(b) all such actions (if any) brought within that time are dismissed,

the boat shall be deemed to be condemned.

(6) For the purposes of Subsection (5), an action for the recovery of a boat seized under this section shall be deemed not to have been brought within 60 days after its seizure if the writ in the action has not been served on the State within that time.

(7) Where a boat is forfeited under this section by reason of the commission of an offence, the conviction of a person of that offence has effect as a condemnation of the boat.

(8) In an action for the condemnation or recovery of a boat seized under this section, a party to the action shall not allege that an offence against this Act has been committed by a person if a court has acquitted that person of that offence.

(9) For the purposes of this section, the equipment of a boat, other than equipment for the taking of fish, shall be deemed to form part of the boat.

(1) The master or other person in charge of a boat on which, or by the use of which, an offence against this Act (in this section referred to as “the primary offence”) is committed is guilty of an offence against this section punishable on conviction as if it were the primary offence.

(2) A person may be convicted of an offence against this section whether or not the identity of the person who committed the primary offence appears, or has appeared, from the evidence in the proceedings in respect of the offence against this section or in any other proceedings, but a person shall not be convicted both of an offence against this section and of the primary offence.

(3) The provisions of Section 14 relating to forfeiture and of Section 18 apply where a person is convicted of an offence against this section in like manner as they would apply if that person had been convicted of the primary offence.
