the Board (if any) for the reserve, and approved by the Minister, is a legislative instrument made by the Minister on the day the plan is approved.
Chapter 5  Conservation of biodiversity and heritage
Part 15  Protected areas
Division 4  Commonwealth reserves

Section 372

(3) When the management plan is laid before each House of the Parliament, there must also be laid before the House copies of any comments, views, report or recommendations given to the Minister under this Division in relation to the plan that have not been given effect to in the plan.

372 Amendment and revocation of management plans for Commonwealth reserves

A management plan for a Commonwealth reserve may amend or revoke and replace an earlier management plan for the reserve.

373 Expiry of management plans for Commonwealth reserves

A management plan for a Commonwealth reserve ceases to have effect 10 years after it took effect (unless it has already been revoked).

Subdivision F—Boards for Commonwealth reserves on indigenous people’s land

374 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

The Minister must establish a Board for a Commonwealth reserve that is wholly or partly on indigenous people’s land, if the land council for that land (or traditional owners) and the Minister agree that there should be a Board for the reserve.

The Board’s role is to make decisions and plans for management of the reserve, in conjunction with the Director.

A majority of Board members must be indigenous people nominated by traditional owners if the reserve is wholly or mostly on indigenous people’s land.
375 Application

This Subdivision provides for Boards for Commonwealth reserves that consist of, or include, indigenous people’s land held under lease by the Director.

376 Functions of a Board for a Commonwealth reserve

(1) The functions of a Board established for a Commonwealth reserve are:

(a) to make decisions relating to the management of the reserve that are consistent with the management plan in operation for the reserve; and

(b) in conjunction with the Director, to:
   (i) prepare management plans for the reserve; and
   (ii) monitor the management of the reserve; and
   (iii) advise the Minister on all aspects of the future development of the reserve.

(2) When performing its functions, a Board must comply with a direction given by the Minister to the Board under:

(a) section 364 (Resolving disagreement between Director and Board over implementation of plan); or

(b) section 369 (Resolving disagreements between Director and Board in planning process).

377 Minister must establish Board if land council or traditional owners agree

(1) The Minister must establish a Board for a specified Commonwealth reserve by notice published in the Gazette and in the way (if any) prescribed by the regulations if he or she agrees on the matters set out in subsection (2) with:

(a) the land council for the indigenous people’s land in the reserve that the Director holds under lease; or
(b) if there is not such a land council—the traditional owners of the indigenous people’s land in the reserve that the Director holds under lease.

(2) The matters to be agreed on are:
   (a) that a Board should be established for the reserve; and
   (b) the name of the Board; and
   (c) the number of positions of member of the Board; and
   (d) the qualifications for appointment to each position of member of the Board.

(3) The notice must specify each of the matters described in paragraphs (2)(b), (c) and (d).

Note: The notice may specify different qualifications for different positions. See subsection 33(3A) of the Acts Interpretation Act 1901.

(4) If the reserve consists wholly or mostly of indigenous people’s land held by the Director under lease, a majority of the members of the Board must be indigenous persons nominated by the traditional owners of the indigenous people’s land.

(5) If the reserve is in a State or self-governing Territory, at least one member of the Board must be a person nominated by the State or Territory.

Note: By agreement between the Minister and the land council or traditional owners, more than one member of a Board may be a person nominated by the State or Territory.

378 Altering the constitution of a Board or abolishing a Board

Revoking and amending notice establishing Board

(1) The Minister may, by notice in the Gazette:
   (a) revoke a notice under section 377 relating to the Board for the reserve; or
   (b) amend a notice under section 377 relating to the Board for the reserve so as to:
(i) change the specification of the name by which the Board is to be known; or
(ii) increase the number of members of the Board and specify the qualifications for appointment to each of the extra positions of member; or
(iii) decrease the number of positions of member of the Board and specify which positions are abolished; or
(iv) change the qualifications for appointment to a position of member of the Board.

Note: The Minister may exercise the power of amendment from time to time. See subsection 33(1) of the Acts Interpretation Act 1901.

Limits on changing composition of Board

(2) Paragraph (1)(b) has effect subject to subsections 377(4) and (5).

Note 1: Subsection 377(4) requires a majority of the members of the Board of a Commonwealth reserve consisting wholly or mostly of indigenous people’s land held by the Director under lease to be indigenous persons nominated by the traditional owners of the land.

Note 2: Subsection 377(5) requires at least one member of a Board for a reserve in a State or self-governing Territory to be a nominee of the State or Territory.

Prerequisite to revoking or amending notice

(3) The Minister may revoke or amend a notice under section 377 relating to a Commonwealth reserve only if the Minister agrees on the revocation or amendment with:

(a) the land council for indigenous people’s land in the reserve, if the Board for the reserve was established with the agreement of the land council; or
(b) the traditional owners of indigenous people’s land in the reserve, if the Board for the reserve was established with the agreement of the traditional owners.
Board’s identity not affected by name change

(4) If the Minister amends a notice published under section 377 so as to alter a Board’s name or constitution, section 25B of the Acts Interpretation Act 1901 applies in relation to the alteration as if it had been made by an Act.

Note: This ensures that the Board’s identity and functions are not affected by the alteration, and that certain references to the Board under its old name are treated as references to the Board under its new name.

379 Appointment of Board members

Appointment of persons

(1) The Minister may, in writing, appoint a person on a part-time basis to a position of member of a Board if:
   (a) the person is qualified for appointment to the position; and
   (b) the Minister is satisfied that the person is a fit and proper person to be a member of the Board (see section 379A).

Note: Subsection (1) is subject to section 390A, which deals with the appointment of a Northern Territory nominee as a member of the Board for a Commonwealth reserve consisting wholly or mostly of indigenous people’s land held by the Director under lease in the Territory.

Replacement appointments

(2) As soon as practicable after a position of member of a Board becomes vacant, the Minister must appoint a person to the position under subsection (1).

Validity of appointments

(3) A deficiency or irregularity relating to the nomination, selection or appointment of a member of a Board does not invalidate the member’s appointment.
379A  Fit and proper person

In determining for the purposes of this Subdivision whether a person is a fit and proper person to be a member of a Board, the Minister may have regard to the matters specified in regulations made for the purposes of this section. The Minister may also have regard to any other matter the Minister considers appropriate.

Note: The question whether a person is a fit and proper person is relevant to subsection 379(1) (which is about appointments to Boards), and subsection 382(1A) (which is about termination of appointments).

380 Terms and conditions

Term of office

(1) A member of a Board holds office for the period specified in the instrument of appointment. The period must not exceed 5 years.

Note: Section 382 sets out the circumstances in which a member’s appointment may be (or must be) terminated.

Avoiding doubt—future terms of office

(1A) To avoid doubt, subsection (1) does not prevent a person from being appointed as a member of a Board again. This subsection does not affect the operation of section 33AA of the Acts Interpretation Act 1901 in relation to this Act.

Resignation

(2) A member of a Board may resign his or her appointment by giving the Minister a written resignation.

Other terms and conditions

(3) A member of a Board holds office on the terms and conditions (if any) that are determined by the Minister in relation to matters not covered by this Act or the regulations.
381 Remuneration

(1) A member of a Board is to be paid the remuneration that is determined by the Remuneration Tribunal. If no determination of that remuneration by the Tribunal is in operation, the member is to be paid the remuneration that is prescribed.

(2) A member of a Board is to be paid the allowances that are prescribed.

(3) This section has effect subject to the Remuneration Tribunal Act 1973.

382 Termination of appointments of Board members

Termination when person stops being qualified for appointment

(1) The appointment of a person to a position of member of a Board is terminated when the person ceases to be qualified for appointment to the position.

Termination if person is not fit and proper

(1A) The Minister must terminate the appointment of a member of a Board if the Minister is satisfied that the member is not a fit and proper person to be a member of the Board. For this purpose, in having regard to matters as mentioned in section 379A, the Minister may consider things that happened either before or after the member’s appointment.

Termination for misbehaviour or incapacity

(2) The Minister may terminate the appointment of a member of a Board for misbehaviour or physical or mental incapacity.

Termination for failure to attend Board meetings

(3) The Minister may terminate the appointment of a member of a Board if the member is absent, except on leave of absence, from 3
consecutive meetings of the Board of which the member has had notice.

**Termination for engaging in conflicting work**

(4) The Minister may terminate the appointment of a member of a Board if the member engages in paid employment that, in the Minister’s opinion, conflicts or could conflict with the proper performance of the duties of the member.

**Termination for conduct inimical to Board**

(4A) The Minister may terminate the appointment of a member of a Board for a reserve if the Minister is satisfied that the person has acted in a way that is not in the interest of the Board as a whole. However, the Minister may not terminate under this subsection the appointment of a member nominated by traditional owners of indigenous people’s land in the reserve.

**Termination for failure to disclose interests**

**Subdivision G—Special rules for some Commonwealth reserves in the Northern Territory or Jervis Bay Territory**

### 384 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

Special rules apply to Commonwealth reserves in the Kakadu region, Uluru region and Jervis Bay Territory, affecting the activities that can be carried on in those reserves.

Special procedures apply to planning for management of reserves in the Kakadu region, Uluru region and Jervis Bay Territory. These provide for extra involvement of indigenous people in the planning process.

### 385 Activities in Commonwealth reserve without management plan

When a management plan is not in operation for a particular Commonwealth reserve wholly or partly in the Kakadu region, Uluru region or Jervis Bay Territory, the Director may perform the Director’s functions and exercise the Director’s powers in and in relation to a part of the reserve in the region, subject to any directions of the Minister.
Chapter 5  Conservation of biodiversity and heritage
Part 15  Protected areas
Division 4  Commonwealth reserves

Section 386

386  What are the Kakadu region and the Uluru region?

(1) The Kakadu region is the part of the Alligator Rivers Region (as defined in the Environment Protection (Alligator Rivers Region) Act 1978) that excludes:
   (a) the area shown as the Arnhem Land Aboriginal Reserve on the map mentioned in that definition; and
   (b) the areas that are pastoral leases and are described on that map as Mount Bundey and Eva Valley.

(2) The Uluru region is the area of land described under the heading “Uluru” in Schedule 1 to the Aboriginal Land Rights (Northern Territory) Act 1976.

387  No mining operations in Kakadu National Park

(1) A person must not carry out mining operations in Kakadu National Park.

(2) Subsection (1) does not prevent:
   (a) the use, development or reconstruction of the township known as Jabiru; or
   (b) the transportation of anything in Kakadu National Park along routes (including air routes) prescribed by the regulations for the purposes of this paragraph; or
   (c) the construction and use of pipelines and power lines in Kakadu National Park along routes prescribed by the regulations for the purposes of this paragraph; or
   (d) the doing of anything for the purposes of building or construction, or the supply of water, in Kakadu National Park as long as the purposes are not connected with, or incidental to, mining operations; and
   (e) prescribed activities carried on in Kakadu National Park in connection with, or incidental to, mining operations carried on outside Kakadu National Park.

(3) Kakadu National Park is the Commonwealth reserve (as it exists from time to time) to which the name Kakadu National Park was...
given by Proclamation continued in force by the *Environmental Reform (Consequential Provisions) Act 1999.*

### 388 Establishment and development of townships in the Kakadu region and Uluru region

(1) A person may use or develop a township in a part of a Commonwealth reserve, but only if:
   (a) the part is in the Kakadu region or the Uluru region; and

### 389 Planning for townships

*Management plan provisions*

(1) The provisions of a management plan for a Commonwealth reserve that relate to a township must include provisions for and in relation to the use and development of the township.
Section 390

Town plan provisions

(2) A town plan must make detailed provision in relation to the use and development of the township, including, in particular, the provision (if any) to be made for any matters that are specified for the purposes of this subsection by:
   (a) the management plan for the Commonwealth reserve containing the township; or
   (b) the regulations.

Town plans may adopt, apply or incorporate other instruments

(3) For the purposes of subsection (2), a town plan may apply, adopt or incorporate, with or without modification:

390 Special rules to protect Aboriginal interests in planning process

(1) This section sets out some extra rules about the process of preparing management plans for a Commonwealth reserve wholly or partly within the Kakadu region, the Uluru region or Jervis Bay Territory.

(2) The Minister must give a management plan for a Commonwealth reserve back to the Director with suggestions under paragraph 370(3)(b) if the Minister is satisfied that there is a substantial difference of opinion between:
Section 390

(a) the Chair or Chairperson of a land council for indigenous people’s land in the reserve, on the one hand; and
(b) the Director, or the Director and the Board for the reserve (if it is a jointly managed reserve), on the other hand.

(3) If the Minister gives the plan back to the Director with suggestions under paragraph 370(3)(b) (whether because of subsection (2) or not), the Minister must:

(a) give a copy of the suggestions to:
   (i) the Chair or Chairperson of each land council for indigenous people’s land in the reserve; and
   (ii) the Parks and Wildlife Commission of the Northern Territory, if the plan is for a Commonwealth reserve wholly or partly in the Territory; and
(b) invite each person to whom the Minister gave a copy of the suggestions to give the Director comments on the suggestions within 14 days.

(4) When considering the Minister’s suggestions as required by paragraph 370(4)(a), the Director and any Board for the reserve must also consider any comments made in response to the Minister’s invitation.

(5) When the Director gives the Minister an identical or altered version of the plan under paragraph 370(4)(b), the Director must also:

(a) give the Minister a copy of the comments (if any) made in response to the Minister’s invitation, and the Director’s views on those comments; and
(b) give the Chair or Chairperson of each land council for indigenous people’s land in the reserve a copy of the version of the plan given to the Minister and of the comments and views (if any) being given to the Minister under paragraph (a).

(6) The Chair or Chairperson of a land council for indigenous people’s land in the reserve may make comments to the Minister relating to the version of the plan within 14 days of receiving the copy of it.
(7) If the Minister receives comments from the Chair or Chairperson of a land council for indigenous people’s land in the reserve and the Minister is satisfied that there is a substantial difference of opinion between the Chair or Chairperson and the Director over the plan:

(a) the Minister may appoint a person the Minister considers to be suitably qualified and in a position to deal with the matter impartially to inquire into the matter; and

(b) the person appointed must inquire into the matter and give the Minister a report and recommendations.

(8) The Minister:

(a) must also consider:

(i) the comments (if any) made to the Minister by the Chair or Chairperson under subsection (6); and

(ii) the report and recommendations (if any) given to the Minister under subsection (7); when considering under subsection 370(5) the version of the plan given to the Minister under paragraph 370(4)(b); and

(b) must not approve the plan before the end of the period described in subsection (6).

390A Appointment of Northern Territory nominee to Board

(1) This section makes special provision for the appointment of a person nominated by the Northern Territory as a member of the Board for a Commonwealth reserve consisting wholly or mostly of indigenous people’s land held by the Director under lease in the Territory.

(2) Despite subsection 379(1), the Minister must not appoint the person unless:

(a) the members of the Board nominated by the traditional owners of the land consent to the appointment; or

(b) the appointment has been recommended under subsection (5).
(3) The Northern Territory may inform the Minister if it believes that the members of the Board nominated by the traditional owners of the land are unreasonably withholding consent to the appointment.

