FISHERIES MANAGEMENT (PROCESSING AND EXPORT) REGULATIONS 2008

Arrangement of Regulations

PART 1 - PRELIMINARY

1. Citation
2. Interpretation
3. Seafood safety standards

PART 2 - FISH PROCESSING ESTABLISHMENTS

4. Fish processing establishment certificate
5. Application for a fish processing establishment licence

PART 3 - EXPORT OF FISH

6. Definition of fish
7. Application for a licence to export fish
8. Renewal of licence to export fish
9. Licence to export fish
10. Licence conditions
11. Fish export Log sheet
12. Fees for export of marine products

PART 4 - EXPORT OF AQUARIUM FISH AND INSPECTOR

13. Application to export aquarium fish
14. Licence to export aquarium fish
15. Licence conditions
16. Trained employees
17. Aquarium fish export Log sheet
18. Fees for export of Aquarium fish
19. Seafood Safety Inspector
20. Information to be true, complete and correct
21. Minister may raise a resource rent on fish processing and export

Schedules
FISHERIES MANAGEMENT ACT 2002

In exercise of the powers contained in section 101 of the Fisheries Management Act 2002, the Minister makes the following Regulations:

PART 1 - PRELIMINARY

1. Citation
These Regulations may be cited as the Fisheries Management (Processing and Export) Regulations 2008.

2. Interpretation
In these Regulations-
(a) the terms and phrases defined in the Fisheries Management Act 2002 shall be given the same meaning in these regulations, unless the context requires otherwise;
(b) unless the context otherwise requires-
"Act" means the Fisheries Management Act 2002;
"Inspector" means a person appointed under regulation 19 of these regulations;
"Codex Alimentarius" means the collection of internationally adopted food standards compiled by the Joint FAO/WHO Food Standards Programme;
"export" means to take or cause to be taken out of the Kingdom of Tonga for commercial or potentially commercial purposes, and includes providing commercial samples, but does not include the export of quantities of less than 20 kilograms in weight for the purpose of domestic consumption;
"exemption" means to be able to cause to be taken out of the Kingdom of Tonga for domestic consumption.

3. Exemption from application of regulations
(f) comply with the export restrictions on selected species made in the Fisheries Management (Conservation) Regulations 2008.

4. Fees for export of marine products
(1) All fees for export of marine products exported for commercial purposes shall be charged when the Ministry receives stamped packing list from Customs.

PART 4 – EXPORT OF AQUARIUM FISH AND INSPECTOR

13. Application to export aquarium fish
(1) An application for a licence to export aquarium fish shall be-
(a) made in Form 9 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

14. Inspection
An Inspector shall-
(a) inspect the plants, equipment, supplies and facilities of an applicant who is applying for a licence to export; and
(b) inspect the conditions of the licence and its operation.

15. Annual inspection
A licence holder shall-
(a) pay an annual fee to the Minister in the manner prescribed by the Minister; and
(b) ensure that the plant is inspected annually by an Inspector.

16. Application to renew a licence
(1) An application to renew a licence to export aquarium fish shall be-
(a) made in Form 10 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

17. Fee for export of aquarium fish
(1) The fee for the export of aquarium fish shall be-
(a) paid to the Minister in the manner prescribed by the Minister; and
(b) added to the export licence fee.

18. Commercial and non-commercial
(a) A holder of a licence to export aquarium fish must-
(i) keep a record of the species and their number exported;
(ii) ensure that the fish are not subject to any export restriction;
(iii) comply with all inspection and testing requirements.

19. Conditions of licence
A licence to export aquarium fish may contain any of the following conditions-
(a) the species and number of fish to be exported;
(b) the method of export;
(c) the destination of the fish;
(d) the frequency and method of inspection;
(e) the times and dates of export;
(f) any other condition the Minister considers necessary.

20. Inspection
An Inspector may-
(a) inspect the plant and the fish at any time;
(b) require the holder to keep records of any fish exported;
(c) require the holder to submit any records to the Inspector;
(d) seize any fish or plants that appear to be contaminated;
(e) issue a notice to the holder to cease operations until the plant is inspected.

21. Offences
Any person who-
(a) fails to comply with a condition of a licence;
(b) fails to comply with any requirements of these regulations;
(c) fails to comply with any requirements of an Inspector’s order;
(d) fails to pay the fee specified in these regulations;
(e) fails to keep any records required by these regulations;
(f) fails to submit any records to an Inspector;
(g) fails to comply with any other provisions of these regulations;
shall be guilty of an offence and liable to the penalties provided for by these regulations.

