

Fisheries (Local Fishing) Regulations 2009**Arrangement of Regulations**

- (2) An application to renew a local fishing vessel licence may be refused under any of the grounds in regulation 9.
- (3) Regulations 7(2), 8(2), 8(3) and 16 shall apply.

11. Application to vary a local fishing vessel licence

An application to vary a local fishing vessel licence as to the authorised areas, operations or species that may be fished shall be in the form set out in Form 8 and shall be accompanied by the licence and the prescribed fee.

12. Registration of a commercial sport fishing vessel

- (1) A commercial sport fishing vessel shall be registered on the Fishing Vessels Register in the same manner as a local fishing vessel in accordance with these regulations.
- (2) Any change in ownership of, or any modification or addition to, a registered commercial sport fishing vessel shall be notified to the Secretary and dealt with in the same manner as a local fishing vessel in accordance with these regulations.

13. Application for a licence for a commercial sport fishing vessel

- (1) An application for a commercial sport fishing vessel licence under section 30 of the Act shall be in the form set out in Form 9 and shall be accompanied by the certificate of registration of the vessel and the prescribed fee.
- (2) Any change in the information set out in the application form shall be notified to the Secretary no later than 7 days from the date of the change.

14. Licence for a commercial sport fishing vessel

A commercial sport fishing vessel licence shall be in the form set out in Form 10, and accompanied by the prescribed fee.

15. Grounds for licence refusal for commercial sports fishing vessel

An application for a licence for a charter sport fishing vessel may be refused under any of the grounds in regulation 9.

16. General conditions

Every local fishing vessel licence and commercial sport fishing vessel licence shall, in addition to conditions endorsed on the licence, be subject to the following:

- (a) the vessel shall be seaworthy and shall comply with safety standards applicable under the shipping laws;
- (b) the vessel shall display identification markings in accordance with Schedule III;
- (c) no fishing shall be undertaken except as authorised by the licence;
- (d) in the case of a local fishing vessel licence, no fish may be transhipped from or onto the vessel except with the written authorisation of the Secretary and in accordance with such conditions as he may specify;

FISHERIES MANAGEMENT ACT 2002 (Section 101)

FISHERIES (LOCAL FISHING) REGULATIONS 2009

IN EXERCISE of the powers conferred by section 101 of the Fisheries Management Act 2002, the Minister responsible for Fisheries makes the following Regulations:

1. Short title

These Regulations may be cited as the Fisheries (Local Fishing) Regulations 2009.

2. Interpretation

For the purposes of these Regulations “Act” means the Fisheries Management Act 2002.

3. Application to register

- (1) An application to register a local fishing vessel on the Fishing Vessels Register under section 20 of the Act shall be in the form set out in Form 1 and shall be accompanied by the prescribed fee.
- (2) Upon receipt of the application referred to in sub-regulation (1), where the requirements in sections 20(5) and 20(6) of the Act have been satisfied, the Secretary may issue the certificate of registration.

4. Certificate of registration

- (1) A certificate of registration for a local fishing vessel shall be in the form set out in Form 2 and accompanied by the prescribed fee.
- (2) Notwithstanding any provision of the Act or this regulation, no fee shall be payable in respect of any certificate of registration issued to a fishing vessel owned and operated by the Government.

5. Notification of any change in ownership

- (1) A notification of any change in ownership of a registered local fishing vessel shall be in the form set out Form 3 and shall be accompanied by the certificate of registration and the prescribed fee.
- (2) The Secretary shall cancel the certificate of registration of the previous owner and issue another certificate of registration for the new owner.
- (3) Notwithstanding any provision of the Act or this regulation, no fee shall be payable in respect of any certificate of registration issued to a fishing vessel owned and operated by the Government.

6. Notification of any addition or modification

- (1) A notification of any addition or modification to a registered local fishing vessel shall be in the form set out in Form 4 and shall be accompanied by the certificate of registration and the prescribed fee.
- (2) Upon receipt of notification under sub-regulation (1), the Secretary shall cause the vessel to be inspected and if:
 - (a) satisfied that the vessel as added to or modified is fit for fishing and meets any prescribed safety and hygiene standards, endorse and return the certificate of registration; or
 - (b) not so satisfied, withdraw the registration of the vessel and cancel the certificate of registration.

7. Application

- (1) An application for a local fishing vessel licence under section 29 of the Act shall be in the form set out in Form 5 and shall be accompanied by the certificate of registration of the vessel and the prescribed fee.
- (2) Any change in the information set out in the application form shall be notified to the Secretary no later than 7 days from the date of the change.

8. Licence

- (1) A local fishing vessel licence shall be issued in the form set out in Form 6 upon payment of the prescribed fee.
- (2) Notwithstanding any provision of the Act or this regulation, no fee shall be payable in respect of any licence issued to a fishing vessel owned and operated by the Government.

9. Grounds for licence refusal

The Secretary may refuse an application for a local fishing vessel licence on the following grounds:

- (a) where it would be detrimental to the proper management of fisheries;
- (b) applicant’s previous convictions for fisheries offences;
- (c) the vessel in respect of which the application is made is not registered on the Fishing Vessels Register;
- (d) the vessel in respect of which the application is made is not a local fishing vessel;
- (e) the applicant refuses to provide information requested by the Secretary in respect of the proposed fishing operation or related activities; or
- (f) such other grounds as are specified in any regulations made under the Act.