(4) If the Northern Territory informs the Minister, he or she must refer the matter to the person (the Ombudsman) holding the office of Commonwealth Ombudsman under the Ombudsman Act 1976.

(5) If the Ombudsman is satisfied that the members of the Board nominated by the traditional owners of the land are unreasonably withholding consent to the appointment, the Ombudsman must recommend to the Minister that the Minister make the appointment.
Division 5—Conservation zones

390B Simplified outline of this Division

The following is a simplified outline of this Division:

The Governor-General can proclaim a Commonwealth area to be a conservation zone, to protect biodiversity in the area while it is being assessed for inclusion in a Commonwealth reserve.

Regulations can be made to regulate a wide range of activities in a conservation zone.

People who have rights relating to an area that is later included in a conservation zone can continue to exercise those rights in the zone.

A conservation zone can be revoked if the Minister is satisfied the area concerned should not be included in a Commonwealth reserve. It is revoked automatically if it is included in a Commonwealth reserve.

390C Object of this Division

The object of this Division is to provide for the protection of biodiversity, other natural features and heritage in Commonwealth areas while they are being assessed for inclusion in a Commonwealth reserve.

390D Proclamation of conservation zones

(1) The Governor-General may, by Proclamation, declare a Commonwealth area outside a Commonwealth reserve to be a conservation zone.

(2) Before the Governor-General makes a Proclamation declaring a Commonwealth area to be a conservation zone, the Minister must be satisfied that the area should be assessed to determine whether
the biodiversity, other natural features and heritage in the area should be protected by including the area in a Commonwealth reserve.

390E Regulating activities generally

(1) The regulations may:
(a) regulate or prohibit the pollution of soil, air or water in a manner that is, or is likely to be, harmful to:
   (i) people, biodiversity or heritage in conservation zones; or
   (ii) the natural features of conservation zones; and
(b) regulate tourism in conservation zones; and
(c) provide for the protection and preservation of conservation zones and property and things in conservation zones; and
(d) provide for the protection and conservation of biodiversity in conservation zones; and
(e) regulate or prohibit access to all or part of a conservation zone by persons or classes of persons; and
(f) provide for the removal of trespassers from conservation zones; and
(g) regulate camping in conservation zones; and
(h) provide for the safety of persons in conservation zones; and
(i) regulate the use of fire in conservation zones; and
(j) regulate the conduct of persons in conservation zones; and
(k) regulate the carrying on of any trade or commerce in a conservation zone; and
(l) regulate the use of vehicles in conservation zones and provide for signs and road markings for those purposes; and
(m) provide for:
   (i) the removal of vehicles, aircraft or vessels from places in conservation zones where they have been left in contravention of the regulations or have been abandoned; and
   (ii) the impounding of such vehicles, aircraft or vessels; and
Section 390E

(n) provide that the person taken for the purposes of the regulations to be the owner of a motor vehicle involved in a contravention of a provision of the regulations relating to the parking or stopping of vehicles in a conservation zone is, except as provided otherwise, taken to commit an offence against the provision; and

(o) provide for a person to be taken to be the owner of a motor vehicle for the purposes of regulations made under paragraph (n) (including a person in whose name the motor vehicle is registered under the law of a State or Territory); and

(p) regulate the use of vessels in, and the passage of vessels through, conservation zones; and

(q) regulate the landing and use of aircraft in, and the flying of aircraft over, conservation zones; and

(r) regulate or prohibit the taking of animals or plants into or out of conservation zones; and

(s) provide for the impounding, removal, destruction or disposal of animals found straying in conservation zones; and

(t) regulate or prohibit the taking into conservation zones, and the use in conservation zones, of weapons, traps, nets, snares, fishing apparatus and other devices; and

(v) provide for the collection of specimens and the pursuit of research in conservation zones for scientific purposes; and

(w) provide for the issue of licences, permits and authorities relating to activities in conservation zones, the conditions subject to which they are issued and the charging of fees by the Commonwealth in respect of such licences, permits and authorities; and

(x) provide for any matter incidental to or connected with a matter described in another paragraph.

(2) Regulations relating to conservation zones may also:
Conservation of biodiversity and heritage  Chapter 5

Section 390F

(a) regulate the carrying on of mining operations, fishing, pastoral or agricultural activities for commercial purposes; and

390F Charges for activities in conservation zones

Subject to the approval of the Minister, the Director may determine and impose charges for using services or facilities provided by the Director in or in connection with a conservation zone.

390G Other laws and regulations made for this Division

Regulations regulating aircraft subject to other Commonwealth laws

(1) A provision of the regulations regulating the flying of aircraft over a conservation zone does not have any effect so far as it is inconsistent with a law of the Commonwealth. For this purpose, a
provision is not inconsistent with such a law if it can be complied with without contravention of the law.

**Territory laws subject to regulations**

(2) A law of a Territory has effect so far as it is not inconsistent with a provision of the regulations made for the purposes of this Division and having effect in that Territory. For this purpose, such a law is not inconsistent with the provision so far as it can operate concurrently with the provision.

### 390H Prior usage rights relating to conservation zones continue to have effect

(1) None of the following provisions affect a usage right that was held by a person (other than the Commonwealth) in relation to land or seabed immediately before the land or seabed was included in a conservation zone:

- (a) provisions of this Division that relate to the zone (whether or not they also relate to another conservation zone);
- (b) provisions of the regulations made for the purposes of this Division that relate to the zone (whether or not they also relate to another conservation zone).

(2) None of the provisions covered by subsection (1) affect the application of a law of a State or Territory in relation to the usage right.

(3) The usage right may be renewed or have its term extended only:

- (a) with the Minister’s written consent; and
- (b) subject to any conditions determined by the Minister.

This subsection has effect despite subsections (1) and (2) and any other law of the Commonwealth, a State or a Territory.

(4) Subsections (1) and (2) apply in relation to a usage right relating to minerals on, in or under land or seabed included in a conservation zone as if the usage right were a usage right relating to the land or seabed.
(5) This section applies to a right arising out of a usage right in the same way as it applies to the usage right.

390J Revoking and altering conservation zones

Proclamations to revoke or amend declaring Proclamation

(1) The Governor-General may, by Proclamation, revoke or amend a Proclamation made under section 390D (declaring a Commonwealth area to be a conservation zone).

Limit on making Proclamations

(2) Before the Governor-General makes a Proclamation under subsection (1) causing a Commonwealth area to cease to be within a conservation zone, the Minister must be satisfied that the area should not be included in a Commonwealth reserve.

Declaration of Commonwealth reserve revokes conservation zone

(3) A Commonwealth area ceases to be a conservation zone by force of this subsection if the area becomes or is included in a Commonwealth reserve.

Conservation zone ends if it ceases to be in Commonwealth area

(4) If land, waters, seabed or airspace in a conservation zone cease to be a Commonwealth area, the land, waters, seabed or airspace cease to be (or be in) a conservation zone by force of this subsection.

Proclamation to reflect cessation of conservation zone

(5) If land, waters, seabed or airspace cease to be a conservation zone by force of subsection (3) or (4), the Governor-General must make a Proclamation revoking or amending the Proclamation that included the land, waters, seabed or airspace in a conservation zone, to reflect the fact that the land, waters, seabed or airspace are no longer part of the conservation zone.

Subdivision C—Final declaration

(1) This section applies if, in conducting a search referred to in paragraph 406(1)(a) or (ba), an authorised officer or a person who conducts a search because of subsection 406A(2) finds:

(a) an eligible seizable item; or
(b) a thing that may be evidential material in relation to an offence against an environmental law, in relation to a contravention of an environmental penalty provision or in relation to both.

(2) An authorised officer may:

(a) take possession of the item or thing; and
(b) keep the item or thing for so long as he or she thinks necessary for the purposes of this Act or the Great Barrier Reef Marine Park Act 1975.

(3) A person who conducts a search because of subsection 406A(2) must take possession of the item or thing and give it to an authorised officer.

(4) An authorised officer who is given an item or thing under subsection (3) may keep it for so long as he or she thinks necessary for the purposes of this Act or the Great Barrier Reef Marine Park Act 1975.

(5) If:
   (a) an authorised officer is keeping an item or thing under subsection (2) or (4); and
   (b) the item or thing was found in conducting a search of a person under paragraph 406(1)(ba); and
   (c) the person is detained under Schedule 1;
   the authorised officer may continue to keep the item or thing for so long as he or she thinks necessary for the purposes of this Act, the Great Barrier Reef Marine Park Act 1975 or the Migration Act 1958.

Note: Once the person ceases to be detained under Schedule 1, the person will generally need to be detained under the Migration Act 1958 while he or she is in the migration zone (because his or her enforcement visa under that Act will cease to have effect). Subsection (5) ensures the officer can keep the item or thing while the person is detained under this Act or that Act.

406B Thing taken into possession is not a thing seized

A reference in this Act to a thing (however described) seized under this Part or this Act does not include a reference to a thing that has been taken into possession under section 406AA or Schedule 1.
Section 407

Division 3—Monitoring of compliance

(3) If:

(a) damage is caused to a specimen, or a cage or container in which a specimen is kept, as a result of an authorised officer exercising the power to mark under paragraph (1)(cb); and

(b) the damage was caused as a result of insufficient care being exercised by the authorised officer;

compensation for the damage is payable to the owner of the specimen, or to the owner of the cage or container, as the case requires.

(4) Compensation is payable out of money appropriated by the Parliament for the purpose.

(5) In determining the amount of compensation payable, regard is to be had to whether the owner, if the owner was available at the time, had provided any warning or guidance relating to the marking of the specimen, cage or container.

407A Operation of electronic equipment at premises

Monitoring powers include the powers set out in this section

(1) Monitoring powers in relation to premises include the powers set out in this section. This section does not authorise these powers to be exercised otherwise than in situations in which this Division allows monitoring powers to be exercised.

Operation of equipment

(2) An authorised officer may operate electronic equipment at premises to see whether relevant material is accessible by doing so, if he or she believes on reasonable grounds that the operation of the equipment can be carried out without damage to the equipment.
Seizure etc.

(3) If an authorised officer operates electronic equipment at premises under subsection (2), and the authorised officer finds that relevant material is accessible by doing so, he or she may:

(a) seize the equipment and any disk, tape or other associated device; or

(b) if the relevant material can, by using facilities at the premises, be put in documentary form—operate the facilities to put the material in that form and seize the documents so produced; or

(c) if the relevant material can be transferred to a disk, tape or other storage device that:

(i) is brought to the premises; or

(ii) is at the premises and the use of which for the purpose has been agreed to in writing by the occupier of the premises;

operate the equipment or other facilities to copy the material to the storage device and take the storage device from the premises.

Limitation on seizure

(4) An authorised officer may seize equipment under paragraph (3)(a) only if:

(a) it is not practicable to put the relevant material in documentary form as mentioned in paragraph (3)(b) or to copy the material as mentioned in paragraph (3)(c); or

(b) possession of the equipment by the occupier could constitute an offence.

How this Part applies to things seized

(5) The other provisions of this Part apply in relation to a thing seized under paragraph (3)(a) or (b) as if the thing had been seized under section 445.
Securing equipment

(6) If an authorised officer believes on reasonable grounds that:
   (a) relevant material may be accessible by operating electronic equipment at the premises; and
   (b) expert assistance is required to operate the equipment; and
   (c) if he or she does not take action under this subsection, the material may be destroyed, altered or otherwise interfered with;

he or she may do whatever is necessary to secure the equipment, whether by locking it up, placing a guard or otherwise.

Notice about securing equipment

(7) An authorised officer who wishes to secure electronic equipment under subsection (6) must give notice to the occupier of the premises of:
   (a) his or her intention to secure the equipment; and
   (b) the fact that the equipment may be secured for up to 24 hours.

Period for which equipment may be secured

(8) Electronic equipment may be secured under subsection (6):
   (a) for a period not exceeding 24 hours; or
   (b) until the equipment has been operated by the expert; whichever happens first.

Extension of period

(9) If an authorised officer believes on reasonable grounds that expert assistance will not be available within 24 hours, the authorised officer may apply to a magistrate for an extension of that period.

Notice to occupier

(10) An authorised officer must give notice to the occupier of the premises of his or her intention to apply for an extension under
subsection (9), and the occupier is entitled to be heard in relation to the application.

Provisions relating to extensions

(11) The provisions of this Division relating to the issue of a monitoring warrant apply, with such modifications as are necessary, to the issuing of an extension.

Definition

(12) In this section:

relevant material means:

(a) evidential material; or

(b) any other material that is relevant for the purposes of finding out whether any or all of the provisions of an environmental law have been, are being or will be complied with.

407B Compensation for damage to electronic equipment

(1) If:

(a) damage is caused to electronic equipment as a result of it being operated as mentioned in section 407A; and

(b) the damage was caused as a result of:

(i) insufficient care being exercised in selecting the person who was to operate the equipment; or

(ii) insufficient care being exercised by the person operating the equipment;

compensation for the damage is payable to the owner of the equipment.

(2) Compensation is payable out of money appropriated by the Parliament for the purpose.

(3) In determining the amount of compensation payable, regard is to be had to whether the occupier of the premises and his or her employees and agents, if they were available at the time, had...
provided any warning or guidance as to the operation of the equipment that was appropriate in the circumstances.

408 Monitoring searches with occupier’s consent

Entry by consent

(1) An authorised officer may, with the consent of the occupier of any premises, enter the premises for the purpose of finding out whether any or all of the provisions of an environmental law have been, are being or will be complied with.

Entry for monitoring purposes

(2) An authorised officer may only enter premises under subsection (1) to the extent that it is reasonably necessary for the purpose of finding out whether any or all of the provisions of an environmental law have been, are being or will be complied with.

Exercise of monitoring powers

(3) If an authorised officer enters premises under subsection (1), the authorised officer may exercise monitoring powers in relation to those premises.

Exercise of seizure powers

(4) If an authorised officer enters premises under subsection (1), the authorised officer may exercise powers of seizure conferred by section 444A or 445.

Right to refuse to give consent

(5) Before obtaining the consent of a person for the purposes of this section, an authorised officer must tell the person that the person may refuse to give consent.
Consent must be voluntary

(6) An entry by an authorised officer in consequence of the consent of a person is not lawful unless the person voluntarily consented to the entry.

Production of identity card etc.

(7) An authorised officer is not entitled to:
(a) enter premises under subsection (1); or
(b) exercise any powers referred to in subsection (3) or (4) in relation to premises;
if the occupier of the premises has required the officer to produce written identification for inspection by the occupier and:
(c) if the authorised officer is a member of a police force—the officer fails to produce, for inspection by the occupier, written evidence of the fact that he or she is a member of that police force; or
(ca) if the authorised officer is an officer of Customs—the officer fails to produce, for inspection by the occupier, written evidence of the fact that he or she is an officer of Customs; or
(d) in any other case—the officer fails to produce his or her identity card for inspection by the occupier.