22. Penalty
(1) Any person who commits an offence under these regulations shall be liable to a fine not exceeding $1,000.

23. waiver of penalty
(1) The Minister may, in the discretion of the Minister, remit or reduce any penalty imposed under these regulations.

24. Power to make regulations
(1) The Minister may make regulations for the purpose of carrying out or giving effect to these regulations.

25. Enforced application
Any person who-
(a) fails to comply with a condition of a licence;
(b) fails to comply with any requirements of these regulations;
(c) fails to comply with any requirements of an Inspector’s order;
(d) fails to pay the fee specified in these regulations;
(e) fails to keep any records required by these regulations;
(f) fails to submit any records to an Inspector;
(g) fails to comply with any other provisions of these regulations;
shall be guilty of an offence and liable to the penalties provided for by these regulations.

26. Interpretation
(a) the terms and phrases defined in the Fisheries Management Act 2002 shall be given the same meaning in these regulations, unless the context requires otherwise;
(b) unless the context otherwise requires-
"Act" means the Fisheries Management Act 2002;
"Inspector" means a person appointed under regulation 19 of these regulations;
"Codex Alimentarius" means the collection of internationally adopted food standards compiled by the Joint FAO/WHO Food Standards Programme;
"export" means to take or cause to be taken out of the Kingdom of Tonga for commercial or potentially commercial purposes, and includes providing commercial samples, but does not include the export of quantities of less than 20 kilograms in weight for the purpose of domestic consumption;
"exemption" means to be able to cause to be taken out of the Kingdom of Tonga for domestic consumption.

27. Exemption from application of regulations
(f) comply with the export restrictions on selected species made in the Fisheries Management (Conservation) Regulations 2008.

28. Fees for export of marine products
(1) All fees for export of marine products shall be charged when the Ministry receives stamped packing list from Customs.

29. Application to export aquarium fish
(1) An application for a licence to export aquarium fish shall be-
(a) made in Form 9 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

30. Inspection
An Inspector shall-
(a) inspect the plants, equipment, supplies and facilities of an applicant who is applying for a licence to export; and
(b) inspect the conditions of the licence and its operation.

31. Annual inspection
A licence holder shall-
(a) pay an annual fee to the Minister in the manner prescribed by the Minister; and
(b) ensure that the plant is inspected annually by an Inspector.

32. Application to renew a licence
(1) An application to renew a licence to export aquarium fish shall be-
(a) made in Form 10 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

33. Fee for export of aquarium fish
(1) The fee for the export of aquarium fish shall be-
(a) paid to the Minister in the manner prescribed by the Minister; and
(b) added to the export licence fee.

34. Commercial and non-commercial
(a) A holder of a licence to export aquarium fish must-
(i) keep a record of the species and their number exported;
(ii) ensure that the fish are not subject to any export restriction;
(iii) comply with all inspection and testing requirements.

35. Conditions of licence
A licence to export aquarium fish may contain any of the following conditions-
(a) the species and number of fish to be exported;
(b) the method of export;
(c) the destination of the fish;
(d) the frequency and method of inspection;
(e) the times and dates of export;
(f) any other condition the Minister considers necessary.

36. Inspection
An Inspector may-
(a) inspect the plant and the fish at any time;
(b) require the holder to keep records of any fish exported;
(c) require the holder to submit any records to the Inspector;
(d) seize any fish or plants that appear to be contaminated;
(e) issue a notice to the holder to cease operations until the plant is inspected.

37. Offences
Any person who-
(a) fails to comply with a condition of a licence;
(b) fails to comply with any requirements of these regulations;
(c) fails to comply with any requirements of an Inspector’s order;
(d) fails to pay the fee specified in these regulations;
(e) fails to keep any records required by these regulations;
(f) fails to submit any records to an Inspector;
(g) fails to comply with any other provisions of these regulations;
shall be guilty of an offence and liable to the penalties provided for by these regulations.

38. Penalty
(1) Any person who commits an offence under these regulations shall be liable to a fine not exceeding $1,000.

39. waiver of penalty
(1) The Minister may, in the discretion of the Minister, remit or reduce any penalty imposed under these regulations.

40. Power to make regulations
(1) The Minister may make regulations for the purpose of carrying out or giving effect to these regulations.

41. Enforced application
Any person who-
(a) fails to comply with a condition of a licence;
(b) fails to comply with any requirements of these regulations;
(c) fails to comply with any requirements of an Inspector’s order;
(d) fails to pay the fee specified in these regulations;
(e) fails to keep any records required by these regulations;
(f) fails to submit any records to an Inspector;
(g) fails to comply with any other provisions of these regulations;
shall be guilty of an offence and liable to the penalties provided for by these regulations.