10. Application to renew licence

- (1) An application to renew a local fishing vessel licence shall be in the form set out in Form 7 and shall be accompanied by the prescribed fee.

INSTRUCTIONS: Underline surname or family name
Address means complete mailing address
Clearly mark the boxes **X** where appropriate
Attach a separate sheet where necessary

A. DETAILS OF VESSEL

Name of vessel:

Make and type of vessel:

Size of vessel: GRT LOA Radio call sign (if any):

Hull material: Wood Where built:

GRP Year built:

Steel Radio (HF/VHF/SSB/No):

Other Radar (Yes/No):

Engine Inboard: HP Type and make:

Outboard: HP Make:

B. DETAILS OF FISHING CAPACITY (Complete as appropriate)

(a) Drop line (deep bottom fishing) Number of reels

(b) Trolling Number of lines:

(c) Long-lining

(d) Gillnetting

(e) Other fishing methods (specify)

For (c), (d) and (e) attach details on a separate sheet, with a sketch of the gear to be employed.

- (e) the master of the vessel shall cause records to be maintained on a daily basis in such form as the Secretary requires for the purpose of recording the fishing operations or related activities of the vessel;
- (f) any records maintained under sub-regulation (e) shall be transmitted to the Secretary as he may require;
- (g) whenever required to do so by the Secretary, a vessel shall carry an observer designated by the Secretary, and the master and crew of such vessel shall provide the observer with such facilities and cooperation as may be required to allow him to carry out his duties; and
- (h) the operator shall promptly provide the Secretary with such information in respect of the fishing operations as he may require.

17. Application to renew a commercial sport fishing vessel licence

- (1) An application to renew a commercial sport fishing licence shall be in the form set out in Form 11 and shall be accompanied by the prescribed fee.
- (2) An application to renew a commercial sport fishing vessel licence may be refused under any of the grounds in regulation 9.
- (3) Regulations 7(2), 8(3) and 16 shall apply.

18. General condition for renewal of a licence

Any changes to the information stated in an original licence, including those that have already been notified, communicated or reported to the Ministry, shall be recorded on an application made under these regulations to renew a licence.

19. Information to be true, complete and correct

- (1) Any information required to be recorded, notified, communicated or reported under any of these regulations shall be true, complete and correct.
- (2) Any change in circumstances which has the effect of rendering any such information false, incomplete or misleading shall be notified immediately to the Secretary.
- (3) Any person who contravenes sub-regulations (1) or (2) shall be liable upon conviction to the fine provided in section 102 of the Act.

Made at Nuku'alofa on this 29 day of April 2009.

Minister responsible for Fisheries.

SCHEDULE III (Regulation 16)

VESSEL IDENTIFICATION MARKINGS

1. All vessels licensed or authorised under the Act shall be marked with their International Telecommunications Union (ITU) Radio Call Signs (IRCS).
2. Vessels not provided with an IRCS shall be marked with the characters allocated by the ITU to the flag State and followed by the licence or registration number assigned by the flag State. In such cases a hyphen shall separate the ITU characters and the assigned number.
3. Apart from the vessel's name or identification and port of registry, the marking system specified above shall be the only other vessel identification mark consisting of letters and numbers painted on the hull or superstructure.
4. The markings shall be prominently displayed at all times -
 - (a) on the vessel's side or superstructure, port and starboard;
 - (b) on a deck, but should an awning or other temporary cover obscure the mark, the awning or cover shall also be marked. Deck marks shall be placed athwart the vessel with the top of the numbers or letters towards the bow.
5. Marks shall be placed as high as possible above the water line. The flare of the bow and the stern should be avoided.
6. The marks shall be -
 - (a) placed so they are not obscured by the fishing gear whether stowed or in use;
 - (b) be clear of the flow from scuppers and overboard discharges including areas which might be damaged or discoloured from the catch of certain species; and
 - (c) not extend below the waterline.
7. Boats, skiffs and craft carried by the vessel for fishing operations shall bear the same mark as the vessel concerned.
8. Block lettering and numbering shall be used throughout.
9. The height (h) of the letters and numbers shall be in proportion to the size of the vessel in accordance with the following -
 - (a) for marks placed on the superstructure (in metres):

Length of vessel overall	Minimum height of letters and numbers
25 m and over	1.0 m
20 m but less than 25 m	0.8 m
15 m but less than 20 m	0.6 m
12 m but less than 15 m	0.4 m
5 m but less than 12 m	0.3 m
under 5 m	0.1 m

- (b) for marks placed on deck, the height shall be not less than 0.3 m for all classes of vessels of 5 m and over.
10. The length of the hyphen shall be half the height of the letters and numbers.
 11. The width of the stroke for all letters, numbers and the hyphen shall be $h/6$.
 12. The space between letters and/or numbers shall not exceed $h/4$ nor be less than $h/6$.
 13. The space between adjacent letters having sloping sides shall not exceed $h/8$ nor be less than $h/10$, for example **A, V**.
 14. The marks shall be -
 - (a) white on a black background; or
 - (b) black on a white background.
 15. The background shall extend to provided a border around the mark of not less than $h/6$.
 16. The marks and background shall be maintained in good condition at all times.