Extension to vehicles, vessels and aircraft

(8) Subsections (1), (2), (3), (4), (5), (6) and (7) apply in relation to:
(a) a vehicle, vessel or aircraft in the same way as they apply in relation to premises; and
(b) a person apparently in charge of a vehicle, vessel or aircraft in the same way as they apply in relation to the occupier of premises.
409 Monitoring warrants

Application for monitoring warrant

(1) An authorised officer may apply to a magistrate for a warrant under this section in relation to particular premises. The warrant is to be known as a monitoring warrant.

Note: Urgent applications may be made by telephone or other electronic means under section 409A.

Issue of monitoring warrant

(2) Subject to subsection (3), the magistrate may issue the monitoring warrant if satisfied, by information on oath or affirmation, that it is reasonably necessary that the authorised officer should have access to the premises for the purpose of finding out whether any or all of the provisions of an environmental law have been, are being or will be complied with.

Information about grounds for issue of monitoring warrant

(3) The magistrate must not issue the monitoring warrant unless the authorised officer or another person has given the magistrate, either orally (on oath or affirmation) or by affidavit, such further information as the magistrate requires about the grounds on which the issue of the monitoring warrant is being sought.

Terms of warrant

(4) The monitoring warrant must:

(a) name an authorised officer who, unless he or she inserts the name of another authorised officer in the warrant, is to be responsible for executing the warrant; and

(aa) authorise the executing officer, with such assistance and by such force as is necessary and reasonable, from time to time while the monitoring warrant remains in force:

(i) to enter the premises; and

(ii) to exercise monitoring powers in relation to the premises; and
Section 409A

(b) state whether an entry under the monitoring warrant is authorised to be made at any time of the day or night or during specified hours of the day or night; and
(c) specify the day (not more than 6 months after the issue of the monitoring warrant) on which the monitoring warrant ceases to have effect; and
(d) state the purpose for which the monitoring warrant is issued.

Seizure powers

(5) If an authorised officer enters premises under a monitoring warrant, he or she may exercise powers of seizure conferred by section 444A or 445.

409A Monitoring warrants by telephone or other electronic means

Application

(1) An authorised officer may make an application to a magistrate for a monitoring warrant by telephone, telex, fax or other electronic means:
   (a) in an urgent case; or
   (b) if the delay that would occur if an application were made in person would frustrate the effective execution of the monitoring warrant.

Voice communication

(2) The magistrate:
   (a) may require communication by voice to the extent that is practicable in the circumstances; and
   (b) may make a recording of the whole or any part of any such communication by voice.

Information

(3) An application under this section must include all information as required to be provided in an application under section 409, but the
application may, if necessary, be made before the information is sworn or affirmed.

**Issue of monitoring warrant**

(4) If an application is made to a magistrate under this section and the magistrate, after considering the information and having received and considered such further information (if any) as the magistrate required, is satisfied that:

(a) a monitoring warrant in the terms of the application should be issued urgently; or

(b) the delay that would occur if an application were made in person would frustrate the effective execution of the monitoring warrant;

the magistrate may complete and sign the same form of monitoring warrant that would be issued under section 409.

**Notification**

(5) If the magistrate decides to issue the monitoring warrant, the magistrate must inform the applicant, by telephone, telex, fax or other electronic means, of the terms of the monitoring warrant and the day on which and the time at which it was signed.

**Form of monitoring warrant**

(6) The applicant must then complete a form of monitoring warrant in terms substantially corresponding to those given by the magistrate, stating on the form the name of the magistrate and the day on which and the time at which the monitoring warrant was signed.

**Completed form of monitoring warrant to be given to magistrate**

(7) The applicant must, not later than 48 hours after making the application, give or transmit to the magistrate:

(a) the form of monitoring warrant completed by the applicant; and

(b) if the information referred to in subsection (3) was not sworn or affirmed—that information duly sworn or affirmed.
Attachment of form of warrant to subsection (7) documents

(8) The magistrate must attach to the documents provided under subsection (7) the form of monitoring warrant completed by the magistrate.

Presumption if form of warrant not produced in evidence

(9) If:

(a) it is material, in any proceeding, for a court to be satisfied that the exercise of a power under a monitoring warrant issued under this section was duly authorised; and

(b) the form of monitoring warrant signed by the magistrate is not produced in evidence;

the court is to assume, unless the contrary is proved, that the exercise of the power was not duly authorised.

Court may admit evidence even if subsection (7) or (8) not complied with

(10) A court may admit evidence obtained because of the issue of a warrant pursuant to this section even if either or both of subsections (7) and (8) have not been complied with if, having regard to the nature of and reasons for the non-compliance and any other relevant matters, the court is satisfied that it was not practicable to comply with that subsection or those subsections (as the case requires).

409B Executing officer to be in possession of warrant

When executing a warrant, the executing officer must be in possession of:

(a) the original warrant issued by the magistrate under section 409, or a copy of the original warrant as so issued; or

(b) the original form of warrant completed under subsection 409A(6), or a copy of the original form as so completed.
410 Details of monitoring warrant to be given to occupier etc.

(1) If a monitoring warrant in relation to premises is being executed and the occupier of the premises, or another person who apparently represents the occupier, is present at the premises, the executing officer must make available to that person a copy of the monitoring warrant.

(2) The executing officer must identify himself or herself to that person at the premises.

(3) The copy of the monitoring warrant referred to in subsection (1) need not include the signature of the magistrate or the seal of the relevant court.

411 Occupier entitled to be present during search

(1) If a monitoring warrant in relation to premises is being executed and the occupier of the premises, or another person who apparently represents the occupier, is present at the premises, the person is, subject to Part IC of the Crimes Act 1914, entitled to observe the search being conducted.

(2) The right to observe the search being conducted ceases if the person impedes the search.

(3) This section does not prevent 2 or more areas of the premises being searched at the same time.

412 Announcement before entry

(1) Before any person enters premises under a monitoring warrant, the executing officer must:

(a) announce that he or she is authorised to enter the premises; and

(b) give any person at the premises an opportunity to allow entry to the premises.
Chapter 6  Administration  
Part 17  Enforcement  
Division 3  Monitoring of compliance  

Section 412A  

(2) The executing officer is not required to comply with subsection (1) if he or she believes on reasonable grounds that immediate entry to the premises is required to ensure:  
(a) the safety of a person (including an authorised officer); or  
(b) that the effective execution of the monitoring warrant is not frustrated.  

412A  Other powers when on premises under monitoring warrant  

(1) If the executing officer enters premises under a monitoring warrant, he or she may require a person on the premises to:  
(a) answer a question asked by the executing officer; or  
(b) give the executing officer information requested by the executing officer; or  
(c) produce to the executing officer records or documents kept on the premises.  

(2) A person commits an offence if:  
(a) the executing officer has entered premises under a monitoring warrant; and  
(b) the person is on the premises; and  
(c) the executing officer requires the person to:  
(i) answer a question asked by the executing officer; or  
(ii) give the executing officer information requested by the executing officer; or  
(iii) produce to the executing officer records or documents kept on the premises; and  
(d) the person contravenes the requirement.  

(3) The offence is punishable on conviction by imprisonment for a term not more than 6 months, a fine of not more than 30 penalty units, or both.
Division 4—Search warrants

413 When search warrants can be issued

(1) A magistrate may issue a warrant authorising an authorised officer to search premises if the magistrate is satisfied, by information on oath or affirmation, that there are reasonable grounds for suspecting that there is, or there will be within the next 72 hours, at the premises evidential material in relation to an offence against an environmental law, in relation to a contravention of an environmental penalty provision or in relation to both.

(2) A magistrate may issue a warrant authorising an authorised officer to carry out an ordinary search or a frisk search of a person if the magistrate is satisfied, by information on oath or affirmation, that there are reasonable grounds for suspecting that the person has in his or her possession, or will within the next 72 hours have in his or her possession, any evidential material in relation to an offence against an environmental law, in relation to a contravention of an environmental penalty provision or in relation to both.

(3) For the purposes of this Act, frisk search means:

(a) a search of a person conducted by quickly running the hands over the person’s outer garments; and

(b) an examination of anything worn or carried by the person that is conveniently and voluntarily removed by the person.

(4) If the authorised officer applying for the warrant suspects that, in executing the warrant, it will be necessary to use firearms, the authorised officer must state that suspicion, and the grounds for that suspicion, in the information.

(5) If the application for the warrant is made under section 416, this section applies as if subsections (1) and (2) referred to 48 hours rather than 72 hours.

(6) If the applicant for a warrant is a member or special member of the Australian Federal Police and has, at any time previously, applied
Section 414

for a warrant relating to the same person or premises, the person must state particulars of those applications and their outcome in the information.

414 Statements in warrants

(1) If a magistrate issues a warrant under section 413, the magistrate is to state in the warrant:

(a) each offence and/or environmental penalty provision to which the warrant relates; and

(b) a description of the premises to which the warrant relates or the name or description of a person to whom it relates; and

(c) the kinds of evidential material that are to be searched for under the warrant; and

(d) the name of the authorised officer who, unless he or she inserts the name of another authorised officer in the warrant, is to be responsible for executing the warrant; and

(e) the period for which the warrant remains in force, which must not be more than 7 days; and

(f) if the warrant relates to premises—whether the premises may be entered at any time of the day or night or only during particular hours of the day or night; and

(g) if the warrant relates to a person—whether the search of the person may be carried out at any time of the day or night or only during particular hours of the day or night.

(2) The magistrate is also to state, in a warrant in relation to premises:

(a) that the warrant authorises the seizure of a thing (other than evidential material of the kind referred to in paragraph (1)(c)) found at the premises in the course of the search that the executing officer or an officer assisting believes on reasonable grounds to be:

(i) evidential material in relation to an offence, or in relation to a contravention of an environmental penalty provision, to which the warrant relates; or
(ii) evidential material in relation to another offence against an environmental law, where the other offence is an indictable offence; or

(iii) evidential material in relation to another contravention of an environmental penalty provision;

if the executing officer or an officer assisting believes on reasonable grounds that seizure of the thing is necessary to prevent its concealment, loss or destruction or its use in committing an offence against an environmental law or in contravening an environmental penalty provision; and

(b) whether the warrant authorises an ordinary search or a frisk search of a person who is at or near the premises when the warrant is executed if the executing officer or an officer assisting suspects on reasonable grounds that the person has in his or her possession:

(i) any evidential material in relation to an offence against an environmental law, in relation to a contravention of an environmental penalty provision or in relation to both; or

(ii) any eligible seizable items.

(3) For the purposes of this Act, ordinary search means a search of a person or of articles in the possession of a person that may include:

(a) requiring the person to remove his or her overcoat, coat or jacket and any gloves, shoes and hat; and

(b) an examination of those items.

(4) The magistrate is also to state, in a warrant in relation to a person:

(a) that the warrant authorises the seizure of a thing (other than evidential material of the kind referred to in paragraph (1)(c)) found, in the course of the search, on or in the possession of the person or in an aircraft, vehicle or vessel that the person had operated or occupied at any time within 24 hours before the search began, being a thing that the executing officer or an officer assisting believes on reasonable grounds to be:
Section 415

(i) evidential material in relation to an offence, or in relation to a contravention of an environmental penalty provision, to which the warrant relates; or

(ii) evidential material in relation to another offence against an environmental law, where the other offence is an indictable offence; or

(iii) evidential material in relation to another contravention of an environmental penalty provision;

if the executing officer or an officer assisting believes on reasonable grounds that seizure of the thing is necessary to prevent its concealment, loss or destruction or its use in committing an offence against an environmental law or in contravening an environmental penalty provision; and

(b) the kind of search of a person that the warrant authorises.

(5) Paragraph (1)(e) does not prevent the issue of successive warrants in relation to the same premises or person.

(6) If the application for the warrant is made under section 416, this section applies as if paragraph (1)(e) referred to 48 hours rather than 7 days.

415 Powers of magistrate

(1) A magistrate in a State or internal Territory may:

(a) issue a warrant in relation to premises or a person in that State or Territory; or

(b) issue a warrant in relation to premises or a person in an external Territory; or

(c) issue a warrant in relation to premises or a person in another State or internal Territory (including the Jervis Bay Territory) if he or she is satisfied that there are special circumstances that make the issue of the warrant appropriate; or

(d) issue a warrant in relation to a person wherever the person is in Australia or in an external Territory if he or she is satisfied that it is not possible to predict where the person may be.
(2) A magistrate in New South Wales or the Australian Capital Territory may issue a warrant in relation to premises or a person in the Jervis Bay Territory.

416 Warrants by telephone or other electronic means

Application

(1) An authorised officer may make an application to a magistrate for a warrant by telephone, telex, fax or other electronic means:
   (a) in an urgent case; or
   (b) if the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

Voice communication

(2) The magistrate may require communication by voice to the extent that is practicable in the circumstances.

Information

(3) An application under this section must include all information as required to be provided in an ordinary application for a warrant, but the application may, if necessary, be made before the information is sworn or affirmed.

Issue of warrant

(4) If an application is made to a magistrate under this section and the magistrate, after considering the information and having received and considered such further information (if any) as the magistrate required, is satisfied that:
   (a) a warrant in the terms of the application should be issued urgently; or
   (b) the delay that would occur if an application were made in person would frustrate the effective execution of the warrant; the magistrate may complete and sign the same form of warrant that would be issued under section 413.
Section 416

Notification

(5) If the magistrate decides to issue the warrant, the magistrate is to inform the applicant, by telephone, telex, fax or other electronic means, of the terms of the warrant and the day on which and the time at which it was signed.

Form of warrant

(6) The applicant must then complete a form of warrant in terms substantially corresponding to those given by the magistrate, stating on the form the name of the magistrate and the day on which and the time at which the warrant was signed.

Attachment

(8) The magistrate is to attach to the documents provided under subsection (7) the form of warrant completed by the magistrate.

Presumption

(9) If:

(a) it is material, in any proceedings, for a court to be satisfied that the exercise of a power under a warrant issued under this section was duly authorised; and
(b) the form of warrant signed by the magistrate is not produced in evidence;

the court is to assume, unless the contrary is proved, that the exercise of the power was not duly authorised.
417 The things that are authorised by a search warrant

Search of premises

(1) A warrant that is in force in relation to premises authorises the executing officer or an officer assisting:
(a) to enter the premises; and
(b) to search for and record fingerprints found at the premises and to take samples of things found at the premises for forensic purposes; and
(c) to search the premises for the kinds of evidential material specified in the warrant, and to seize things of that kind found at the premises; and

Section 417

reasonable grounds that the person has in his or her possession:

Section 444H

(2) The rule in subsection (1) does not authorise the retention of the specimen if the owner of the specimen succeeds in an action under subsection 444D(1) for the delivery of the specimen to the owner.

(3) As soon as practicable after the end of the period during which the specimen may be retained under subsection (1), the Secretary must cause reasonable steps to be taken to return the specimen to the person from whom it was seized (or to the owner if that person is not entitled to possess it).

(4) Subsection (3) does not apply if:
   (a) the specimen is forfeited or forfeitable to the Commonwealth; or
   (b) the specimen has been dealt with under this Part, or as otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory), in a way that means the Secretary is not in a position to cause reasonable steps to be taken to return the specimen; or
   (c) the Commonwealth, the Secretary or an authorised officer is otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory) to retain, destroy, dispose of or otherwise deal with the specimen; or
   (d) proceedings under subsection 444D(1) relating to the specimen are pending.