42. Interpretation
(a) the terms and phrases defined in the Fisheries Management Act 2002 shall be given the same meaning in these regulations, unless the context requires otherwise;
(b) unless the context otherwise requires-
"Act" means the Fisheries Management Act 2002;
"Inspector" means a person appointed under regulation 19 of these regulations;
"Codex Alimentarius" means the collection of internationally adopted food standards compiled by the Joint FAO/WHO Food Standards Programme;
"export" means to take or cause to be taken out of the Kingdom of Tonga for commercial or potentially commercial purposes, and includes providing commercial samples, but does not include the export of quantities of less than 20 kilograms in weight for the purpose of domestic consumption;
"exemption" means to be able to cause to be taken out of the Kingdom of Tonga for domestic consumption.

43. Exemption from application of regulations
(f) comply with the export restrictions on selected species made in the Fisheries Management (Conservation) Regulations 2008.

44. Fees for export of marine products
(1) All fees for export of marine products shall be charged when the Ministry receives stamped packing list from Customs.
3. Seafood safety standards

The licence holder shall ensure, for the purposes of processing and export, compliance with the food safety standards provisions of the Public Health Act and any other law in the Kingdom.

PART 2 – FISH PROCESSING ESTABLISHMENTS

4. Fish processing establishment certificate

(1) An application to register a fish processing establishment shall be-
(a) made in Form 1 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

(2) A certificate of registration for a fish processing establishment shall be issued-
(a) in Form 2 of Schedule 1; and
(b) upon payment of the fee specified in Schedule 2.

5. Application for a fish processing establishment licence

(1) An application for a licence to operate a fish processing establishment shall be-
(a) made in Form 3 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

(2) An application to renew a fish processing establishment licence shall be-
(a) made in Form 4 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

(3) A licence to operate a fish processing establishment shall be issued-
(a) in Form 5 of Schedule 1; and
(b) upon payment of the fee specified in Schedule 2.

(4) The holder of a fish processing establishment licence shall ensure that all employees operating under this licence are sufficiently trained in processing and the handling of fish and fish products to enhance the quality.

(5) The holder of a fish processing establishment licence shall-
(a) complete the Fish Processing Log sheet in Form 1 of Schedule 3;
(b) submit all completed Fish Processing Log sheets to the Ministry in their original and unaltered form, weekly after the completion of the week to which the log sheet relates;
(c) ensure that the fish processed at such establishment shall not exceed the total quotas allowed to that establishment, including those relating to species and quantity.

PART 3 – EXPORT OF FISH

6. Definition of fish

In this Part, “fish” means any fish processed for the purposes of export.

7. Application for a licence to export fish

(1) An application for a licence to export fish shall be-
(a) made in Form 6 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

(2) An application to renew a licence to export fish shall be-
(a) made in Form 7 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

8. Licence to export fish

(1) A licence to export fish shall be-
(a) issued in Form 8 of Schedule 1;
(b) issued upon payment of the fee specified in Schedule 2, and
(c) valid for a period of 12 months from the date of issue, unless

(2) An application to renew a licence to export fish shall be-
(a) made in Form 9 of Schedule 1; and
(b) accompanied by the fee specified in Schedule 2.

(3) A licence to export fish shall be issued-
(a) in Form 10 of Schedule 1;
(b) accompanied by the fee specified in Schedule 2;
(c) issued in Form 11 of Schedule 1;
(d) and
(e) for a period of 12 months from the date of issue.

9. Licence to export fish

(1) A licence to export fish shall be issued-
(a) in Form 12 of Schedule 1;
(b) for a period of 12 months from the date of issue;
(c) issued in Form 13 of Schedule 1;
(d) and
(e) accompanied by the fee specified in Schedule 2.

10. Licence conditions

(1) A licence to export fish shall be subject to the following conditions in addition to any other conditions required under the Act:
(a) the objectives of the relevant management and development plan under the Act;
(b) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(c) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(d) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(e) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(f) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(g) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(h) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(i) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(j) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(k) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(l) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(m) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(n) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(o) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(p) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(q) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(r) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
s. the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(t) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;”
(u) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(v) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(w) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
x. the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
y. the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(z) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(A) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(B) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(C) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(D) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(E) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(F) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(G) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(H) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(I) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(J) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(K) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(L) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(M) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(N) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(O) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(P) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(Q) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(R) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(S) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(T) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(U) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(V) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(W) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(X) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(Y) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(Z) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
(\text{more conditions...})
14. Licence to export aquarium fish

A licence to export aquarium fish shall be-
(a) issued in Form 11 of Schedule 1;
(b) issued upon payment of the fee specified in Schedule 2; and
(c) valid for a period of 12 months from the date of issue, unless
sooner cancelled or suspended.