444H Forfeiture of specimen after end of retention period

(1) If:
   (a) a specimen is seized under section 444A; and
   (b) none of the following happens before the end of the period for which the specimen may be retained:
      (i) proceedings are instituted for an offence against Part 13A, where the specimen is alleged to have been used or otherwise involved in the commission of the offence;
      (ii) the specimen is released unconditionally to a person under section 449BA;
(iiia) the specimen is delivered to a person under section 444C;

(iii) the owner of the specimen brings an action under subsection 444D(1) for the delivery of the specimen to the owner;

(iv) proceedings are instituted under section 450A in relation to the specimen;

(v) the specimen is disposed of under section 449;

the specimen is forfeited to the Commonwealth at the end of that period.

(2) Subsection (1) has effect only to the extent (if any) to which it gives effect to paragraph 1(b) of Article VIII of CITES.

Subdivision AB—Seizure of things (other than specimens involved in a contravention of Part 13A)

445 Seizure of things (other than specimens involved in a contravention of Part 13A)

(1) Subject to subsections (2) and (3), an authorised officer may seize a thing if he or she has reasonable grounds to suspect that it is evidential material in relation to an offence against an environmental law, in relation to a contravention of an environmental penalty provision or in relation to both.

(2) This section does not apply to a specimen that an authorised officer has reasonable grounds to suspect has been used or otherwise involved in the commission of an offence against Part 13A.

Note: Section 444A deals with the seizure of such specimens.

(3) If a warrant has been issued under Division 4:

(a) if the warrant relates to premises—this section does not apply:

(i) to the executing officer, or an officer assisting, while he or she is searching premises under the warrant; or
(ii) to anything found during the course of such a search; and
(b) if the warrant relates to a person—this section does not apply:
   (i) to the executing officer, or an officer assisting, while he or she is searching a person, or an aircraft, vehicle or vessel, under the warrant; or
   (ii) to anything found during the course of such a search.

Note: Division 4 is about search warrants. The Division contains its own seizure powers (see paragraphs 417(1)(c), (d) and (e) and (2)(b), (c) and (d)).

(3A) A reference in this section to an offence against an environmental law does not include an offence against Part VIIA of the Great Barrier Reef Marine Park Act 1975 (compulsory pilotage).

(4) In this section:

*thing* includes a vehicle, vessel, aircraft, platform, document, organism and specimen.

### 446 Retention of things seized under this Subdivision

(1) This section applies to a thing that is seized under section 445.

(1A) The thing may be retained until:
   (a) the reason for the seizure no longer exists; or
   (b) it is decided that the thing is not to be used in evidence; or
   (c) the end of the period of 60 days after the seizure, or, if that period has been extended under subsection (3), the end of the extended period;

whichever happens first.

(1B) As soon as practicable after the end of the period (the *retention period*) during which the thing may be retained under subsection (1A), the Secretary must cause reasonable steps to be taken to return the thing to the person from whom it was seized (or to the owner if that person is not entitled to possess it).
(1C) Subsection (1B) does not apply if:
   (a) the thing is forfeited or forfeitable to the Commonwealth; or
   (b) a proceeding in respect of which the thing may afford evidence was commenced before the end of the retention period and has not been completed (including an appeal to a court in relation to that proceeding); or
   (c) the thing has been dealt with under this Part, or as otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory), in a way that means the Secretary is not in a position to cause reasonable steps to be taken to return the thing; or
   (d) the Commonwealth, the Secretary or an authorised officer is otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory) to retain, destroy, dispose of or otherwise deal with the thing.

(2) An authorised officer may, before the end of the retention period, apply to a magistrate for an order permitting the retention of the thing for a further period.

(3) If, in relation to an application under subsection (2), the magistrate is satisfied, by information on oath or affirmation, that it is necessary for the thing to continue to be retained:
   (a) for the purposes of an investigation as to whether an offence against an environmental law has been committed, or whether an environmental penalty provision has been contravened; or
   (b) to enable evidence of an offence against an environmental law, or of a contravention of an environmental penalty provision, to be secured for the purposes of a proceeding against the person for such an offence or contravention;
the magistrate may order that the thing may continue to be retained for a period specified in the order. The maximum period of an individual extension must not be more than 30 days.

(3A) Before an authorised officer makes an application under subsection (2), he or she must:
(a) take reasonable steps to discover who has an interest in the retention of the thing; and
(b) if it is practicable to do so, give notice in writing of the proposed application to each person whom the authorised officer believes to have an interest in the proposed application.

(4) Subsection (3) does not prevent a magistrate from granting 2 or more successive extensions under that subsection of the period during which the thing may be retained.

(5) A function of making an order conferred on a magistrate by subsection (3) is conferred on the magistrate in a personal capacity and not as a court or a member of a court.

(6) Without limiting the generality of subsection (5), an order made by a magistrate under subsection (3) has effect only by virtue of this Act and is not taken, by implication, to be made by a court.

(7) A magistrate performing a function of, or connected with, making an order under subsection (3) has the same protection and immunity as if he or she were performing that function as, or as a member of, a court (being the court of which the magistrate is a member).

(8) The Governor-General may make arrangements with the Governor of a State, the Chief Minister for the Australian Capital Territory or the Administrator of the Northern Territory for the performance, by all or any of the persons who from time to time hold office as magistrates in that State or Territory, of the function of making orders under subsection (3).

**Subdivision AC—Direction to deliver seizable items**

**447 Direction to deliver seizable items**

(1) An authorised officer may direct a person to deliver to the officer, or to another person specified in the direction, a thing that the
Section 449

An officer is authorised to seize under a warrant issued under Division 4 or under section 445.

(2) The direction must:
   (a) be in writing; and
   (b) be given to the person who is directed to deliver the thing, who must be:
       (i) if the thing is a vessel—the person in charge of the vessel, or the vessel’s owner; or
       (ii) if the thing is an aircraft—the person in charge of the aircraft; or
       (iii) otherwise—the person in possession of the thing; and
   (c) specify the place at which the delivery is to occur; and
   (d) specify the period within which the delivery is to occur.

(3) A person must not fail to comply with a direction under this section.

Penalty: Imprisonment for 12 months or 60 penalty units, or both.

(4) This Part applies to a thing delivered in compliance with a direction under this section as if the thing had been seized under the warrant or section that authorised the officer to seize the thing.

(5) A direction made under subsection (1) is not a legislative instrument.

**Subdivision B—Disposal of seized items**

**449 Immediate disposal of seized items**

(1) If:
   (a) a thing is seized under this Part; and
   (b) the Secretary considers that it is reasonably likely that the retention of the thing would:
       (i) constitute a serious threat to the environment; or
Section 449

(ii) constitute a serious threat to the continued existence, in the wild, of a particular species of animal or of a particular species of plant; or

(iii) result in the introduction of an alien species that represents a threat to ecosystems, habitats or other species; or

(iv) constitute a danger to public health; or

(v) in the case of a live organism or specimen—constitute a significant threat to the health of the organism or specimen; or

(vi) in the case of a live animal—result in the animal suffering;

the Secretary may cause the thing to be dealt with in such manner as the Secretary considers appropriate (including the destruction of the thing).

(1A) If the Secretary causes a live animal to be destroyed under subsection (1), the Secretary must require the destruction to be carried out in a humane manner.

(2) Subject to subsection (3), if a thing is dealt with in accordance with subsection (1), the Secretary must give to:

(a) the owner of the thing; or

(b) the person who had possession, custody or control of the thing immediately before it was seized;

a written notice:

(c) identifying the thing; and

(d) stating that the thing has been seized under this Part and giving the reason for the seizure; and

(e) stating that the thing has been dealt with under subsection (1) and specifying the manner in which it has been so dealt with and the reason for doing so; and

(f) setting out the terms of subsection (4).

The notice must be given as soon as practicable after the thing is so dealt with.
(3) The Secretary need not give a notice under subsection (2) about a thing if, after making such inquiries as the Secretary thinks appropriate, the Secretary does not, within 20 days after dealing with the thing, have sufficient information to enable the notice to be given.

(4) If a thing is dealt with in accordance with subsection (1), the owner of the thing may bring an action against the Commonwealth in a court of competent jurisdiction for the recovery of the market value of the thing at the time it was so dealt with. The action must be brought on the ground that the thing was not used or otherwise involved in the commission of an offence against this Act or the regulations.

449A Disposal of seized items if Secretary cannot locate or identify person entitled etc.

(1) This section applies to a thing that is seized under this Part if:

(a) apart from this section, the thing is required to be returned or delivered to a person (or reasonable steps are required to be taken for the return or delivery to a person of the thing); and

(b) one or more of the following applies:

(i) the Secretary is satisfied that reasonable steps have been taken to locate or identify the person, but those steps have not succeeded;

(ii) the Secretary is satisfied that reasonable steps have been taken to return or deliver the thing to the person, but those steps have not succeeded;

(iii) the Secretary is otherwise satisfied that it is not practicable to return or deliver the thing to the person.

(2) The Secretary may dispose of the thing in such manner as the Secretary considers appropriate.
Section 449BA

Subdivision BA—Release of seized items to owner etc.

449BA Release of seized items to owner etc.

(1) If a thing is seized under this Part, the Secretary may authorise the thing, or anything in, on or attached to the thing, to be released to its owner, or to the person from whose possession it was seized, either:
   (a) unconditionally; or
   (b) on such conditions as the Secretary thinks fit (including conditions about the giving of security for giving payment of its value if it is forfeited).

(2) A person commits an offence if:
   (a) a thing is released to the person under subsection (1) subject to a condition; and
   (b) the person engages in conduct; and
   (c) the conduct contravenes the condition.
   Penalty: Imprisonment for 12 months or 60 penalty units, or both.

(3) Absolute liability applies to paragraph (2)(a).
   Note: For absolute liability, see section 6.2 of the Criminal Code.

449BB How this Part applies in relation to things released conditionally

(1) This section applies if a thing, or anything in, on or attached to a thing, seized under this Part is released on conditions to a person under section 449BA. The provision of this Part under which the seizure was made is the seizure provision, and the thing that is released is the released thing.

(2) Subject to this section, the provisions of this Part that apply in relation to things seized under the seizure provision continue to apply to the released thing as if it had not been released.
(3) A reference in a provision of this Part to the return or delivery of the released thing to a person is, if the person is the person to whom the thing has been released, taken to be a reference to making the release of the thing to the person unconditional.

(4) The regulations may specify modifications of provisions of this Part that are to have effect in relation to things to which this section applies. However, regulations must not:
   (a) increase, or have the effect of increasing, the maximum penalty for any offence; or
   (b) widen, or have the effect of widening, the scope of any offence.

Subdivision C—Forfeiture of seized items

450 Court-ordered forfeiture: order by court dealing with offence proceedings

(1) If a court convicts a person of an offence against an environmental law, the court may order the forfeiture to the Commonwealth of any thing used or otherwise involved in the commission of the offence.

(1A) If a court convicts a person of an offence against Part 13A, the court must order the forfeiture to the Commonwealth of any specimen used or otherwise involved in the commission of the offence.

Note: Part 13A deals with the international movement of wildlife specimens.

(2) A court may make an order under subsection (1) or (1A) even if the thing or specimen has been seized under this Act or taken into possession under section 406AA or Schedule 1.

(3) If:
   (a) a specimen is seized under this Part; and
   (b) either:
      (i) a court finds a person not guilty of an offence against an environmental law in relation to the specimen; or
Section 450A

(ii) a proceeding in a court for such an offence in relation to the specimen is discontinued or dismissed; and

(c) the court is satisfied that there are reasonable grounds for suspecting that, if the specimen were released to the person from whom it was seized or to its owner, the possession of the specimen by that person would contravene a provision of an environmental law;

the court may order the forfeiture to the Commonwealth of the specimen.

(4) A reference in this section to an offence against an environmental law does not include an offence against Part VIIA of the Great Barrier Reef Marine Park Act 1975 (compulsory pilotage).

450A Court-ordered forfeiture: other situations

(1) A court may, on the application of the Secretary, order the forfeiture to the Commonwealth of a thing that is seized under this Part if the court is satisfied that the thing has been used or otherwise involved in the commission of an offence against an environmental law.

(2) Without limiting subsection (1), a court may, on the application of the Secretary, order the forfeiture to the Commonwealth of a specimen if:

(a) the specimen was seized under this Part; and

(b) either:

(i) a court has found a person not guilty of an offence against an environmental law in relation to the specimen; or

(ii) a proceeding in a court for such an offence in relation to the specimen has been discontinued or dismissed; and

(c) the court to which the Secretary applies is satisfied that there are reasonable grounds for suspecting that, if the specimen were released to the person from whom it was seized or to its owner, the possession of the specimen by that person would contravene a provision of an environmental law.
Section 450B

(3) A reference in this section to an offence against an environmental law does not include an offence against Part VIIA of the Great Barrier Reef Marine Park Act 1975 (compulsory pilotage).

450B Forfeiture of seized items by consent etc.

(1) If:

(a) a thing is seized under this Part; and

(b) the owner of the thing agrees to transfer ownership of the thing to the Commonwealth, either:

(i) unconditionally; or

(ii) in the event that a future contingency happens; and

(c) if subparagraph (b)(ii) applies—that contingency happens;

then:

(d) the thing becomes the property of the Commonwealth; and

(e) the provisions of this Part relating to forfeiture apply as if the thing had been forfeited to the Commonwealth under this Act.

(2) If:

(a) a thing is seized under this Part; and

(b) the owner of the thing agrees to transfer ownership of the thing to the Commonwealth in the event that a future contingency happens;

the Secretary may retain the thing:

(c) until the thing becomes the property of the Commonwealth; or

(d) if the thing does not become the property of the Commonwealth—until the end of the last day on which that contingency could happen.

(3) Subsection (2) has effect despite anything in section 438, 444G, 446, 456AB or 456AC.
Section 451

451 Dealings in forfeited items

(1) A thing forfeited to the Commonwealth under this Act becomes the property of the Commonwealth.

(2) A thing forfeited to the Commonwealth under this Act is to be dealt with in such manner as the Secretary considers appropriate.

(3) Without limiting subsection (2), the Secretary may sell a thing forfeited to the Commonwealth under this Act.

(4) The Secretary must not sell a specimen forfeited to the Commonwealth under this Act unless, in the opinion of the Secretary, the buyer will use the specimen for scientific or educational purposes.

452 Delivery of forfeited items to the Commonwealth

(1) If:
   (a) a thing is forfeited to the Commonwealth under this Act; and
   (b) the thing has not been dealt with under section 451; and
   (c) the thing is in the possession, custody or control of a person other than:
       (i) the Commonwealth; or
       (ii) an agency of the Commonwealth; and
   (d) the Secretary requests the person to deliver the thing to the Secretary;

the person must deliver the thing to the Secretary.

(2) A person must not contravene subsection (1).

Penalty: Imprisonment for 2 years.
Subdivision F—Keeping of organisms or specimens that have been seized

453 Keeping of organisms or specimens retained under this Part

If a person is authorised under this Part to retain an organism or specimen, the person may do so by causing the organism or specimen to be taken to, and kept at, a place approved by the Secretary for the purpose of keeping organisms or specimens seized under this Division.

454 Recovery of costs of storing or keeping organisms or specimens

(1) If an organism or specimen is seized under this Division, the owner is liable to pay to the Commonwealth an amount equal to the sum of the following costs:
   (a) reasonable costs incurred by the Commonwealth in relation to the custody of the organism or specimen;
   (b) reasonable costs incurred by the Commonwealth in transporting the organism or specimen;
   (c) reasonable costs incurred by the Commonwealth in maintaining the organism or specimen.

(2) If:
   (a) an organism or specimen is seized under this Division; and
   (b) the organism or specimen is disposed of;
the owner is liable to pay to the Commonwealth an amount equal to the reasonable costs incurred by the Commonwealth in disposing of the organism or specimen.

(3) An amount payable by a person under this section is a debt due by the person to the Commonwealth.

(4) An amount payable by a person to the Commonwealth under this section may be recovered by action in a court of competent jurisdiction.
(5) The Secretary may remit an amount payable by a person under this section.

(6) In addition to its effect apart from this subsection, this section also has the effect it would have if a liability under this section were, by express provision, confined to the case of an organism or specimen that:

(a) is forfeited to the Commonwealth under this Act; or
(b) would have been forfeited to the Commonwealth under this Act if it had not been disposed of.

Subdivision G—Rescuing things

455 Rescuing things

A person commits an offence punishable upon conviction by imprisonment for a term not exceeding 2 years if:

(a) the person rescues any thing; and
(b) the thing has been, or is about to be, seized under this Act.

456 Breaking or destroying things or documents to prevent seizure etc.

A person must not:

(a) stave, break or destroy any thing in order to prevent the seizure of a thing, the securing of a thing, or the proof of any offence under an environmental law; or
(b) destroy any documents relating to any thing in order to prevent the seizure of a thing, the securing of a thing, or the proof of any offence under an environmental law.

Penalty: Imprisonment for 2 years.
Subdivision H—Seizure of cages or containers

456AA Power to seize cages or containers containing seizable things

(1) This section applies if:
   (a) an authorised officer has power to seize a thing (a seizable thing) under another provision of this Part; and
   (b) the seizable thing is in a cage or container; and
   (c) the authorised officer considers that it is not reasonably practicable to seize the seizable thing without also seizing the cage or container.

(2) For the purpose of seizing the seizable thing and despite any other provision of this Part, the authorised officer may seize the cage or container containing the seizable thing (whether or not the cage or container also contains any other thing).

(3) The seizure of the seizable thing is taken to occur under the provision mentioned in paragraph (1)(a) (not under this section).

Note: The provisions governing the retention and return of the seizable thing are therefore the provisions that usually govern the seizure of a thing under the provision mentioned in paragraph (1)(a).

(4) If:
   (a) an authorised officer seizes a cage or container; and
   (b) the seizure of the cage or container is authorised by this section, and is also authorised by another provision of this Part;

then the seizure is taken be under this section, rather than under that other provision (subject to subsection 456AB(5)).

456AB Retention of seized cage or container

(1) This section applies to a cage or container that is seized under section 456AA because it contains a seizable thing.
(2) The cage or container may be retained for so long as an authorised officer considers that it is reasonably necessary to retain it for the purpose of housing the seizable thing.

(3) As soon as practicable after the end of the period during which the cage or container may be retained under subsection (2), the Secretary must cause reasonable steps to be taken to return the cage or container to the person from whom it was seized (or to the owner if that person is not entitled to possess it).

(4) Subsection (3) does not apply if:
   (a) the seizure was also authorised by another provision of this Part (the other seizure provision), as mentioned in subsection 456AA(4)); or
   (b) the cage or container is forfeited or forfeitable to the Commonwealth; or
   (c) the cage or container has been dealt with under this Part, or as otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory), in a way that means the Secretary is not in a position to cause reasonable steps to be taken to return the cage or container; or
   (d) the Commonwealth, the Secretary or an authorised officer is otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory) to retain, destroy, dispose of or otherwise deal with the cage or container.

(5) If, because of paragraph (4)(a), the cage or container does not have to be returned at the end of the period referred to in subsection (3), this Part then applies in relation to the cage or container as if, at the end of that period, it had been seized under the other seizure provision.

456AC Retention of non-seizable things contained in seized cages or containers

(1) This section applies if:
   (a) a cage or container is seized under section 456AA because it contains a seizable thing; and
(b) the cage or container also contains a thing (a non-seizable thing) that is not a seizable thing.

(2) The non-seizable thing may be retained until it is reasonably practicable to return the thing to the person from whom it was seized (or to the owner if that person is not entitled to possess it).

(3) As soon as practicable after the end of the period during which the non-seizable thing may be retained under subsection (2), the Secretary must cause reasonable steps to be taken to return the thing to the person from whom it was seized (or to the owner if that person is not entitled to possess it).

(4) Subsection (3) does not apply if:
   (a) the non-seizable thing is forfeited or forfeitable to the Commonwealth; or
   (b) the non-seizable thing has been dealt with under this Part, or as otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory), in a way that means the Secretary is not in a position to cause reasonable steps to be taken to return the thing; or
   (c) the Commonwealth, the Secretary or an authorised officer is otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory) to retain, destroy, dispose of or otherwise deal with the non-seizable thing.
Division 12—Environmental audits

458 Directed environmental audits

(1) The Minister may, by written notice given to the holder of an environmental authority, require the holder to carry out an environmental audit if the Minister believes or suspects on reasonable grounds:
   (a) that the holder has contravened, or is likely to contravene, a condition of the authority; or
   (b) the impacts that the action authorised by the authority has, has had or is likely to have on the matter dealt with by the provision for which the authority authorises the action are significantly greater than was indicated in the information available to the Minister when the authority was granted.

(2) The notice must specify:
   (a) the matters to be covered by the audit; and
   (b) the form of the audit report and the kinds of particulars it is to contain; and
   (c) the date on or before which the report must be given to the Minister.

(3) Without limiting the matters that may be specified under paragraph (2)(a), those matters may include all or any of the following:
   (a) an evaluation of the nature of the environment that is or will be affected by the holder’s activities; and
   (b) an assessment of the risks to the environment resulting from the activities; and
   (c) an assessment of the holder’s existing capacity to comply with the authority and the requirements of this Act and the regulations in carrying on the activities; and
   (d) an assessment of what the holder will need to do, or continue to do, so to comply.
(4) For the purposes of this Act, an *environmental authority* is:
   (a) an approval under Part 9; or
   (b) a permit issued under Chapter 5.

### 459 Appointment of auditor and carrying out of audit

(1) If the Minister gives the holder of an environmental authority a notice under section 458, the holder must appoint an environmental auditor and arrange for the auditor to carry out an environmental audit in accordance with the notice.

(2) The holder of an environmental authority must not contravene subsection (1).

   Civil penalty: 500 penalty units.

(3) The holder must not appoint an officer or employee of the holder to be an environmental auditor.

(4) The holder must not appoint a person to be an environmental auditor unless the Minister has approved the person for such appointment before the appointment is made.

(5) An appointment of a person as an environmental auditor made otherwise than in accordance with subsections (3) and (4) has no effect.

### 460 Nature of directed environmental audit

(1) If:
   (a) an environmental auditor carries out a directed environmental audit; and
   (b) in the course of carrying out the audit, the auditor does not deal with a particular matter; and
   (c) the matter is specified in the Minister’s notice under section 458 as a matter that is to be covered by the audit; the auditor commits an offence, punishable on conviction by a fine not exceeding 30 penalty units.
Section 461

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibilities.

(2) If:
   
   (a) an environmental auditor carries out a directed environmental audit; and
   
   (b) in the course of carrying out the audit, the auditor conceals, or does not take into account, any information or document; and
   
   (c) the information or document is relevant to the audit;

   the auditor commits an offence punishable on conviction by imprisonment for not more than 6 months.

Note 1: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

Note 2: Subsection 4B(2) of the *Crimes Act 1914* lets a court that convicts an individual of an offence impose a fine instead of, or as well as, imprisonment. The maximum fine (in penalty units) the court can impose is 5 times the maximum term of imprisonment (in months).

(3) In carrying out a directed environmental audit, the environmental auditor may, if:

   (a) an environmental audit (including an environmental audit carried out in accordance with a condition of the relevant authority) was completed within the last preceding 2 years; and

   (b) the auditor is satisfied that the previous audit is still relevant; have regard to the results of the previous audit.

(4) For the purposes of this Act, a *directed environmental audit* is an audit required by a notice under section 458.

461 Audit reports

(1) After completing a directed environmental audit, the environmental auditor must prepare, and give the holder of the relevant environmental authority, a written report setting out the results of the audit.

(2) The holder must give the report to the Minister:
(a) on or before the date specified by the Minister under paragraph 458(2)(c); or
(b) on or before such later date as the Minister, on application by the holder, determines.

(3) If the holder fails to comply with subsection (2), the holder commits an offence, punishable on conviction by a fine not exceeding 50 penalty units.

Note: Chapter 2 of the Criminal Code sets out the general principles of criminal responsibilities.

(4) If:
(a) the environmental auditor includes a statement in the report; and
(b) the statement is false or misleading in a material particular; the auditor commits an offence punishable on conviction by imprisonment for not more than 6 months.

Note 1: Chapter 2 of the Criminal Code sets out the general principles of criminal responsibility.

Note 2: Subsection 4B(2) of the Crimes Act 1914 lets a court that convicts an individual of an offence impose a fine instead of, or as well as, imprisonment. The maximum fine (in penalty units) the court can impose is 5 times the maximum term of imprisonment (in months).

462 Directed environmental audits do not affect other audit obligations

This Division does not affect any obligation of a holder of an environmental authority to carry out an environmental audit in accordance with a condition of the authority.

Division 13—Conservation orders

Subdivision A—Simplified outline

463  Simplified outline of this Division

The following is a simplified outline of this Division:

| The Minister may make conservation orders controlling activities, and requiring specified people to take specified actions, in Commonwealth areas to protect listed threatened species or ecological communities. |
| A person who contravenes a conservation order commits an offence. |
| Before the Minister makes a conservation order, he or she must consult various Commonwealth agencies. |
| The Secretary must publicise conservation orders, and may give assistance to a person to comply with a conservation order. |

Subdivision B—Making and reviewing conservation orders

464  Minister may make conservation orders

Making conservation orders

(1) The Minister may make a written order (a conservation order):

(a) prohibiting or restricting specified activities on or in:
   (i) all Commonwealth areas; or
   (ii) specified Commonwealth areas; or

(b) requiring specified persons to take specified action on or in:
   (i) all Commonwealth areas; or
   (ii) specified Commonwealth areas.
Section 465

Note: Section 470 makes contravening a conservation order an offence.

Prerequisite to making conservation order

(2) The Minister may only make a conservation order if he or she reasonably believes that it is necessary to make the order to protect a listed threatened species or a listed threatened ecological community.

Minister must consider economic and social matters

(3) In considering whether to make a conservation order, the Minister must be satisfied that making the order is justified, having regard to economic and social considerations that are consistent with the principles of ecologically sustainable development.

Minister must consult before making conservation order

(4) Before making a conservation order, the Minister:
   (a) must seek the Secretary’s advice on whether it should be made; and
   (b) must consult each Commonwealth agency that may be affected by the order, and any other Commonwealth agency the Minister thinks appropriate, unless delay in making the order would result in significant, irreparable damage to a listed threatened species or listed threatened ecological community.

465 Duration of conservation orders

(1) A conservation order comes into force:
   (a) if a commencement day is specified in the order—on that day; or
   (b) otherwise—immediately after it is made.

(2) The order remains in force:
   (a) for the period (if any) specified in the order; or
   (b) until it is revoked by the Minister.
466 Reviews of conservation orders

(1) The Minister must:
   (a) at intervals of not more than 5 years, review the conservation order; and
   (b) after each review, confirm, vary or revoke the order by instrument in writing.

(2) Before reviewing the order, the Minister must seek the Secretary’s advice on the review.

(3) The Minister must not revoke the order unless he or she is satisfied that the order is no longer needed to protect the listed threatened species or listed threatened ecological community the order was made to protect.

(4) The Minister must not vary the order unless he or she is satisfied that the order as varied adequately protects the listed threatened species or listed threatened ecological community the order was first made to protect.

(5) Immediately after a variation of the order, the order continues in force as so varied.

467 Publication of conservation orders

(1) As soon as practicable after making or reviewing a conservation order, the Minister must cause the Secretary to be informed of the making of the order, or the decision on the review, as the case requires.

(2) The Secretary must, as soon as practicable after being so informed:
   (a) cause to be published in the Gazette, in a daily newspaper circulating in each State or self-governing Territory in which are located Commonwealth areas to which the order relates and in any other way required by the regulations, a notice containing:
      (i) a copy of the order; and
Section 468

(ii) a statement to the effect that contravention of the order is an offence against this Act; and

(iii) if applicable, a statement of the decision on the review; and

(iv) a statement to the effect that a person affected by the order may apply to the Minister, within 28 days of the publication (or within such further period as the Minister allows), for a reconsideration of the order by the Minister; and

(b) take all reasonable steps to ensure that each person who the Secretary knows would be affected by the order is given a notice containing:

(i) a copy of the order; and

(ii) if applicable, a statement of the decision on the review; and

(iii) unless the person is a Commonwealth agency or an agency of a State or self-governing Territory—a statement to the effect that contravention of the order is an offence against this Act; and

(iv) a statement to the effect that the person may apply to the Minister, within 28 days of being given the notice (or within such further period as the Minister allows), for a reconsideration of the order by the Minister.

(3) Failure to comply with this section does not affect the validity of the order.

468 Application for reconsideration of conservation orders or decisions on review

(1) A person affected by a conservation order, or by the decision on a review of a conservation order, may apply to the Minister to reconsider the order or the decision, as the case requires.

(2) The application must be in writing.

(3) Subject to subsection (4), the application must be made within 28 days, or within such further period as the Minister allows, after the

Environment Protection and Biodiversity Conservation Act 1999

Compilation No. 51
Compilation date: 1/7/16
Registered: 12/7/16
Section 469

publication under paragraph 467(2)(a) of the notice relating to the making of the order or conduct of the review.

(4) If the person is given a copy of the order after that publication, the period of 28 days within which that person must make the application is taken to commence on the day on which the person received the notice.

469 Reconsideration of conservation orders and decisions on review

(1) Upon receiving the application, the Minister must:
   (a) seek the Secretary’s advice on the application; and
   (b) reconsider the conservation order or the decision on review, as the case requires; and
   (c) by written instrument:
      (i) confirm, vary or revoke the order; or
      (ii) confirm or vary the decision on review; and
   (d) cause the Secretary to be informed accordingly.

(2) As soon as practicable after being so informed, the Secretary must:
   (a) notify the applicant in writing of the result of the reconsideration; and
   (b) if the order is revoked or varied or the decision on review is varied—cause to be published in the Gazette, and in any other way required by the regulations, a notice:
      (i) stating that fact; and
      (ii) in the case of a variation—setting out a copy of the order or decision as so varied.