15. Licence conditions

A licence to export aquarium fish shall be subject to the following conditions in addition to any other conditions required under the Act –
(a) the objectives of the relevant management and development plan;
(b) aquarium fish are processed in a licensed fish processing establishment;
(c) safe and sanitary packaging for transportation; and
(d) accompanied by a health certificate which has been approved by
the Secretary.

16. Trained employees

A holder of a licence to export aquarium fish shall ensure that all employees operating under that licence are sufficiently trained in and operate using best practice for handling and packing to minimize mortalities during transportation.

17. Aquarium fish export Log sheet

A holder of a licence to export aquarium fish shall -
(a) complete the Aquarium Export Log sheet, in Form 3 of
Schedule 3, for every day of export of aquarium fish, including
(i) Licence holder’s name;
(ii) Date of export;
(iii) Scientific or common name of each species being exported;
(iv) Number of specimens of each species being exported;
(v) FOB value by species; and
(b) submit all completed Aquarium Log sheets to the Secretary in
their original and unaltered form no later than 24 hours after the completion of the day to which the log sheet relates.

18. Fees for export of aquarium fish

All fees for exporting aquarium fish shall be charged when the packing list has been stamped with the Customs official stamp.

19. Inspector

(1) The Minister may designate in writing any authorized officers, by
notice published in a newspaper widely circulated in the Kingdom, as
Inspectors.

C. DECLARATION BY APPLICANT

The Fisheries Management Act 2002 provides penalties for persons who provide false information. I certify that the information supplied in this application is a true, correct and complete statement. I have read and understood the information contained in this application and further understand that failure to do so may render me liable to prosecution.

The duties of an inspector shall include but is not limited to the following, to –

(a) develop a HACCP Plan where necessary;
(b) reassess and modify the HACCP Plan, at a minimum once a year and when corrective action plans are employed;
(c) carry out regular monitoring of the fish processor’s HACCP system;
(d) carry out regular health checks through sampling, organoleptic checks, parasite checks, chemical checks, microbiological analysis and contaminants analysis;
(e) ensure compliance with the seafood safety standards set down by the Secretary.
(f) ensure compliance with the standards of importing countries;
(g) draw up a list of the licensed fish processing establishment’s processing equipment and procedures and their conformity with the HACCP Plan;
(h) have access to the facilities and equipment of the fish processor’s HACCP Plan;
(i) suspend or revoke a fish export licence, where necessary, if there is uncertainty as to the safety of the fish product for consumption;
(j) provide assurance that particular fish and fish products have been produced or processed in accordance with an effective HACCP Plan and the food safety standards provided under the laws of Tonga;
(k) conduct necessary inspections of the processor’s premises and operations in accordance with the regulations.

20. Information to be true, complete and correct

(1) Any information required to be recorded, notified, communicated or reported pursuant to any requirement of these Regulations shall be true, complete and correct.

(2) Any change in circumstances which has the effect of rendering any such information false, incomplete or misleading shall be notified immediately to the appropriate person, authority or body.

21. Minister may raise a resource rent on fish processing and export

(1) The Minister may, by Notice published in a newspaper widely circulated in the Kingdom, raise a resource rent as he deems necessary on any fish processed or exported by any person or establishment that has been licensed to process or export any fish.

(2) Funds raised from the resource rent shall be made available to the Ministry for the purposes of compliance, monitoring and research.

Made at Nuku'alofa this 6th day of June, 2008.

implement the HACCP Plan;

monitor and record reviews of the HACCP Plan, critical limits at the critical control points, corrective action plans employed and the verification procedures weekly;

maintain accurate records on a daily basis on such forms as may be required by the Secretary relating to the operations carried out in such establishment, including records of the origin, dates, quantity, type and quality of fish received, processed, sold and exported and other information which the Secretary may require;

ensure all such records and the processing premises are open to regular inspection and investigation at any time by fisheries inspectors and authorised officers;

allow fisheries inspectors, authorised officers or other personnel to participate fully in any research or survey project inside the processing facility;

ensure that all employees operating under this licence are sufficiently trained in processing and the handling of fish and fish product to enhance the quality;

submit a list of employees together with their health certificate to the Secretary when requested;

notify the Secretary immediately of any change to employees;

The Fisheries Management Act 2002 provides penalties for persons who provide false information. I declare that the above information is true, complete and correct. I understand I am required to sign the information given on this form and further understand that failure to do so may render me liable to prosecution.