(3) Immediately after a variation of the order, the order continues in effect as so varied.
Subdivision C—Complying with conservation orders

470 Contravening conservation orders is an offence

(1) A person must not take an action reckless as to whether the action contravenes a conservation order.

Penalty: 500 penalty units.

(2) If a person believes that taking an action that he or she proposes to take may contravene a particular conservation order, the person may seek the Minister’s advice under subsection 471(3) on whether the order would be contravened by taking that action.

(3) The person does not contravene the order if he or she acts in accordance with advice given to him or her under subsection 471(3) to the effect that the order would not be contravened.

471 Minister to consider proposed actions etc.

(1) This section applies to a proposed action if it is referred to the Minister under section 470 for the Minister’s advice on whether it would contravene a conservation order.

(2) A person who proposes to take the action may make written submissions to the Minister about the proposed action.

(3) The Minister must:

(a) refer the proposed action, together with any submissions received by the Minister about the proposed action, to the Secretary; and

(b) after considering the Secretary’s advice on the matter, give the person who sought the Minister’s advice under section 470 a written notice of the minister’s advice on the proposed action.
472 Contents of notices of advice

(1) The notice of advice must state whether the Minister thinks that the proposed action would contravene a conservation order.

(2) If the decision to give the advice was not made personally by the Minister and the notice of advice is given to a person who is not a Commonwealth agency, the notice must include:
   (a) a statement to the effect that, if the person is dissatisfied with the decision to give that advice, application may, subject to the Administrative Appeals Tribunal Act 1975, be made to the Administrative Appeals Tribunal for review of the decision; and
   (b) a statement to the effect that the person may request a statement under section 28 of that Act in relation to the decision.

473 Review by the Administrative Appeals Tribunal

(1) Subject to subsections (1A) and (2), applications may be made to the Administrative Appeals Tribunal for review of the decision to give the advice.

(1A) Subsection (1) does not apply to a decision made personally by the Minister (but the subsection does apply to a decision made by a delegate of the Minister).

(2) Despite section 27 of the Administrative Appeals Tribunal Act 1975, applications are not to be made by or on behalf of Commonwealth agencies.

474 Assistance in complying with conservation orders

(1) On behalf of the Commonwealth, the Secretary may provide assistance to a person (other than a Commonwealth agency) to comply with prohibitions, restrictions or requirements imposed on a person by a conservation order.

(2) The assistance may take any one or more of the following forms:
(a) payment of money;
(b) provision of goods;
(c) provision of labour;
(d) provision of other services.

(3) The value of the assistance must not exceed that which the Secretary thinks are the reasonable and direct costs of complying with the prohibitions, restrictions or requirements in question.

(4) Assistance given under this section must be taken into account in determining compensation payable under section 519.
Division 14—Injunctions

475 Injunctions for contravention of the Act

Applications for injunctions

(1) If a person has engaged, engages or proposes to engage in conduct consisting of an act or omission that constitutes an offence or other contravention of this Act or the regulations:

(a) the Minister; or
(b) an interested person (other than an unincorporated organisation); or
(c) a person acting on behalf of an unincorporated organisation that is an interested person;

may apply to the Federal Court for an injunction.

Prohibitory injunctions

(2) If a person has engaged, is engaging or is proposing to engage in conduct constituting an offence or other contravention of this Act or the regulations, the Court may grant an injunction restraining the person from engaging in the conduct.

Additional orders with prohibitory injunctions

(3) If the court grants an injunction restraining a person from engaging in conduct and in the Court’s opinion it is desirable to do so, the Court may make an order requiring the person to do something (including repair or mitigate damage to the environment).

Mandatory injunctions

(4) If a person has refused or failed, or is refusing or failing, or is proposing to refuse or fail to do an act, and the refusal or failure did, does or would constitute an offence or other contravention of this Act or the regulations, the Court may grant an injunction requiring the person to do the act.
Interim injunctions

(5) Before deciding an application for an injunction under this section, the Court may grant an interim injunction:
   (a) restraining a person from engaging in conduct; or
   (b) requiring a person to do an act.

Meaning of interested person—individuals

(6) For the purposes of an application for an injunction relating to conduct or proposed conduct, an individual is an interested person if the individual is an Australian citizen or ordinarily resident in Australia or an external Territory, and:
   (a) the individual’s interests have been, are or would be affected by the conduct or proposed conduct; or
   (b) the individual engaged in a series of activities for protection or conservation of, or research into, the environment at any time in the 2 years immediately before:
      (i) the conduct; or
      (ii) in the case of proposed conduct—making the application for the injunction.

Meaning of interested person—organisations

(7) For the purposes of an application for an injunction relating to conduct or proposed conduct, an organisation (whether incorporated or not) is an interested person if it is incorporated (or was otherwise established) in Australia or an external Territory and one or more of the following conditions are met:
   (a) the organisation’s interests have been, are or would be affected by the conduct or proposed conduct;
   (b) if the application relates to conduct—at any time during the 2 years immediately before the conduct:
      (i) the organisation’s objects or purposes included the protection or conservation of, or research into, the environment; and
(ii) the organisation engaged in a series of activities related to the protection or conservation of, or research into, the environment;

(c) if the application relates to proposed conduct—at any time during the 2 years immediately before the making of the application:

(i) the organisation’s objects or purposes included the protection or conservation of, or research into, the environment; and

(ii) the organisation engaged in a series of activities related to the protection or conservation of, or research into, the environment.

### 476 Injunctions for contraventions of conservation agreements

**Applications for injunctions**

(1) If a person bound by a conservation agreement engages or proposes to engage in conduct consisting of an act or omission that constitutes a contravention of the agreement, another person bound by the agreement or the Minister may apply to the Federal Court for an injunction.

Note: Section 307 explains who is bound by a conservation agreement.

**Prohibitory injunctions**

(2) If a person has engaged, is engaging or is proposing to engage in conduct contravening the agreement, the Court may grant an injunction restraining the person from engaging in the conduct.

**Additional orders with prohibitory injunctions**

(3) If the court grants an injunction restraining a person from engaging in conduct and in the Court’s opinion it is desirable to do so, the Court may make an order requiring the person to do something (including repair or mitigate damage to the environment).
**Mandatory injunctions**

(4) If a person has refused or failed, or is refusing or failing, or is proposing to refuse or fail to do an act, and the refusal or failure was, is or would be a contravention of the agreement, the Court may grant an injunction requiring the person to do the act.

**Interim injunctions**

(5) Before deciding an application for an injunction under this section the Court may grant an interim injunction:

(a) restraining a person from engaging in conduct; or

(b) requiring a person to do an act.

**477 Discharge of injunctions**

On application, the Federal Court may discharge or vary an injunction.

**479 Certain considerations for granting injunctions not relevant**

**Prohibitory injunctions**

(1) The Federal Court may grant an injunction restraining a person from engaging in conduct:

(a) whether or not it appears to the Court that the person intends to engage again, or to continue to engage, in conduct of that kind; and

(b) whether or not the person has previously engaged in conduct of that kind; and

(c) whether or not there is a significant risk of injury or damage to human beings or the environment if the person engages, or continues to engage, in conduct of that kind.

**Mandatory injunctions**

(2) The Federal Court may grant an injunction requiring a person to do a particular act or thing:
Section 480

(a) whether or not it appears to the Court that the person intends to refuse or fail again, or to continue to refuse or fail, to do the act or thing; and

(b) whether or not the person has previously refused or failed to do the act or thing; and

(c) whether or not there is a significant risk of injury or damage to human beings or the environment if the person refuses or fails, or continues to refuse or fail, to do the act or thing.

480 Powers conferred are in addition to other powers of the Court

The powers conferred on the Federal Court by this Division are in addition to (and do not limit) any other powers of the Court.
Division 14A—Federal Court’s power to make remediation orders

480A Remediation orders

(1) If, after the commencement of this section, a person has engaged, or is engaging, in conduct constituting an offence or other contravention of this Act or the regulations, the Federal Court may make an order (a remediation order) requiring the person to take action (the remediation action) to repair or mitigate damage that may or will be, or that has been, caused to the environment by the contravention.

(2) In considering whether to grant a remediation order, the matters to which the Federal Court may have regard include (but are not limited to) the following:

   (a) the nature and extent of the contravention;
   (b) the nature and extent of the damage to the environment that may or will be, or that has been, caused by the contravention;
   (c) the circumstances in which the contravention took place;
   (d) whether the person has previously been found by a court in proceedings under this Act or the regulations to have engaged in any similar conduct;
   (e) the cost to the person of taking the remediation action.

(3) The description in a remediation order of the remediation action may either be in general terms (for example, requiring the person to take whatever action is necessary to repair or mitigate the damage), or it may require the person to take particular action to repair or mitigate the damage.

(4) If the Federal Court makes a remediation order, it may also make an order requiring the person to provide security for the due taking of the remediation action.

(5) Application to the Federal Court for a remediation order may only be made by the Minister.
Section 480B

**480B Discharge of remediation orders**

On application by the Minister, the Federal Court may discharge or vary a remediation order.

**480C Powers conferred are in addition to other powers of the Court**

The powers conferred on the Federal Court by this Division are in addition to (and do not limit) any other powers of the Court.
Division 14B—Minister’s power to make remediation determinations

Subdivision A—Making of remediation determinations

480D Minister may make remediation determination

(1) If:

(a) the Minister considers that an action taken by a person after the commencement of this section contravened a civil penalty provision of Part 3; and
(b) the Minister considers it desirable to make an order under this section in relation to the action;

the Minister may make a written determination (a remediation determination) requiring the person to take action to repair or mitigate damage that may or will be, or that has been, caused by the contravention, to the matter protected by the provision of Part 3.

(2) The Minister cannot make a remediation determination at a time that is more than 6 years after the time when the person took the action referred to in paragraph (1)(a).

(3) A remediation determination is not a legislative instrument.

480E Contents of a remediation determination

(1) A remediation determination must specify the following:

(a) the person (the specified person) referred to in paragraph 480D(1)(a);
(b) the action (the specified action) referred to in that paragraph;
(c) the civil penalty provision (the specified civil penalty provision) of Part 3 referred to in that paragraph;
(d) the action (the remediation action) that the person is required to take.

   (b) require action to be taken at, or by, a specified time;
   (c) require a specified industry standard or code of practice to be complied with in taking action;
   (d) require the taking of reasonable steps to obtain any Commonwealth, State or Territory approval or authority needed to carry out action;
   (e) require the preparation, and submission to the Minister for approval, of a plan for taking action, and require action to be taken in accordance with the plan as approved by the Minister;
   (f) require the spending of a specified amount of money on the taking of action;
   (g) require the payment to a specified person of a specified amount or money, for the purpose of activities directed towards the protection and conservation of the matter protected by the specified civil penalty provision;
   (h) require the payment to the Commonwealth of a specified amount of money as security for the due taking of action;
   (i) provide for monitoring, auditing, or reporting to the Minister, in relation to the taking of action.

(3) A remediation determination must contain a statement to the effect that the specified person may apply for a reconsideration of the determination under section 480J.

480F Notifying owners and occupiers of land of proposed remediation determination

(1) Before the Minister makes a remediation determination that requires action to be taken on land that is not owned or occupied by the person proposed to be specified in the order, the Minister must:
   (a) take all practicable steps to identify each person who is an owner or occupier of all or part of the land; and
(b) take all practicable steps to advise each person identified of the remediation determination that the Minister proposes to make; and
(c) give persons advised at least 20 business days to comment in writing to the Minister on the proposed remediation determination.

(2) The Minister must take the comments into account in deciding whether to make the proposed remediation determination.

### 480G Notifying that remediation determination has been made

As soon as practicable after a remediation determination is made, the Minister must:
(a) give the specified person a copy of the determination; and
(b) take all practicable steps to advise each person identified as mentioned in paragraph 480F(1)(a) of the making of the remediation determination.

### 480H Duration of remediation determinations

(1) A remediation determination comes into force:
(a) if a commencement day is specified in the determination (not being a day before paragraph 480G(a) is complied with)—on that day; or
(b) otherwise—when paragraph 480G(a) is complied with.

(2) The determination remains in force:
(a) for the period (if any) specified in the order; or
(b) until it is set aside by the Federal Court under Subdivision B or it is revoked by the Minister under Subdivision D.

### 480J Ministerial reconsideration of remediation determinations

(1) Within 20 days after receiving a copy of a remediation determination as required by paragraph 480G(a), the specified person may apply to the Minister for a reconsideration of the determination.
Section 480K

(2) On receipt of an application for reconsideration of a remediation determination, the Minister may affirm, vary or set aside the determination.

(3) The Minister may take account of information and comments from any source the Minister considers appropriate in deciding what action to take in relation to an application under this section.

(4) The Minister must:
   (a) advise the specified person of the Minister’s decision in relation to an application under this section; and
   (b) take all practicable steps to advise each person identified as mentioned in paragraph 480F(1)(a) of the Minister’s decision in relation to an application under this section.

Subdivision B—Federal Court may set aside remediation determination

480K Applying to Federal Court to have remediation determination set aside

(1) Within 28 days after any of the following:
   (a) the specified person receives a copy of a remediation determination as required by paragraph 480G(a); or
   (b) a remediation determination is affirmed or varied under section 480J; or
   (c) a remediation determination is varied by the Minister under Subdivision D;
      the specified person may apply to the Federal Court to have the remediation determination set aside.

(2) On an application under subsection (1), the Federal Court must set aside the remediation determination if the Court is satisfied that:
   (a) the specified action did not occur; or
   (b) the specified person did not take the specified action; or
   (c) the specified action was not a contravention of the specified civil penalty provision; or
(d) the remediation action is not a reasonable measure to repair or mitigate damage that may or will be, or that has been, caused by the specified action to the matter protected by the specified civil penalty provision.

(3) In considering whether the remediation determination is a reasonable measure to repair or mitigate damage that may or will be, or that has been, caused by the specified action to the matter protected by the specified civil penalty provision, the Federal Court must have regard to the following:

(a) the nature and extent of the specified action;
(b) the nature and extent of the damage to the environment that may or will be, or that has been, caused by the specified action to the matter protected by the specified civil penalty provision;
(c) the circumstances in which the specified action took place;
(d) whether the specified person has previously been found by a court in proceedings under this Act or the regulations to have engaged in any similar conduct;
(e) the cost to the specified person of taking the remediation action.

The Federal Court may also have regard to any other matters it considers relevant.

(4) The Federal Court must not set aside the remediation determination unless it is satisfied as mentioned in subsection (2).

Subdivision C—Complying with remediation determinations

480L Federal Court may order compliance with remediation determination

(1) If the Minister considers that the specified person has contravened a remediation determination, the Minister may apply to the Federal Court for an order under subsection (2).
Section 480M

(2) If the Federal Court is satisfied that the specified person has contravened a remediation determination, the Court may make one or more of the following orders:
   (a) an order directing the specified person to comply with the remediation determination;
   (b) any other order that the Court considers appropriate.

480M Civil penalty for contravention of remediation determination

(1) The specified person must not contravene a remediation determination.

(2) Subsection (1) is a civil penalty provision. Under section 481, the Federal Court may order the specified person to pay a pecuniary penalty not more than the pecuniary penalty the Court could order the person to pay under that section for a contravention of the specified civil penalty provision.

Subdivision D—Variation or revocation of remediation determinations

480N Variation or revocation of remediation determination

(1) The Minister may, in writing, vary or revoke a remediation determination.

(2) Sections 480F and 480G apply in relation to the variation or revocation of a remediation determination in the same way as they apply in relation to the making of a remediation determination.
Division 15—Civil penalties

Subdivision A—Obtaining an order for a civil penalty

481 Federal Court may order person to pay pecuniary penalty for contravening civil penalty provision

Application for order

(1) Within 6 years of a person (the wrongdoer) contravening a civil penalty provision, the Minister may apply on behalf of the Commonwealth to the Federal Court for an order that the wrongdoer pay the Commonwealth a pecuniary penalty.

Court may order wrongdoer to pay pecuniary penalty

(2) If the Court is satisfied that the wrongdoer has contravened a civil penalty provision, the Court may order the wrongdoer to pay to the Commonwealth for each contravention the pecuniary penalty that the Court determines is appropriate (but not more than the relevant amount specified for the provision).

Determining amount of pecuniary penalty

(3) In determining the pecuniary penalty, the Court must have regard to all relevant matters, including:
   (a) the nature and extent of the contravention; and
   (b) the nature and extent of any loss or damage suffered as a result of the contravention; and
   (c) the circumstances in which the contravention took place; and
   (d) whether the person has previously been found by the Court in proceedings under this Act to have engaged in any similar conduct.
Conduct contravening more than one civil penalty provision

(4) If conduct constitutes a contravention of 2 or more civil penalty provisions, proceedings may be instituted under this Act against a person in relation to the contravention of any one or more of those provisions. However, the person is not liable to more than one pecuniary penalty under this section in respect of the same conduct.

482 What is a civil penalty provision?

A subsection of this Act (or a section of this Act that is not divided into subsections) is a civil penalty provision if:

(a) the words “civil penalty” and one or more amounts in penalty units are set out at the foot of the subsection (or section); or

(b) another provision of this Act specifies that the subsection (or section) is a civil penalty provision.

483 Contravening a civil penalty provision is not an offence

A contravention of a civil penalty provision is not an offence.

484 Persons involved in contravening civil penalty provision

(1) A person must not:

(a) aid, abet, counsel or procure a contravention of a civil penalty provision; or

(b) induce (by threats, promises or otherwise) a contravention of a civil penalty provision; or

(c) be in any way directly or indirectly knowingly concerned in, or party to, a contravention of a civil penalty provision; or

(d) conspire to contravene a civil penalty provision.

(2) This Division applies to a person who contravenes subsection (1) in relation to a civil penalty provision as if the person had contravened the provision.
485 Recovery of a pecuniary penalty

If the Federal Court orders a person to pay a pecuniary penalty:
(a) the penalty is payable to the Commonwealth; and
(b) the Commonwealth may enforce the order as if it were a judgment of the Court.

Subdivision B—Civil penalty proceedings and criminal proceedings

486A Civil proceedings after criminal proceedings

The Federal Court must not make a pecuniary penalty order against a person for a contravention of a civil penalty provision if the person has been convicted of an offence constituted by conduct that is substantially the same as the conduct constituting the contravention.

486B Criminal proceedings during civil proceedings

(1) Proceedings for a pecuniary penalty order against a person for a contravention of a civil penalty provision are stayed if:
(a) criminal proceedings are started or have already been started against the person for an offence; and
(b) the offence is constituted by conduct that is substantially the same as the conduct alleged to constitute the contravention.

(2) The proceedings for the order may be resumed if the person is not convicted of the offence. Otherwise, the proceedings for the order are dismissed.

486C Criminal proceedings after civil proceedings

Criminal proceedings may be started against a person for conduct that is substantially the same as conduct constituting a contravention of a civil penalty provision regardless of whether a pecuniary penalty order has been made against the person.
Section 486D

486D Evidence given in proceedings for penalty not admissible in criminal proceedings

Evidence of information given or evidence of production of documents by an individual is not admissible in criminal proceedings against the individual if:

(a) the individual previously gave the evidence or produced the documents in proceedings for a pecuniary penalty order against the individual for a contravention of a civil penalty provision (whether or not the order was made); and

(b) the conduct alleged to constitute the offence is substantially the same as the conduct that was claimed to constitute the contravention.

However, this does not apply to a criminal proceeding in respect of the falsity of the evidence given by the individual in the proceedings for the pecuniary penalty order.

Subdivision C—Enforceable undertakings relating to contraventions of Part 3 civil penalty provisions

486DA Acceptance of undertakings relating to contraventions of Part 3 civil penalty provisions

(1) This section applies if the Minister considers that an action taken by a person after the commencement of this section contravened a civil penalty provision of Part 3.

(2) The Minister may accept a written undertaking given by the person in relation to the action, in which the person undertakes to pay a specified amount, within a specified period:

(a) to the Commonwealth; or

(b) to some other specified person, for the purpose of activities directed towards the protection and conservation of the matter protected by the civil penalty provision referred to in subsection (1).

(3) The person may withdraw or vary the undertaking at any time, but only with the consent of the Minister.
486DB  Enforcement of undertakings

(1) If the Minister considers that a person who gave an undertaking under section 486DA has breached any of its terms, the Minister may apply to the Federal Court for an order under subsection (2).

(2) If the Federal Court is satisfied that the person has breached a term of the undertaking, the Court may make one or more of the following orders:
   (a) an order directing the person to comply with that term of the undertaking;
   (b) any other order that the Court considers appropriate.
Division 15A—Notices to produce or attend

Section 486E

486E Application of Division

(1) This Division applies if the Minister believes, on reasonable grounds, that a person is capable of giving information, or producing books, records or documents, that are relevant for the purposes of investigating or preventing:
   (a) an offence against an environmental law; or
   (b) a contravention of an environmental penalty provision.

(2) In this Division:

   official means any of the following:
   (a) the Minister;

(a) Part 13A; or

(b) the definitions of CITES I species, CITES II species and CITES III species in section 528.

(4) Subsection (3) does not affect the meaning of the expression listed threatened species when used in Part 13A.

517A Exemption for activities that might harm particular species introduced into particular areas

Provisions for which this section applies

(1) This section applies for the purposes of the provisions of the following sections:

(a) sections 18 and 18A;

(b) sections 20 and 20A;

(c) sections 196 to 196E;

(d) section 207B;

(e) sections 211 to 211E;

(f) sections 254 to 254E.

Minister may exempt carrying on of activities

(2) The Minister may, in writing, exempt from the provisions mentioned in subsection (1) the carrying on of particular activities
Section 517A

by particular persons (or a particular class of persons), in a particular area, that will or may have an impact on a particular species or its habitat. The species must be a listed threatened species, a listed migratory species or a listed marine species.

Matters Minister must be satisfied of

(3) An exemption under subsection (2) may only be given if the Minister is satisfied that:
   (a) members of the species have been, or are proposed to be, introduced into the area by or on behalf of a person (whether the person is a Commonwealth agency or otherwise); and
   (b) the purpose of the introduction, or proposed introduction, of the members of the species into the area was or is to make a contribution to the conservation of the species; and
   (c) carrying on the activities in the area will or may have an impact on members of the species, or their habitat, but any such impact would be incidental to, and not the purpose of, the activities; and
   (d) if the person referred to in paragraph (a) is not the person who is or will be primarily responsible for carrying out the activities—the person who is or will be so responsible has agreed to the introduction of the members of the species into the area.

(4) For the purpose of deciding whether to give an exemption under subsection (2), the Minister may (subject to subsection (3)):
   (a) have regard to any matters the Minister considers appropriate; and
   (b) seek, and have regard to, information or advice from any source.

What must be specified in an exemption

(5) An exemption under subsection (2) must:
   (a) specify the species to which it applies; and
   (b) specify the area to which it applies; and
   (c) specify the activities to which it applies; and
Section 517A

(d) specify the persons (or classes of persons) who, if they engage in actions that are within the activities, are covered by the exemption.

When an exemption comes into force

(6) An exemption under subsection (2) comes into force on the day the Minister gives the exemption, or on a later day specified in the exemption.

Actions covered by exemption do not contravene provisions for which this section applies

(7) While an exemption under subsection (2) is in force, an action of a person does not contravene any of the provisions mentioned in subsection (1), in so far as the provisions apply in relation to a member of the species specified as mentioned in paragraph (5)(a), if:

(a) the action occurs in the area specified as mentioned in paragraph (5)(b); and

(b) the action is within the activities specified as mentioned in paragraph (5)(c); and

(c) the person is a person, or is a member of a class of persons, specified as mentioned in paragraph (5)(d).

Note 1: If the action also has an impact on a member of another species that is not covered by an exemption under subsection (2), subsection (7) does not affect the question whether the action may contravene a provision mentioned in subsection (1), in so far as the provision applies to the other species.

Note 2: In a prosecution for an offence against a provision mentioned in subsection (1), the defendant bears an evidential burden in relation to the matters in this subsection. See subsection 13.3(3) of the Criminal Code.

Exemption is not a legislative instrument

(8) An exemption under subsection (2) is not a legislative instrument.

Definition

**Limits on approval**

(2) However, the person is not taken to be approved to carry out an identification test in relation to which section 5D of the Migration Act 1958 provides that the person is not an authorised officer (for the purposes of that Act).

Note: This is relevant to items 9 to 15 of the table in subclause (1).

**Persons specified by Secretary not approved**

(3) The Secretary may, by instrument, specify that the person is not taken to be approved:

(a) for the purposes of the provision of this Schedule; or

(b) for the purposes of carrying out under this Schedule identification tests of a type specified under
section 5D of the *Migration Act 1958* in relation to the person.

The instrument has effect according to its terms, despite subclause (1).

(4) An instrument under subclause (3) may specify one or more persons by reference to their being members of a specified class at or after a time specified in the instrument.

(5) An instrument made under subclause (3) is not a legislative instrument.
Part 2—Detaining suspected foreign offenders

Division 1—Initial detention by an authorised officer

8 Power to detain

(1) An authorised officer may detain a person in Australia or a Territory for the purposes of determining during the period of detention whether or not to charge the person with an offence against an environmental law, or an offence against section 6 of the Crimes Act 1914 relating to such an offence, if the authorised officer has reasonable grounds to believe that the person:
   (a) is not an Australian citizen or an Australian resident; and
   (b) either or both of the following:
      (i) was on a foreign vessel when it was used or otherwise involved in the commission of the offence;
      (ii) committed the offence in the Australian jurisdiction but outside the migration zone.

(2) Subclause (1) does not authorise an authorised officer to use more force in detaining a person than is reasonably necessary.

9 Relationship with Part IC of the Crimes Act 1914

(1) Part IC of the Crimes Act 1914 applies in relation to the detainee while detained under this Part as if:
   (a) he or she were a protected suspect for a Commonwealth offence for the purposes of that Part; and
   (b) an authorised officer were an investigating official for the purposes of that Part.

(2) Subclause (1) does not affect the operation of Division 2 of Part IC of the Crimes Act 1914 as it applies of its own force in relation to a person who is lawfully arrested.
Division 2—Continued detention by a detention officer

10 Detention officer may detain person already detained by authorised officer

(1) For the purposes of facilitating an authorised officer determining whether or not to charge a person with an offence against an environmental law, or an offence against section 6 of the Crimes Act 1914 relating to such an offence, a detention officer may detain the person in Australia or a Territory if the detention officer has reasonable grounds to believe that the person:

(a) has been detained by an authorised officer under Division 1; and

(b) has been presented, while detained by that authorised officer, to a detention officer for detention by a detention officer.

(2) However, the detention officer may not detain the person if the detention officer has reasonable grounds to believe that the person has ceased to be in detention since the last time the person was detained by an authorised officer under Division 1.

(3) Subclause (1) does not authorise a detention officer to use more force in detaining a person than is reasonably necessary.
Division 3—Detention on behalf of an authorised officer or detention officer

11 Detention on behalf of an authorised officer or detention officer

(1) A person is taken to be detained by an authorised officer or detention officer under this Part while the person is held, on behalf of the authorised officer or detention officer, in any of the following:
   (a) a prison or remand centre;
   (b) a police station or watch house;
   (c) a hospital or other place where the person is receiving medical treatment;
   (d) another place approved by the Minister in writing;
   (e) a vessel.

(2) This clause has effect even while the authorised officer or detention officer is not present where the person is held on behalf of the authorised officer or detention officer.

(3) An approval of a place by the Minister is not a legislative instrument.
Division 4—Moving detainees

12 Power to move detainees

(1) An authorised officer or detention officer may:

(a) take a detainee in Australia to another place in Australia or to a place in an external Territory; and

(b) take a detainee in an external Territory to another place in the Territory or to a place in Australia or another Territory.

(2) Subclause (1) does not authorise an authorised officer or detention officer to use more force than is reasonably necessary to take the detainee to the place.

(3) In exercising the power under subclause (1), the authorised officer or detention officer must have regard to all matters that he or she considers relevant, including:

(a) the administration of justice; and

(b) the welfare of the detainee.
Division 5—End of detention

13 End of detention

A detainee must be released from detention:

(a) as soon as an authorised officer or detention officer knows or reasonably believes that the detainee is an Australian citizen or an Australian resident; or

(b) at the time the detainee is brought before a magistrate following a decision to charge the detainee with an offence referred to in subclause 8(1); or

(c) at the time a decision is made not to charge the detainee with an offence referred to in that subclause; or

(d) at the end of 168 hours after the detention began; whichever occurs first.
Division 6—Offence of escaping from detention

14 Escape from detention

(1) A person commits an offence if:
   (a) the person is in detention; and
   (b) the person escapes from that detention.

(2) The offence is punishable on conviction by imprisonment for up to 2 years.
Part 3—Searching and screening detainees and screening their visitors

Division 1—Searches of detainees

15 Searches of detainees

(1) For the purposes set out in subclause (2), a detainee, and the detainee’s clothing and any property under the immediate control of the detainee, may, without warrant, be searched.

(2) The purposes for which a detainee, and the detainee’s clothing and any property under the immediate control of the detainee, may be searched under this clause are as follows:

(a) to find out whether there is hidden on the detainee’s person, in the clothing or in the property, a weapon or other thing capable of being used to inflict bodily injury or to help the detainee to escape from detention;

(b) to find out whether there is hidden on the detainee’s person, in the clothing or in the property, a document or other thing that is, or may be, evidence of:

   (i) an offence against an environmental law; or

   (ii) an offence against section 6 of the Crimes Act 1914 relating to an offence described in subparagraph (i).

(3) If, in the course of a search under this clause, a weapon or other thing referred to in paragraph (2)(a), or a document or other thing referred to in paragraph (2)(b), is found, an approved officer:

(a) may take possession of the weapon, document or other thing; and

(b) may retain the weapon, document or other thing for such time as he or she thinks necessary for the purposes of this Act, the Great Barrier Reef Marine Park Act 1975 or the Migration Act 1958.
(4) This clause does not authorise an approved officer, or another person conducting a search pursuant to subclause (5), to remove any of the detainee’s clothing, or to require a detainee to remove any of his or her clothing.

(5) A search under this clause of a detainee, and the detainee’s clothing, must be conducted by:
   (a) an approved officer of the same sex as the detainee; or
   (b) in a case where an approved officer of the same sex as the detainee is not available to conduct the search—any other person who is of the same sex and:
      (i) is requested by an approved officer; and
      (ii) agrees;
   to conduct the search.

(6) An action or proceeding, whether civil or criminal, does not lie against a person who, at the request of an approved officer, conducts a search under this clause if the person acts in good faith and does not contravene subclause (7).

(7) An approved officer or other person who conducts a search under this clause must not use more force, or subject a detainee to greater indignity, than is reasonably necessary in order to conduct the search.

(8) To avoid doubt, a search of a detainee may be conducted under this clause irrespective of whether a screening procedure is conducted in relation to the detainee under clause 16 or a strip search of the detainee is conducted under clause 17.

Note: This clause corresponds closely to section 252 of the Migration Act 1958.
Division 2—Screening of detainees

16 Power to conduct a screening procedure

(1) A screening procedure in relation to a detainee, other than a detainee to whom clause 23 applies, may be conducted by an approved officer, without warrant, to find out whether there is hidden on the detainee, in his or her clothing or in a thing in his or her possession a weapon, or other thing, capable of being used:
   (a) to inflict bodily injury; or
   (b) to help the detainee, or any other detainee, to escape from detention.

(2) An approved officer who conducts a screening procedure under this clause must not use greater force, or subject the detainee to greater indignity, than is reasonably necessary in order to conduct the screening procedure.

(3) This clause does not authorise an approved officer to remove any of the detainee’s clothing, or to require a detainee to remove any of his or her clothing.

(4) To avoid doubt, a screening procedure may be conducted in relation to a detainee under this clause irrespective of whether a search of the detainee is conducted under clause 15 or 17.

(5) In this clause:

   conducting a screening procedure, in relation to a detainee, means:
   (a) causing the detainee to walk, or to be moved, through screening equipment; or
   (b) passing hand-held screening equipment over or around the detainee or around things in the detainee’s possession; or
(c) passing things in the detainee’s possession through screening equipment or examining such things by X-ray.

*screening equipment* means a metal detector or similar device for detecting objects or particular substances.

Note: This clause corresponds closely to section 252AA of the *Migration Act 1958*. 
Division 3—Strip searches of detainees

17 Power to conduct a strip search

(1) A strip search of a detainee, other than a detainee to whom clause 23 applies, may be conducted by an approved officer, without warrant, to find out whether there is hidden on the detainee, in his or her clothing or in a thing in his or her possession a weapon, or other thing, capable of being used:

(a) to inflict bodily injury; or

(b) to help the detainee, or any other detainee, to escape from detention.

Note: Clause 18 sets out rules for conducting a strip search under this clause.

(2) A strip search of a detainee means a search of the detainee, of his or her clothing or of a thing in his or her possession. It may include:

(a) requiring the detainee to remove some or all of his or her clothing; and

(b) an examination of that clothing and of the detainee’s body (but not of the detainee’s body cavities).

(3) A strip search of a detainee may be conducted by an approved officer only if:

(a) an authorised officer or detention officer suspects on reasonable grounds that there is hidden on the detainee, in his or her clothing or in a thing in his or her possession a weapon or other thing described in subclause (1); and

(b) the authorised officer, or detention officer, referred to in paragraph (a) suspects on reasonable grounds that it is necessary to conduct a strip search of the detainee to recover that weapon or other thing; and

(c) the strip search is authorised as follows:

(i) if the detainee is at least 18—the Secretary, the Director, the Chairperson of the Great Barrier Reef Marine Park Authority or an SES Band 3 employee in
the Department (who is not the authorised officer referred to in paragraphs (a) and (b) nor the approved officer conducting the strip search), authorises the strip search because he or she is satisfied that there are reasonable grounds for those suspicions;

(ii) if the detainee is at least 10 but under 18—a magistrate orders the strip search because he or she is satisfied that there are reasonable grounds for those suspicions.

(4) An authorised officer or detention officer may form a suspicion on reasonable grounds for the purposes of paragraph (3)(a) on the basis of:

(a) a search conducted under clause 15 (whether by that authorised officer or detention officer or by another authorised officer or detention officer); or

(b) a screening procedure conducted under clause 16 (whether by that authorised officer or detention officer or by another authorised officer or detention officer); or

(c) any other information that is available to the authorised officer or detention officer.

(5) An authorisation of a strip search given for the purposes of subparagraph (3)(c)(i):

(a) may be given by telephone, fax or other electronic means; and

(b) must be recorded in writing, and signed by the person giving the authorisation, within one business day after it is given.

(6) A record made under paragraph (5)(b) is not a legislative instrument.

(7) A failure to comply with paragraph (5)(b) does not affect the validity of a strip search conducted on the basis of that authorisation.

(8) The power to authorise a strip search under subparagraph (3)(c)(i) cannot be delegated to any other person.
Clause 18

(9) A power conferred on a magistrate by this clause is conferred on the magistrate in a personal capacity and not as a court or a member of a court.

(10) The magistrate need not accept the power conferred.

(11) A magistrate exercising a power under this clause has the same protection and immunity as if he or she were exercising that power as, or as a member of, the court of which the magistrate is a member.

(12) To avoid doubt, a strip search of a detainee may be conducted under this clause irrespective of whether a search of the detainee is conducted under clause 15 or a screening procedure is conducted in relation to the detainee under clause 16.

(13) In this clause:

*SES Band 3 employee* means an SES employee with a classification of Senior Executive Band 3, and includes an SES employee who has been temporarily assigned duties that have been allocated a classification of Senior Executive Band 3.

Note: This clause corresponds closely to section 252A of the *Migration Act 1958*.

18 Rules for conducting a strip search

(c) must be conducted by an approved officer of the same sex as the detainee; and

(d) subject to subclauses (2), (3) and (5), must not be conducted in the presence or view of a person who is of the opposite sex to the detainee; and

(e) subject to subclauses (2), (3) and (5), must not be conducted in the presence or view of a person whose presence is not necessary for the purposes of the strip search; and

(g) if the detainee is at least 10 but under 18, or is incapable of managing his or her affairs—must be conducted in the presence of:

(i) the detainee’s parent or guardian if that person is in detention with the detainee and is readily available at the same place; or

(ii) if that is not acceptable to the detainee or subparagraph (i) does not apply—another person (other than an approved officer) who is capable of representing the detainee’s interests and who, as far as is practicable in the circumstances, is acceptable to the detainee; and

(h) subject to subclause (4), if the detainee is at least 18, and is not incapable of managing his or her affairs—must be conducted in the presence of another person (if any) nominated by the detainee, if that other person is readily available at the same place as the detainee, and willing to attend the strip search within a reasonable time; and

(i) must not involve a search of the detainee’s body cavities; and

(j) must not involve the removal of more items of clothing, or more visual inspection, than the approved officer conducting the search believes on reasonable grounds to be necessary to determine whether there is hidden on the detainee, in his or her clothing or in a thing in his or her possession a weapon or other thing described in subclause 17(1); and

(k) must not be conducted with greater force than is reasonably necessary to conduct the strip search.

(2) Paragraphs (1)(d) and (e) do not apply to a parent or guardian, or person present because of subparagraph (1)(g)(ii), if the detainee has no objection to that person being present.

(5) A strip search of a detainee may be conducted with the assistance of another person if the approved officer conducting the strip search considers that to be necessary for the purposes of conducting it. That person must not be of the opposite sex to the detainee unless:

(a) the person is a medical practitioner; and

(b) a medical practitioner of the same sex as the detainee is not available within a reasonable time.

(6) An action or proceeding, whether civil or criminal, does not lie against a person who, at the request of an approved officer, assists in conducting a strip search if the person acts in good faith and does not contravene this clause.

(7) A detainee must be provided with adequate clothing if during or as a result of a strip search any of his or her clothing is:

(a) damaged or destroyed; or

(b) retained under clause 19.

Note: This clause corresponds closely to section 252B of the Migration Act 1958.
Division 4—Keeping of things found by screening or strip search of detainees

19 Possession and retention of certain things obtained during a screening procedure or strip search

(1) An approved officer may take possession of and retain a thing found in the course of conducting a screening procedure under clause 16 or conducting a strip search under clause 17 if the thing:
   (a) might provide evidence of the commission of an offence against an environmental law, or an offence against section 6 of the Crimes Act 1914 relating to such an offence; or
   (b) is forfeited or forfeitable to the Commonwealth.

(2) A weapon or other thing described in subclause 16(1) or 17(1) that is found in the course of conducting a screening procedure under clause 16 or a strip search under clause 17 is forfeited to the Commonwealth.

(3) An approved officer must not return a thing that is forfeited or forfeitable to the Commonwealth. Instead, the approved officer must, as soon as practicable, give a thing that is forfeited under subclause (2) to a constable (within the meaning of the Crimes Act 1914).

Note: See sections 450 and 451 of this Act, which deal with court-ordered forfeiture and how forfeited items are to be dealt with.

(4) An approved officer must take reasonable steps to return anything that is not forfeited or forfeitable but is retained under subclause (1) to the person from whom it was taken, or to the owner if that person is not entitled to possess it, if one of the following happens:
   (a) it is decided that the thing is not to be used in evidence;
   (b) the period of 60 days after the approved officer takes possession of the thing ends.
(5) However, the approved officer does not have to take those steps if:
   (a) in a paragraph (4)(b) case:
      (i) proceedings in respect of which the thing might provide evidence have been instituted before the end of the 60 day period and have not been completed (including an appeal to a court in relation to those proceedings); or
      (ii) the approved officer may retain the thing because of an order under clause 21; or
   (b) in any case—the approved officer is otherwise authorised (by a law, or an order of a court or a tribunal, of the Commonwealth or a State or Territory) to retain, destroy or dispose of the thing.

Note: This clause corresponds closely to section 252C of the Migration Act 1958.

20 Approved officer may apply for a thing to be retained for a further period

(1) This clause applies if an approved officer has taken possession of a thing referred to in subclause 19(4) and proceedings in respect of which the thing might provide evidence have not commenced before the end of:
   (a) 60 days after the approved officer takes possession of the thing; or
   (b) a period previously specified in an order of a magistrate under clause 21.

(2) The approved officer may apply to a magistrate for an order that the approved officer may retain the thing for a further period.

(3) Before making the application, the approved officer must:
   (a) take reasonable steps to discover which persons’ interests would be affected by the retention of the thing; and
   (b) if it is practicable to do so, notify each person who the approved officer believes to be such a person of the proposed application.

(4) A notice under paragraph (3)(b) is not a legislative instrument.

Note: This clause corresponds closely to section 252D of the *Migration Act 1958*.

21 Magistrate may order that thing be retained

(1) The magistrate may order that the approved officer who made an application under clause 20 may retain the thing if the magistrate is satisfied that it is necessary for the approved officer to do so:
   (a) for the purposes of an investigation as to whether an offence has been committed; or
   (b) to enable evidence of an offence to be secured for the purposes of a prosecution.

(2) The order must specify the period for which the approved officer may retain the thing.

(3) A power conferred on a magistrate by this clause is conferred on the magistrate in a personal capacity and not as a court or a member of a court.

(4) The magistrate need not accept the power conferred.

(5) A magistrate exercising a power under this clause has the same protection and immunity as if he or she were exercising that power as, or as a member of, the court of which the magistrate is a member.

Note: This clause corresponds closely to section 252E of the *Migration Act 1958*. 
Division 5—Screening detainees’ visitors

22 Powers concerning entry to premises where detainee is detained

(1) An authorised officer or detention officer may request that a person about to enter premises where a detainee is in detention do one or more of the following:
   (a) walk through screening equipment;
   (b) allow an authorised officer or detention officer to pass hand-held screening equipment over or around the person or around things in the person’s possession;
   (c) allow things in the person’s possession to pass through screening equipment or to be examined by X-ray.

(2) Screening equipment means a metal detector or similar device for detecting objects or particular substances.

(3) If an approved officer suspects on reasonable grounds that a person about to enter premises where a detainee is in detention has in the person’s possession a thing that might:
   (a) endanger the safety of the detainees, staff or other persons on the premises; or
   (b) disrupt the order or security arrangements on the premises;
the approved officer may request that the person do some or all of the things in subclause (4) for the purpose of finding out whether the person has such a thing. A request may be made whether or not a request is also made to the person under subclause (1).

(4) An approved officer may request that the person do one or more of the following:
   (a) allow the approved officer to inspect the things in the person’s possession;
   (b) remove some or all of the person’s outer clothing such as a coat, jacket or similar item;
   (c) remove items from the pockets of the person’s clothing;
(d) open a thing in the person’s possession, or remove the thing’s contents, to allow the approved officer to inspect the thing or its contents;

(e) leave a thing in the person’s possession, or some or all of its contents, in a place specified by the approved officer if he or she suspects on reasonable grounds that the thing or its contents are capable of concealing something that might:

(i) endanger the safety of the detainees, staff or other persons on the premises; or

(ii) disrupt the order or security arrangements on the premises.

(5) A person who leaves a thing (including any of its contents) in a place specified by an approved officer is entitled to its return when the person leaves the premises.

(6) However, if possession of the thing, or any of those contents, by the person is unlawful under a Commonwealth, State or Territory law applying to the premises:

(a) the thing or the contents must not be returned to the person; and

(b) an approved officer must, as soon as practicable, give the thing or the contents to a constable (within the meaning of the Crimes Act 1914).

(7) A person who is about to enter premises where a detainee is detained may be refused entry if the person does not comply with a request under this clause.

Note: This clause corresponds closely to section 252G of the Migration Act 1958.

(1) This clause applies to a detainee if:

(a) the detainee is held in detention in a prison or remand centre of a State or Territory; and
(b) a law of that State or Territory confers a power to search persons, or things in the possession of persons, serving sentences or being held in the prison or remand centre.

(2) To the extent that the State or Territory law confers that power, or affects the exercise of that power, it applies to the detainee as though it were a law of the Commonwealth.

(3) However, a disclosure is not a permitted disclosure if:
   (a) it is a disclosure of identifying information relating to a personal identifier of a prescribed type; and
   (b) it is for the purpose of:
      (i) investigating an offence against a law of the Commonwealth or a State or Territory; or
      (ii) prosecuting a person for such an offence.

Endnote 1—About the endnotes

The endnotes provide information about this compilation and the compiled law.

The following endnotes are included in every compilation:

Endnote 1—About the endnotes
Endnote 2—Abbreviation key
Endnote 3—Legislation history
Endnote 4—Amendment history

Abbreviation key—Endnote 2

The abbreviation key sets out abbreviations that may be used in the endnotes.

Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes

The Legislation Act 2003 authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can

be given effect as intended, the amendment is incorporated into the compiled law and the abbreviation “(md)” added to the details of the amendment included in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the abbreviation “(md not incorp)” is added to the details of the amendment included in the amendment history.
